

Shakespeare And Young Learner

Erica Hateley

Shakespeare And Young Learner:

Stepping into Shakespeare Rex Gibson, 2000 Shakespeare in Children's Literature Erica Hateley, 2009 Shakespeare in Children's Literature looks at the genre of Shakespeare for children considering both adaptations of his plays and children's novels in which he appears as a character Drawing on feminist theory and sociology Hateley demonstrates how Shakespeare for children utilizes the ongoing cultural capital of Shakespeare and the pedagogical aspects of children's literature to perpetuate anachronistic forms of identity and authority *Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults* Michael Marokakis, 2022-07-29 Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults offers a comprehensive examination of Shakespearean adaptations written by Australian authors for children and Young Adults The 20 year period crossing the late twentieth and early twenty first centuries came to represent a diverse and productive era of adapting Shakespeare in Australian literature As an analysis of Australian and international marketplaces physical and imaginative spaces and the body as a site of meaning this book reveals how the texts are ideologically bound to and disseminate Shakespearean cultural capital in contemporary ways Combining current research in children's literature and Bourdieu's theory of cultural capital deepens the critical awareness of the status of Australian literature while illuminating a corpus of literature underrepresented by the pre-existing concentration on adaptations from other parts of the world Of particular interest is how these adaptations merge Shakespearean worlds with the spaces inhabited by young people such as the classroom the stage the imagination and the gendered body The readership of this book would be academics researchers and students of children's literature studies and Shakespeare studies particularly those interested in Shakespearean cultural theory transnational adaptation and literary appropriation High school educators and pre-service teachers would also find this book valuable as they look to broaden and strengthen their use of adaptations to engage students in Shakespeare studies Reimagining Shakespeare for Children and Young Adults Naomi Miller, 2013-10-15 First published in 2003 Routledge is an imprint of Taylor Francis an informal company *Shakespeare's Guide to Hope, Life, and Learning* Lisa Dickson, Shannon Murray, Jessica Riddell, 2022-12-01 What is the most wonderful thing about teaching this play in our classrooms Using this question as a starting point Shakespeare's Guide to Hope Life and Learning presents a conversation between four of Shakespeare's most popular plays and our modern experience and between teachers and learners The book analyzes King Lear As You Like It Henry V and Hamlet revealing how they help us to appreciate and responsibly interrogate the perspectives of others Award winning teachers Lisa Dickson Shannon Murray and Jessica Riddell explore a diversity of genres tragedy history and comedy with distinct perspectives from their own lived experiences They carry on lively conversations in the margins of each essay mirroring the kind of open ongoing and collaborative thinking that Shakespeare inspires The book is informed by ideas of social justice and transformation articulated by such thinkers as Paulo Freire Parker J Palmer Ira Shor John D Caputo and

bell hooks Shakespeare's Guide to Hope Life and Learning advocates for a critical hope that arises from classroom experiences and moves into the world at large

How to Teach Your Children Shakespeare Ken Ludwig, 2014-07-01 A foolproof enormously fun method of teaching your children the classic works of William Shakespeare by a Tony Award winning playwright now featuring two new chapters You and your children will be transformed by the magic and mystery of Shakespeare and his stories in an instant Sir Derek Jacobi CBE Winner of the Falstaff Award for Best Shakespeare Book To know some Shakespeare provides a head start in life His plays are among the great bedrocks of Western civilization and contain the finest writing of the past 450 years Many of the best novels plays poems and films in the English language produced since Shakespeare's death in 1616 from Pride and Prejudice to The Godfather are heavily influenced by Shakespeare's stories characters language and themes In How to Teach Your Children Shakespeare acclaimed playwright Ken Ludwig provides the tools you need to inspire an understanding and a love of Shakespeare's works in your children and to have fun together along the way Ken Ludwig devised his friendly easy to master methods while teaching his own children Beginning with memorizing short passages from the plays his technique then instills children with cultural references they will utilize for years to come Ludwig's approach includes understanding of the time period and implications of Shakespeare's diction as well as the invaluable lessons behind his words and stories Colorfully incorporating the history of Shakespearean theater and society How to Teach Your Children Shakespeare guides readers on an informed and adventurous journey through the world in which the Bard wrote This book's simple process allows anyone to impart to children the wisdom of plays like A Midsummer Night's Dream Twelfth Night Macbeth and Romeo and Juliet And there's fun to be had throughout Shakespeare novices and experts and readers of all ages will each find something delightfully irresistible in How to Teach Your Children Shakespeare

Starting with Shakespeare Todd Daubert, Pauline Nelson, 2000-03-15 William Shakespeare comes alive for students with these engaging activities Immersing students in his life and times and characters this book introduces elementary students to four plays A Midsummer Night's Dream Macbeth Hamlet and Romeo and Juliet A complete historical background an introduction to the characters a retelling of the story a variety of integrated activities verses for memorization a complete script for class performance and a list of resources accompany each play Activities extend learning to history geography science art music movement math and language arts Grades K 5 adaptable to higher levels

Reimagining Shakespeare Education Liam E. Semler, Claire Hansen, Jacqueline Manuel, 2023-02-23 Shakespeare education is being reimagined around the world This book delves into the important role of collaborative projects in this extraordinary transformation Over twenty innovative Shakespeare partnerships from the UK US Australia New Zealand the Middle East Europe and South America are critically explored by their leaders and participants Structured into thematic sections covering engagement with schools universities the public the digital and performance the chapters offer vivid insights into what it means to teach learn and experience Shakespeare in collaboration with others Diversity equality identity

incarceration disability community and culture are key factors in these initiatives which together reveal how complex and humane Shakespeare education can be Whether you are interested in practice or theory this collection showcases an abundance of rich inspiring and informative perspectives on Shakespeare education in our contemporary world *Reader and Shakespeare's Young Man Sonnets* Gerald Hammond,1981-06-18 **Embodied Cognition and Shakespeare's**

Theatre Laurie Johnson,John Sutton,Evelyn Tribble,2014-03-26 This collection considers issues that have emerged in Early Modern Studies in the past fifteen years relating to understandings of mind and body in Shakespeare s world Informed by *The Body in Parts* the essays in this book respond also to the notion of an early modern body mind in which Shakespeare and his contemporaries are understood in terms of bodily parts and cognitive processes What might the impact of such understandings be on our picture of Shakespeare s theatre or on our histories of the early modern period broadly speaking This book provides a wide range of approaches to this challenge covering histories of cognition studies of early modern stage practices textual studies and historical phenomenology as well as new cultural histories by some of the key proponents of this approach at the present time Because of the breadth of material covered full weight is given to issues that are hotly debated at the present time within Shakespeare Studies presentist scholarship is presented alongside more historically focused studies for example and phenomenological studies of material culture are included along with close readings of texts What the contributors have in common is a refusal to read the work of Shakespeare and his contemporaries either psychologically or materially instead these essays address a willingness to study early modern phenomena like the Elizabethan stage as manifesting an early modern belief in the embodiment of cognition

Reviewing **Shakespeare And Young Learner**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing.
