Without a Shadow H. J. Reynolds, 2024-04-09 You can only teach your shadow one trick Adlai Bringer remembers going to the desert market with her father The colorful tents the wink of gold and her father's shadow black as night as it moved of its own accord and stole whatever trinket she wanted He called it the Shadow Game After her father disappears Adlai keeps going back to the market determined to find some trace of him and stealing what she can with her shadow Until one day she picks the wrong mark someone who knows her little trick and tries to take her shadow for himself Everything Adlai thought she knew about her shadow is turned upside down and her father's disappearance takes on a new light as she's forced to flee the city or risk being hunted From the desert to the shadow world to even more unlikely places Adlai knows one thing for certain her shadow is a gift worth killing for For readers who enjoy *Gods of Jade* and *Shadow* by Silvia Moreno Garcia *We Hunt the Flame* by Hafsah Faizal *The City of Brass* by S A Chakraborty and *Foundryside* by Robert Jackson Bennett

Tempting Midnight Book 5 **Placing John Haines** James Perrin Warren, 2017-02-15 John Haines arrived in Alaska fresh out of the Navy in 1947 and established a homestead seventy miles southeast of Fairbanks. He stayed there nearly twenty-five years learning to live off the country hunting trapping fishing gathering berries and growing vegetables. Those years formed him as a writer the interior of Alaska and especially its boreal forest marking his poetry and prose and helping him find his unique voice. *Placing John Haines* the first book length study of his work tells the story of those years but also of his later itinerant life as his success as a writer led him to hold fellowships and teach at universities across the country. James Perrin Warren draws out the contradictions inherent in that biography that this poet so indelibly associated with place and authentic belonging spent decades in motion and also sets Haines's work in the context of contemporaries like Robert Bly Donald Hall and his close friend Wendell Berry. The resulting portrait shows us a poet who was regularly reinventing himself and thereby generating creative tension that fueled his unforgettable work. A major study of a sadly neglected master *Placing John Haines* puts his achievement in compelling context.
