Shadows of the Night Karen Wiesner, 2016-05-10 Ty Foxx left home when he was a teenager taking his brother Jeff with him. The horror they'd suffered as children along with their other three siblings at their father's hands has scarred them both. Ty had tried to take care of and shelter his younger brother eventually becoming a successful photographer but in the end he couldn't save him. He hasn't looked back for so long he's stunned when he learns that his father succumbed to an illness that plagued him for years. The threat and terror he posed is over dead and gone. Even though Ty is filled with self-loathing and fury at the past with the loss of his brother he knows the time has come for him to go home and face the rest of his family and all that he's been running from in life. Cherish Stephenson owns a flourishing flower shop and mail order business. The rape that drove her fiancé away when she was in college and left her terrified of getting close to anyone is the only sign that her life isn't everything and all she intends it to be. When she meets Ty her employee Darlene's brother and the attraction is instantaneous and mutual. Cherish realizes how much she's missed in her life by being afraid of the shadows of the night. But Ty may be even more broken than she is by the past. Can they heal each other with the light of love or is the only thing left for both of them to accept living out the rest of their lives alone wounded and scared of the dark. *Romantic Lustful Doctor*

I am strong. Remember my ruthlessness is limited to the Fuedai young master. I always have a soft spot for women. Ladies, ladies, young ladies, celebrities, CEOs. Come on, come on. I'm going to crush you all under me. Panting. Unrestrained. Screw off.

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction. More than 2,000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it, including fans searching for reading material as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre* published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have. **Tiger's Daughter: A Paranormal**
