Shakespeare And The Popular Voice

Patrick Cheney

Shakespeare And The Popular Voice:

Shakespeare and Popular Voice Annabel Patterson, 1991-01-08 In *Shakespeare and the Popular Voice* Annabel Patterson challenges as counter intuitive the common opinion that Shakespeare was anti democratic contemptuous of the crowd and an unfailing supporter of Elizabethan social hierarchy *Shakespeare and the Politics of Commoners* Chris Fitter, 2017 *Shakespeare and the Politics of Commoners* is a highly original contribution to our understanding of Shakespeare's plays. It breaks important new ground in introducing readers lay and scholarly alike to the existence and character of the political culture of the mass of ordinary commoners in Shakespeare's England as revealed by the recent findings of the new social history. The volume thereby helps to challenge the traditional myths of a non political commons and a culture of obedience. It also brings together leading Shakespeareans who digest recent social history with eminent early modern social historians who turn their focus on Shakespeare. This genuinely cross disciplinary approach generates fresh readings of over ten of Shakespeare's plays and locates the impress on Shakespearean drama of popular political thought and pressure in this period of perceived crisis. The volume is unique in engaging and digesting the dramatic importance of the discoveries of the new social history thereby resituating and revaluing Shakespeare within the social depth of politics *Voices of Shakespeare's England* John A. Wagner, 2010-02-09 *Voices of Shakespeare's England* offers students and public library patrons over 50 primary documents that illuminate the character personalities and events of the Elizabethan and Jacobean periods. *Voices of Shakespeare's England: Contemporary Accounts of Elizabethan Daily Life* helps readers explore the era that produced among other things the world's greatest playwright. It brings together excerpts from over 50 primary documents written in William Shakespeare's lifetime including letters literature speeches and polemics official reports and descriptive narratives. *Voices of Shakespeare's England* includes the works of Shakespeare himself as well as other poets and playwrights but it also expands beyond the literary world to cover politics religion economics social change and the royal court. By allowing Shakespeare's contemporaries to speak in their own voices it offers an illuminating look at the breadth of Elizabethan society including major historic events in England as well as Scotland Ireland the European continent and even the new world of America *The Myth of Rome in Shakespeare and his Contemporaries* Warren Chernaik, 2011-03-17 When Cleopatra expresses a desire to die after the high Roman fashion acting in accordance with what's brave what's noble Shakespeare is suggesting that there are certain values that are characteristically Roman. The use of the terms Rome and Roman in *Julius Caesar* *Antony and Cleopatra* or Jonson's *Sejanus* often carry the implication that most people fail to live up to this ideal of conduct that very few Romans are worthy of the name. In this book Chernaik demonstrates how in these plays Roman values are held up to critical scrutiny. The plays of Shakespeare Jonson Massinger and Chapman often present a much darker image of Rome as exemplifying barbarism rather than civility. Through a comparative analysis of the Roman plays of Shakespeare and his contemporaries and including detailed discussion of the classical historians Livy Tacitus and Plutarch

this study examines the uses of Roman history the myth of Rome in Shakespeare's age *The Oxford Handbook of Shakespeare and Embodiment* Valerie Traub, 2016-09-08 The Oxford Handbook of Shakespeare and Embodiment brings together 40 of the most important scholars and intellectuals writing on the subject today Extending the purview of feminist criticism it offers an intersectional paradigm for considering representations of gender in the context of race ethnicity sexuality disability and religion In addition to sophisticated textual analysis drawing on the methods of historicism psychoanalysis queer theory and posthumanism a team of international experts discuss Shakespeare's life contemporary editing practices and performance of his plays on stage on screen and in the classroom This theoretically sophisticated yet elegantly written Handbook includes an editor's Introduction that provides a comprehensive overview of current debates

Shakespeare's Late Work Raphael Lyne, 2007-02-22 This introduction to Shakespeare's work offers clear readings of his late plays Incorporating collaborative works revised works and textual analysis of this phase of Shakespeare's career it also considers its relationships with the work of Fletcher Middleton and with Shakespeare's own earlier works

Shakespeare's Two Playhouses Sarah Dustagheer, 2017-08-03 Sarah Dustagheer offers the first in depth comparative analysis of the performance conditions of the Globe and the Blackfriars Theatres **A Companion to Shakespeare's Works, Volume II** Richard Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's histories contains original essays on every history play from Henry VI to Henry V as well as fourteen additional articles on such topics as censorship in Shakespeare's histories the relation of Shakespeare's plays to other dramatic histories of the period Shakespeare's histories on film the homoerotics of Shakespeare's history plays and nation formation in Shakespeare's histories **Shakespeare's Literary Authorship** Patrick Cheney, 2008-06-26 This book considers Shakespeare as a literary figure analysing his full professional career both poetry and plays *Shakespeare's Problem Plays* Simon Barker, 2005-04-25 This New Casebook offers a wide ranging selection of contemporary critical readings of Shakespeare's three problem plays All's Well that Ends Well Measure for Measure and Troilus and Cressida Together they reflect the diversity of late twentieth century theory and the controversy that continues to be generated by the plays and discuss a variety of key issues These include the meaning of

the term problem play the historical context and political and cultural significance of the plays as well as issues of staging and theatre history The volume also provides a helpful introduction which guides the reader through the critical approaches terms and debates as well as explanatory notes for each essay and a useful section on further reading
