Shadows in the Chinese Landscape Yun Ji,1999 **Shadows in a Chinese Landscape** Chi Yun,David

Keenan,2016-12-05 In this major undertaking David Keenan translates and contextualizes over 100 tales from the Notes from the Hut for Examining the Subtle a collection of 1 200 tales and observations by Chi Yun one of eighteenth century China s leading intellectuals By illuminating neglected aspects of the interaction between popular and elite cultures in late imperial China this study portrays the rich connection between life and letters on the eve of the Western impact **Shadows in a**

Chinese Landscape Yun Ji,1999 By illuminating neglected aspects of the interaction between popular and elite culture in late imperial China this study in addition to being delightful to read helps us see the rich connections between life and letters on the eve of the Western impact *Shadows in a Chinese Landscape* Chi Yun,David Keenan,2016-12-05 In this major

undertaking David Keenan translates and contextualizes over 100 tales from the Notes from the Hut for Examining the Subtle a collection of 1 200 tales and observations by Chi Yun one of eighteenth century China s leading intellectuals By illuminating neglected aspects of the interaction between popular and elite cultures in late imperial China this study portrays the rich connection between life and letters on the eve of the Western impact **Communicating with the Gods** Matthias

Schumann,Elena Valussi,2023-10-09 Few religious innovations have shaped Chinese history like the emergence of spirit writing during the Song dynasty From a divinatory technique it evolved into a complex ritual practice used to transmit messages and revelations from the Gods This resulted in the production of countless religious scriptures that now form an essential corpus widely venerated and recited to this day that is still largely untapped by research Using historical and ethnographic approaches this volume for the first time offers a comprehensive overview of the history of spirit writing examining its evolution over a millennium the practices and technologies used and the communities involved **Accidental**

Incest, Filial Cannibalism, and Other Peculiar Encounters in Late Imperial Chinese Literature Tina Lu,2020-03-17

Described as all under Heaven the Chinese empire might have extended infinitely covering all worlds and cultures That ideology might have been convenient for the state but what did late imperial people really think about the scope and limits of the human community Writers of late imperial fiction and drama were the author argues deeply engaged with questions about the nature of the Chinese empire and of the human community Fiction and drama repeatedly pose questions concerning relations both among people and between people and their possessions What ties individuals together whether permanently or temporarily When can ownership be transferred and when does an object define its owner What transforms individual families or couples into a society Tina Lu traces how these political questions were addressed in fiction through extreme situations husbands and wives torn apart in periods of political upheaval families so disrupted that incestuous encounters become inevitable times so desperate that people have to sell themselves to be eaten **China's Philological**

Turn Ori Sela,2018-04-03 In eighteenth century China a remarkable intellectual transformation took place centered on the

ascendancy of philology Its practitioners were preoccupied with the reliability of sources as evidence for restoring ancient texts and meanings and with the centrality of facts and truth to their scholarship and identity With the power to construct the textual past philology has the potential to shape both individual and collective identities and its rise to prominence consequently deeply affected contemporaneous political social and cultural agendas Ori Sela foregrounds the polymath Qian Daxin 1728 1804 one of the most distinguished scholars of the Qing dynasty to tell this story China's Philological Turn traces scholars social networks and the production of knowledge considering the texts they studied along with their reading practices and the assumptions about knowledge facts and truth that came with them The book considers fundamental issues of eighteenth century intellectual life the tension between antiquity's elevated status and the question of what antiquity actually was the status of scientific knowledge especially astronomy mathematics and calendrical studies and the relationship between learned debates and cultural anxieties especially scholars self characterization and collective identity Sela brings to light manuscripts biographies letters handwritten notes epitaphs and more to highlight the creativity and openness of his subjects A pioneering book in the cultural history of intellectuals across disciplinary boundaries China's Philological Turn reconstructs the history of eighteenth century Chinese learning and its long lasting consequences

Collecting the Self
Sing-chen Lydia Chiang, 2021-12-28 Chinese strange tale collections contain short stories about ghosts and animal spirits supra human heroes and freaks exotic lands and haunted homes earthquake and floods and other perceived anomalies to accepted cosmic and social norms As such this body of literature is a rich repository of Chinese myths folklore and unofficial histories These collections also reflect Chinese attitudes towards normalcy and strangeness perceptions of civilization and barbarism and fantasies about self and other Inspired in part by Freud's theory of the uncanny this book explores the emotive subtexts of late imperial strange tale collections to consider what these stories tell us about suppressed cultural anxieties the construction of gender and authorial self identity

Coping with the Future, 2018-06-12 Coping with the Future Theories and Practices of Divination in East Asia offers insights into various techniques of divination their evolution and their assessment The contributions cover the period from the earliest documents on East Asian mantic arts to their appearance in the present time The volume reflects the pervasive manifestations of divination in literature religious and political life and their relevance for society and individuals Special emphasis is placed on cross cultural influences and attempts to find theoretical foundations for divinatory practices This edited volume is an initiative to study the phenomena of divination across East Asian cultures and beyond It is also one of the first attempts to theorize divinatory practices through East Asian traditions

Strange Tales from a Chinese Studio Pu Songling, 2006-05-25 The Strange Tales of Pu Songling 1640 1715 are exquisite and amusing miniatures that are regarded as the pinnacle of classical Chinese fiction With their elegant prose witty wordplay and subtle charm the 104 stories in this selection reveal a world in which nothing is as it seems Here a Taoist monk conjures up a magical pear tree a scholar recounts his previous incarnations a woman outfoxes the fox spirit that possesses

her a child bride gives birth to a thimble sized baby a ghostly city appears out of nowhere and a heartless daughter in law is turned into a pig In his tales of humans coupling with shape shifting spirits bizarre phenomena haunted buildings and enchanted objects Pu Songling pushes back the boundaries of human experience and enlightens as he entertains
