Shadow Over Babylon A Novel:

Shadow Over Babylon David Mason, 1998-12-01 **Shadow Over Babylon** David Mason, 1994 Shadow Over Babylon David S. Mason, Professor of Sociology David Mason, 1994-12-12 An inspired thriller in the tradition of Frederick Forsyth Vanity Fair The secret assassination plot is the brainchild of the most powerful men in government and is perfectly calculated to bypass the defenses of its assassination target President Saddam Hussein Thus begins the countdown to change the course of history **A Shadow over Palestine** Keith P. Feldman, 2015-04-15 Winner Best Book in Humanities and Cultural Studies Literary Studies Association for Asian American Studies Upon signing the first U S arms agreement with Israel in 1962 John F Kennedy assured Golda Meir that the United States had a special relationship with Israel in the Middle East comparable only to that of the United States with Britain After more than five decades such a statement might seem incontrovertible and yet its meaning has been fiercely contested from the start A Shadow over Palestine brings a new deeply informed and transnational perspective to the decades and the cultural forces that have shaped sharply differing ideas of Israel s standing with the United States right up to the violent divisions of today Focusing on the period from 1960 to 1985 author Keith P Feldman reveals the centrality of Israel and Palestine in postwar U S imperial culture Some representations of the region were used to manufacture commonsense racial ideologies underwriting the conviction that liberal democracy must coexist with racialized conditions of segregation border policing poverty and the repression of dissent Others animated vital critiques of these conditions often forging robust if historically obscured border crossing alternatives In this rich cultural history of the period Feldman deftly analyzes how artists intellectuals and organizations from the United Nations the Black Panther Party and the Association of Arab American University Graduates to James Baldwin Daniel Patrick Moynihan Edward Said and June Jordan linked the unfulfilled promise of liberal democracy in the United States with the perpetuation of settler democracy in Israel and the possibility of Palestine s decolonization In one of his last essays published in 2003 Edward Said wrote In America Palestine and Israel are regarded as local not foreign policy matters A Shadow over Palestine maps this jagged terrain on which this came to be amid a wealth of robust alternatives and the undeterred violence at home and abroad unleashed as a result of this special relationship *Spies and Holy Wars* Reeva Spector Simon, 2010-11-15 Illuminating a powerful intersection between popular culture and global politics *Spies and Holy Wars* draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an Islamic holy war or crusade against the West Published over the past century the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism Demonstrating the social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from being the malleable victim before World War II to the international techno savvy figure in today s crime novels She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre particularly in recent years

Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam skepticism Moving beyond stereotypes Simon examines the relationships between publishing trends political trends and popular culture at large giving voice to the previously unexamined truths that emerge from these provocative page turners Literary Afterlife Bernard A.
