Shadows Of Imagination:

Shadows of Imagination Mark R. Hillegas,1973 **The Shadow of Creusa** Anders Cullhed,2015-04-24 Anders Cullhed's study *The Shadow of Creusa* explores the early Christian confrontation with pagan culture as a remote anticipation of many later clashes between religious orthodoxy and literary fictionality. After a careful survey of Saint Augustine's critical attitudes to ancient myth and poetry summarized as a long drawn out farewell, Cullhed examines other Late Antique dismissals as well as appropriations of the classical heritage. Macrobius, Martianus Capella and Boethius figure among the Late Antique intellectuals who attempted to save or even restore the old mythology by means of allegorical representation. On the other hand pious poets such as Paulinus of Nola and Bible epic writers such as Iuvencus or Avitus of Vienne turned against pagan lies and the mighty arch bishop of Milan Saint Ambrose played off unconditional Christian truth against the last Roman strongholds of cultural pluralism. Thus *The Shadow of Creusa* elucidates a cultural conflict which was to leave traces all through the Middle Ages and reach down to our present day. *Shadow Work* Michelle Wadleigh,2024-09-24 Confront your shadows with Rev Dr Michelle Wadleigh's newest book *Shadow Work: A Spiritual Path to Healing and Integration*. Readers will learn to recognize their inner darkness and embrace the lessons that their shadows can teach them, ultimately turning these shadows into superpowers. Journaling spaces and exercises will help readers live Michelle's lessons and the book closes with a set of ongoing practices to allow readers to carry the book's wisdom through the rest of their lives. Based on her own experiences with early childhood trauma, *Shadow Work* is the culmination of Michelle's hard earned knowledge of self love and forgiveness to achieve a life filled with creativity, love and abundance. For anyone ready to explore and embrace the darkest parts of themselves, *Shadow Work* offers an easy to follow path to transcendence, self compassion and healing. *Lovers, Clowns, and Fairies* Stuart M. Tave,1993-06-15 Through dreams and shadows and strangeness, through blinding charms and eye opening counter charms, through moments of mortification and laughter, thus Stuart M Tave traces the journey of the lovers, clowns and fairies who populate comedies from *A Midsummer Night's Dream* to *Waiting for Godot*. Tave avoids the pitfalls of theory taking instead a close look at particular works to give us a sense of the relations between certain dramas and novels that are called comedies. The result is a wonderfully readable book that renews our delight in the enchanting possibilities of literature. *A Midsummer Night's Dream* in its perfection is Tave's point of departure. Its characters fall neatly into the three groups of Tave's title and fulfill to perfection their functions of desire, foolishness and power. From the magical concord of Shakespeare's resolution, Tave moves to works whose characters face ever greater difficulties in reaching a happy conclusion. From Jonson and Austen to Chekhov and Beckett, he meets comedies on their own terms, illuminating the complex and individual genius of each. A masterpiece of practical criticism, *Lovers, Clowns, and Fairies* rediscovers the pleasure of reading comedies. **The Fairy Way of Writing** Kevin Pask,2013-10-15 A history of popular superstitions, tales and magic in British literature. In *The Fairy Way of Writing*, Kevin Pask seeks to explain the origins and

popularity of enchantment in Shakespeare's plays. Writers John Dryden and Joseph Addison originated the phrase 'fairy way of writing' to define the concept of an English creative imagination founded on a synthesis of high literary culture and the popular culture of tales and superstitions. Beginning with Chaucer, Johnson, Dryden and Milton, Pask argues that the 'fairy way of writing' not only sets the stage for the fairy tale, the Gothic novel and children's literature but also informs genres beyond the English canon including painting, twentieth-century fantasy fiction and French fairy tales. In addition to English writers and visual artists such as Pope, Blake and Keats who were directly engaged with Shakespearean fantasy, Pask also examines fairy tales, letters and paintings by the French writers Madame d'Aulnoy, Charles Perrault, Madame de Sevigné and the Swiss-born artist Johann Heinrich Füssli. *The Fairy Way of Writing* alters the traditional sense of English literary history and of Shakespeare's singular place in it, insisting on the importance of often overlooked literary and visual works. It recovers a distinctive aspect of English literary culture from across the entire early modern era and beyond, one that has been studied in the context of individual periods and writers but is only now explored in relation to the history of European nationalism and the creation of the modern literary system.

Women's Romantic Theatre and Drama Keir Elam, 2016-12-05 As theatre and drama of the Romantic Period undergo a critical reassessment among scholars internationally, the contributions of women as playwrights, actresses and managers are also being revalued. This volume, which brings together leading British, North American and Italian critics, is a crucial step towards reclaiming the importance of women's dramatic and theatrical activities during the period. Writing for the theatre implied assuming a public role, a hazardous undertaking for women who, especially after the French Revolution, were assigned to the private, primarily domestic sphere. As the contributors examine the covert strategies women used to become full participants in the public theatre, they shed light on the issue of women's agency expressed both through the writing of highly politicized or ethicized drama, as in the case of Elizabeth Inchbald or Joanna Baillie, and through women's professional practice as theatre managers and stage producers, as in the case of Elizabeth Vestris and Jane Scott. Among the topics considered are women's history plays, domesticity, ethics and sexuality in women's closet drama, the politics of drama and performance, and the role of women as managers and producers. Specialists in performance studies, Romantic Period drama and women's writing will find the essays both challenging and inspiring.

Shakespeare and the World of "Slings & Arrows" Gary Kuchar, 2024-10-15 *Slings Arrows* starring Susan Coyne Paul Gross Don McKellar and Mark McKinney as members of the New Burbage Theatre Festival was heralded by television critics as one of the best shows ever produced and one of the finest depictions of life in classical theatre Shakespeare scholars however have been ambivalent about the series at times even hostile In *Shakespeare and the World of Slings Arrows* Gary Kuchar situates the three season series in its cultural and intellectual contexts More than a roman clef about Canada s Stratford Festival he shows it is a privileged window onto major debates within Shakespeare studies and a drama that raises vital questions about the role of the arts in society Kuchar reads the television show ever fluctuating between faith and doubt in the power of drama as an allegory of Peter Brook s widely renowned account of modern theatre The Empty Space mirroring Brook s distinction between holy theatre a quasi sacred vocation and deadly theatre a momentary entertainment Combining contextualized interpretations of the series with subtle formalist readings Kuchar explains how *Slings Arrows* participates in a broader recuperation of humanist approaches to Shakespeare in contemporary scholarship The result is a demonstration of how and why Shakespeare continues to provide not just entertainment but equipment for living
