a trace Two days later a letter arrives accompanied by a journal and a shocking confession Benjamin Collins is not who he has claimed to be Now something has found him something determined to take what it was once denied Something that will not rest until it is master of everything Benjamin holds dear Only George can unravel the mysteries of the past Joining forces with the enigmatic Levy George traces Benjamin s journey from London to the Old City of Jerusalem There George learns that ancient legends exist that the war against the supernatural is real and that the darkest secrets are the most difficult to hide But George s quest will also bring redemption and the courage to reveal a love long hidden from Benjamin and the world
