Shadowchild P. F. Thomése, 2005 Shadowchild is an examination of a parent's grief over the loss of a child P F Thomése's baby was just a few weeks old when she died and suddenly a piece of his life and heart was gone But how do you recall that which is missing How can we replace that which is lost In powerful prose he describes how he and his wife prepared for her birth he remembers the first night they all three slept in the same bed And after her death Thomése finds himself desperately seeking the appropriate words to express his desolation But he feels that if she still exists anywhere then it's in language And so he begins to search for a new language to describe a grief that is too terrible to fit into everyday words At once a declaration of love an elegy and a self examination Shadowchild is a meditation on love death and personal loss BOOK
