San Francisco Daily Times ,1901 The Men Who Raised the Bar Chris Waters,2020-12-10 Few sporting records capture the imagination quite like that of the highest individual score in Test cricket It is the blue riband record of batting achievement the ultimate statement of stamina and skill From Charles Bannerman who scored 165 for Australia against England in the inaugural Test match in 1877 to Brian Lara who made 400 not out for West Indies against England in 2004 the record has changed hands ten times Chris Waters The Men Who Raised the Bar charts the growth of the record through nearly one hundred and fifty years of Test cricket It is a journey that takes in a legendary line of famous names including Sir Donald Bradman Sir Leonard Hutton Sir Garfield Sobers and Walter Hammond along with less heralded players whose stories are brought back into the light Drawing on the reflections of the record holders Waters profiles the men who raised the bar and their historic performances *S. F. Barnes* Andrew Searle,1997 At a time when cricketers were either Gentlemen or Players S F Barnes was a professional through and through his long and varied career lasting well into his sixties This is his biography **The Prime Time Closet** Stephen Tropiano,2002-05-01 Television history was made on April 30 1997 when comedian Ellen DeGeneres and her sitcom alter ego Ellen Morgan came out to her close friends and 36 million viewers This groundbreaking episode represented a significant milestone in American television For the first time a TV series centered around a lesbian character who was portrayed by an openly gay actor The millions of viewers who tuned in that historic night were witnesses to a new era in television THE PRIME TIME CLOSET offers an entertaining and in depth glimpse into homosexuality on television from the 1950s through today Divided into four sections each devoted to a major television genre this unique book explores how gay men and lesbians have been depicted in over three hundred television episodes and made for TV films These include medical series police detective shows situation comedies and TV dramas THE PRIME TIME CLOSET also reveals how television's treatment of homosexuality has reflected and reinforced society's ignorance about and fear of gay men and lesbians At the same time it celebrates programs like *Ellen* and *Will Grace* that have broken new ground in their sensitive and enlightened approach to homosexuality and gay related themes This book is witty and insightful accessible and illuminating a look into what has become an integral part of American media culture

years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new *Dimming of the Day: The Cricket Season of 1914* Simon Sweetman, 2015-08-01 Much has been written about 1914 and the drift to war This book examines what it was like playing and watching cricket that year and how the eventual coming of war affected the game It challenges the common but lazy notion that the war brought a dramatic end to the era of sweetness light and eternal sunshine that was the golden age of amateur cricket British Sport - a Bibliography to 2000 Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian C.
