Sexuality In Mid Life:

Sexuality in Mid-Life Stephen B. Levine, 1998-02-28 I wrote *Sexuality in Mid Life* to assist clinicians in considering love sex intimacy and dysfunction as they occur in this epoch of the life cycle The chapters reflect my belief that understanding the processes of living is vital for both the therapist and the patient Despite my preoccupation with creating a cohesive book I often thought of these 11 chapters as essays because in this prose form it is traditional for the author to be palpably present in the text I tried not to hide behind the passive constructions of typical psychiatric books I wanted to create a book that did not restrict itself to scientific findings clinical experiences or ideological traditions I wanted to discuss relevant issues that were generally avoided by professionals In approaching the topics of love extramarital affairs and menopause for instance I hoped to emphasize the developmental potentials inherent in both mid life's smooth sailing and its underappreciated adversities *Sexuality in Mid Life* is my third solo authored book During the writing of the first two I thought I was painting a picture of the life cycle of sexuality When a young woman said something complimentary to me about *Sex Is Not Simple* and quickly added that I had left out any consideration of the sexuality of pregnancy I was stunned by my oversight *Sexuality in Midlife and Beyond* Stephanie Slon, 2013 *Sexuality in Midlife and Beyond* Stephanie Slon, Harvard Medical School, 2003

Sexuality in Midlife and Beyond Julie Corliss, Stephanie Slon, Alan M. Altman, Suki Hanfling, Ann Marie Dadoly, Harvard Medical School, 2007

Women's Health in Mid-Life Jo Ann Rosenfeld, 2006-05-15 This book highlights the needs and healthcare concerns of women in their midlife Women in their middle ages are often overlooked by medical practitioners From the end of childbearing to old age approximately ages 40 to 65 their health needs are complex and changing This is a time of challenge and opportunity when the physician and woman working collaboratively can change her health and future Written by 20 primary care physicians this book will help family practitioners provide the best possible healthcare for these women *Women's Sexuality Across the Life Span* Judith C. Daniluk, 2003-06-09 Moving beyond a traditional focus on sexual functioning this book emphasizes the complex interaction of psychological social cultural and biological influences on women's sense of themselves as sexual beings Written for practitioners and educators its goal is to challenge contradictory messages and meanings that cause many women to feel disconnected from their bodies and from their needs and desires Themes explored include the development of sexual awareness and sexuality in childhood and adolescence the critical sexual choices of young adulthood and the multiple transitions characterizing the middle and later years of life The book features creative exercises and interventions to help girls and women construct more affirming sexual meanings *Sexuality Across the Life Course* Alice S. Rossi, 1999-06-04 How does sexual behavior change over one's life span How does sexual satisfaction affect the quality and stability of marriage How has the AIDS epidemic affected sexual attitudes in America over the past three decades In this wide reaching volume distinguished sociologist Alice S Rossi addresses these questions and others through fourteen diverse essays on sexual behavior covering adolescence through old age and studying such groups as

singles married couples and homosexuals This extensive study also explores the effects of chronic disease and medication on sexual functioning recent developments in psychotherapy for sexual problems and sexual abuse of children incest and rape The interdisciplinary nature of the project has resulted in a text that is accessible to anyone with a behavioral science background Well written well edited and well received by this reviewer Joan C Chrisler Journal of Sex Marital Therapy This is a book that needs to be on the bookshelf of any AIDS researcher AIDS Book Review Journal **Sexuality in Midlife and Beyond (Harvard Special Health Report).** ,19?? *Sexuality in Midlife and Beyond* Stephanie Slon,Jan Leslie Shifren,2010 Sexual problems are nearly always intertwined with psychological and relationship issues As a result treating the physical problem if one is present is only half the job If sexual issues persist for any length of time performance anxiety anger frustration low self esteem lack of physical affection between you and your partner and a sense of hopelessness can further harm your sex life So can a tendency to blame yourself or your partner for the problem Most people need help repairing the emotional distance created by the problem before they can regain a healthy sexual relationship **Sexuality in America** Robert T. Francoeur,Patricia Koch,David Weis,1999-08-01 Now available in a new paperback edition this survey is different in both breadth and scope from all other reports on sexuality in the United States It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live the biological psychological social and spiritual aspects of our sexual lives
