Steve Hendrickson Gerry Burger, **How's Everything? the Ultimate Guide for All Waiters and Waitresses Who**

Want to Dramatically Increase Their Tips Peter Stokes, 2006-07-21 How's Everything Have you ever wondered why as a waiter or waitress you always ask the question How's everything after serving meals to your customers The How's everything question is asked virtually every time an entree is served So much so that diners tend to ignore it as a serious enquiry 95% of the times you ask the question it's immediately closed by your diner who responds with Fine a mean nothing one syllable word and you walk away This scenario is a crucial lost opportunity for increasing your tip every single time you ask the question By saying How's everything to your diners you are sabotaging all your previous good efforts to obtain a generous tip from your very first meeting with them Why not use this occasion to enhance your chances of a satisfying gratuity not reduce them Follow the strategies outlined in this book and you will increase your tips dramatically at no cost to you It will take only a little extra thought Accept my challenge to eliminate the How's everything question from your work style and you will immediately realize an increase in income not to mention an increase in job fulfillment Now that's a deal As for your diners Don't worry They will quite happily increase your gratuities provided of course they receive the type of superlative customer service that will make their dining experience much more enjoyable Buffalo Everything Arthur Bovino, 2018-08-14
