Shadow Spinner Study Guide CD-ROM 329cd CD-Rom, 2011-03-24 *Shadow Spinner* is a fresh and unique version of the story of the Arabian Nights and the 1001 Tales but it focuses on the story teller and the people around her rather than simply retelling her stories as most versions do The Sultan s wife has betrayed him with a lover and so the Sultan has killed the two of them Unwilling to be alone but believing that all women are betrayers the Sultan marries a new girl each day and kills her before morning No young woman in his kingdom is safe Then Shahrazad the daughter of the Sultan s own vizier volunteers to be his wife In the morning facing death she asks the Sultan if she can tell her younger sister one last story before she dies The Sultan agrees and listens as Shahrazad tells her story to Duniyazad But as Shahrazad sees the sun rising she breaks off her story at a particularly exciting spot promising to finish it the next night if she still lives The Sultan entertained and intrigued grants Shahrazad her life for one more day And so begins a tense and uncertain pattern each night Shahrazad tells a story but there is always the danger that if it does not please the Sultan death awaits After two and a half years Shahrazad is running out of stories So *Shadow Spinner* begins with Marjan a crippled orphan storyteller who goes with you Auntie Chava to sell jewelry to the few women who remain in the Sultan s harem When the children gather around her she naturally begins to tell them a story just as she imagines her hero Shahrazad does One of the listeners is Duniyazad and when she realizes this is a story she has never heard Marjan is summoned before Shahrazad and taken into the harem Once in the harem Marjan learns that the Sultan s mother is just as dangerous as the sultan himself and she wants Shahrazad and all who help her to fail and die When Shahrazad tells Marjan s story to the Sultan they discover

the story is a favorite of the Sultan s from his childhood and he looks forward to hearing the full story again but Marjan only knows the small bit she has already told Shahrazad They must find the blind beggar who first told the story to Marjan but it is death to leave the harem As they search for a way out of their deathtrap they each learn the power of stories when there is truth in the tale Interactive CD rom **Shadow Spinner** Andrew Leon,2013-06-20 Tiberius has always thought of himself as a normal 10 year old boy Maybe he s a little smarter than everyone else but that s still normal He s scared of shadows but everyone s scared of something right His mother s completely paranoid and called the cops the one time just one time he went over to a friend s house after school but still he s normal even if his mother is not At least that s what he thinks until the day his mother finally decides to tell him about his father and she tells him things that convince him that one of them is crazy and he s pretty sure it s not him That is until the Man with No Eyes shows up and his father falls out of the sky Dreams of Steel Glen Cook,1990-04-15 After the Company s defeat at Dejahgore Lady one of the few survivors sets out to avenge herself and the Company against the Shadowmasters and she joins forces with an ancient and mysterious murder cult The Homestead ,1924 The Shadow Spinner Eric Kao,2023-03 *First Contact* Bonnie Kunzel,Suzanne Manczuk,2001 This beginning reader s advisory book helps librarians guide young readers to science fiction and fantasy titles Entries describe titles and list sequels and related books by the same author Entries are in topical sections such as alien contact dragons biotechnology and postapocalypse Classics as well as current titles popular with both younger and older teens are included in each category Kunzel is a teen specialist at Princeton Public Library and is vice president of the Young Adult Library Services Association of the American Library Association Manczuk teaches in the School of Communication Information and Library Studies at Rutgers University c Book News Inc
