Shadow Of The Shaman:

In the Shadow of the Shaman, 1988 *In the Shadow of the Shaman* is about the importance of connection to the deepest power of Nature. It tells you how to use natural objects from the shamanic worlds: Plant, Mineral, Animal, and Human, to help make this personal connection with Earth energies. In doing this, you are able to reconnect with the center of your own power. Because the shamanic path is such a personal one, often not able to be shared, this book has been designed so that it has the experiential quality of the shamanic journey traditions. The author is also careful to present the information in a clear, organized manner. In doing so, she blends the deeply personal wisdom of a shamanic path with the shared community wisdom of a medicine path. This represents an ideal for Aquarian shamanism. But this book is not simply about shamanism; it shows, through techniques, exercises, meditations, and rituals, how anyone can become a shaman. You will learn how to attune yourself with the shamanic worlds of Nature and with the Higher Self for self-healing and self-empowerment. You will learn to develop shamanic balance to become the living tree, and you will do this by using such tools as stones, crystals, feathers, masks, drums, and incense. Book jacket

A Shaman's Quest J.J. Marble, 2019-04-11 Two unlikely friends, a golden monkey prince with magical powers and an orphan boy who could communicate with animals. The two friends, along with very unusual magical creatures, went on to save an enchanted forest in the Middle Sphere and an animal kingdom in the Outside World. But after years of relative peace, both their worlds are again on the brink of total annihilation. Once again, the two unlikely friends joined together to stop the dark forces from usurping both their realms. Little did they know that there was more to it than they bargained for. Join them in their quest and their exciting adventures back into the hidden world of the Middle Sphere and the mysterious realm of shamans.
