Deppe, 2017-02 This is the first full history of Operation Breadbasket the interfaith economic justice program that transformed into Jesse Jackson's Operation PUSH now the Rainbow PUSH Coalition Begun by Martin Luther King Jr during the 1966 Chicago Freedom Movement Breadbasket was directed by Jackson Author Martin L Deppe was one of Breadbasket's founding pastors He digs deeply into the program's past to update the meager narrative about Breadbasket add details to King's and Jackson's roles and tell Breadbasket's little known story Under the motto Your Ministers Fight for Jobs and Rights the program put bread on the tables of the city's African American families in the form of steady jobs Deppe details how Breadbasket used the power of the pulpit to persuade businesses that sought black dollars to also employ a fair share of blacks Though they favored negotiations Breadbasket pastors also organized effective boycotts as they did after one manager declared that he was not about to let Negro preachers tell him what to do Over six years Breadbasket's efforts netted forty five hundred jobs and sharply increased commerce involving black owned businesses Economic gains on Chicago's South Side amounted to 57.5 million annually by 1971 Deppe traces Breadbasket's history from its early Don't Buy campaigns through a string of achievements related to black employment and black owned products services and businesses To the emerging call for black power Breadbasket offered a program that actually empowered the black community helping it engage the mainstream economic powers on an equal footing Deppe recounts plans for Breadbasket's national expansion its sponsored business expos and the Saturday Breadbasket gatherings a hugely popular black pride forum Deppe shows how the program evolved in response to growing pains changing alliances and the King assassination Breadbasket's rich history as told here offers a still viable model for attaining economic justice today **Pastoral Misconduct** Janelle M.

Eliasson-Nannini, 2017-09-08 In the past clergy malfeasance was mentioned only in passing by group members or adherents The subject was invisible and those who studied it were often stigmatized as hostile to religion itself Today clergy misconduct is acknowledged as a social problem with growing conceptual and theoretical implications In *Pastoral Misconduct* Anson Shupe and Janelle M Eliasson Nannini argue that the history and traditions of black pastoral leadership coupled with the close identity of many black congregants with their pastor congregation and racial subculture creates opportunity structures that facilitate predatory behavior Familiarity and mutual identity frequently leads victims to drop their normal levels of wariness Major denominations and minor sects have been studied but this unique study by Shupe and Eliasson Nannini pursues nuances of pastoral bad behavior in a new context This book is not a tabloid treatment of the American black church In fact the black church becomes the vehicle for a major new sociological development a theory of clergy misconduct in any minority religion *Dangerous Thoughts* Gary Jason, 2011-11-16 *Dangerous Thoughts* is a collection of Gary Jason's most popular and provocative articles from newspapers and political magazines nearly three hundred in all A few of these were

published as far back as the later 1970s but most of them are of recent vintage There are eight broad topics the articles cover and are gathered together in chapters accordingly The first is school reform and the critical need for school choice The second is environmentalism and its negative impact on rational energy policy The third is demographic change the continuing need for immigrants legal and within reasonable limits The fourth centers around the continuing need for free trade The fifth is the need for entitlement program reform The sixth is the need for various political reforms and the seventh various economic ones The eighth is the divide between intellectual elites and ordinary citizens A final chapter includes various miscellaneous pieces

Warmonger Jeremy Kuzmarov,2023-12-01 During the 2016 presidential election many younger voters repudiated Hillary Clinton because of her husband s support for mass incarceration banking deregulation and free trade agreements that led many U S jobs to be shipped overseas Warmonger How Clinton s Malign Foreign Policy Launched the Trajectory from Bush II to Biden shows that Clinton s foreign policy was just as bad as his domestic policy Cultivating an image as a former anti Vietnam War activist to win over the aging hippie set in his early years as president Clinton bombed six countries and by the end of his first term had committed U S troops to 25 separate military operations compared to 17 in Ronald Reagan s two terms Clinton further expanded America s covert empire of overseas surveillance outposts and spying and increased the budget for intelligence spending and the National Endowment for Democracy NED a CIA offshoot which promoted regime change in foreign nations The latter was not surprising because according to CIA operative Cord Meyer Jr Clinton had been recruited into the CIA while a Rhodes Scholar at Oxford and as Governor of Arkansas in the 1980s he had allowed clandestine arms and drug flights to Nicaraguan counter revolutionaries Contras backed by the CIA to be taken from Mena Airport in the western part of the state Rather than being a time of tranquility when the U S failed to pay attention to the gathering storm of terrorism as New York Times columnist David Brooks frames it the Clinton presidency saw rising tensions among the U S China and Russia because of Clinton s malign foreign policies and U S complicity in terrorist acts In so many ways Clinton s presidency set the groundwork for the disasters that were to follow under Bush II Obama Trump and Biden It was Clinton building off of Reagan who first waged a War on Terror ridden with double standards one that adopted terror tactics including extraordinary rendition bombing and the use of drones It was Clinton who cried wolf about human rights abuses and the need to protect beleaguered peoples from genocide to justify military intervention in a post Cold War age And it was Clinton s administration that pressed for regime change in Iraq and raised public alarm about the mythic WMDs all while relying on fancy new military technologies and private military contractors to distance US shady military interventions from the public to limit dissent

Blacklash Deneen Borelli,2013-03-26 Argues that the Obama administration s policies are jeopardizing the black community and the nation at large contending that progressive programs are actually promoting poverty at the expense of both the working and privileged classes

The Planet Of Comet Sense Carol Ann Lindsay,2011-11 This satirical view about the destruction of

American culture should hit the hired Wall Street marchers as hard as it hits followers of the Al Gore Global Warming Church. It's a full fledged stinging denunciation of politicians in the 21st century. Through dialogue and quips by Ratoncito the mascot for a group of San Diego County artists and writers this book offers humorous bureaucratic stories as well as Geek Poetry by an unemployed cyber security engineer. **Bamboozled** Angela McGlowan, 2009-08-17. Which political party gave rise to the Ku Klux Klan? Which political party opposed extending the vote to women? Which political party attempted to filibuster and kill the Civil Rights Act of 1964? Which political party in 2007 tapped as President Pro Tempore of the Senate a former Klansman? Hint: It wasn't the Republicans. **Bamboozled** demolishes once and for all the lies Liberals use to manipulate and exploit Latinos, women, and blacks. Based on a mountain of research and personal interviews with top leaders and insiders, McGlowan dismantles Democrat deceptions and exposes Liberal lies, including: How the Democratic Party erased its racist past and created an illusion of inclusion on Civil Rights. The scheme Liberals ran to con minorities into loyally supporting a political party that despises their most deeply felt values. Why what's bad for families is great for Liberals. How Liberals' love affair with criminal leniency destroys the very communities Liberals claim to protect. How Liberal economic policies bankrupt blacks, loot Latinos, and wreck women's wallets. Unveiling the Left's racist past and exploitative present, McGlowan points all Americans toward a bamboozle-free future.
