Prescott**

Shakespeare Companies And Festivals:

Shakespeare Companies and Festivals Ron Engle, Felicia Hardison Londre, Daniel J. Watermeier, 1995-04-10 Though first performed some 400 years ago the plays of William Shakespeare still continue to capture the popular imagination and are produced by numerous companies around the world This reference describes over 140 Shakespeare companies and festivals worldwide Each company or festival is profiled in a separate entry Entries are grouped in chapters devoted to particular states or countries and provide historical organizational demographic and production information Each profile describes the history of the festival or company its organization including staffing and budgeting its physical facilities and performance site the demographics of its audience and the community where it is located and the company's or festival's approach to producing Shakespeare's plays Each entry begins with a headnote providing essential information such as the name address box office phone number length of season principal staff members facilities annual attendance and budget Each closes with a chronological listing of all Shakespeare's plays produced by the organization and resources for further information

Shakespeare on European Festival Stages Nicoleta Cinpoes, Florence March, Paul Prescott, 2021-12-16 From the aftermath of World War II to the convulsions of Brexit festivals have deployed Shakespeare as a model of inclusive and progressive theatre to seek cultural solutions to Europe's multi-faceted crises Shakespeare on European Festival Stages is the first book to chart Shakespeare's presence at continental European festivals It examines the role these festivals play in European socio-cultural exchanges and the impact festivals make on the wider production and circulation of staged Shakespeare across the continent This collection offers authoritative lively and informed accounts of the production of Shakespeare at the following festivals the Avignon Festival and Le Printemps des comédiens in Montpellier France the Almagro festival Spain Shakespeare at Four Castles Czech Republic and Slovakia the International Shakespeare Festival in Craiova Romania the Shakespeare festivals in Elsinore Denmark Gdansk Poland Gyula Hungary Itaka Serbia Neuss Germany Patalenitsa Bulgaria Rome and Verona Italy Shakespeare on European Festival Stages is essential reading for students scholars and practitioners interested in Shakespeare in performance in translation and in a post-national Shakespeare that knows no borders and belongs to all of Europe

A Directory of Shakespeare in Performance 1970-1990 J. O'Connor, K. Goodland, 2019-06-12 This book offers detailed listings of all the major Shakespeare plays on stage and screen in North America Exploring each of the play's performance history including reviews and useful information about staging it provides an engaging reference guide for academics and students alike

The Arden Research Handbook of Shakespeare and Contemporary Performance Peter Kirwan, Kathryn Prince, 2021-03-25 The Arden Research Handbook of Shakespeare and Contemporary Performance is a wide-ranging authoritative guide to research on Shakespeare and performance studies by an international team of leading scholars It contains chapters on the key methods and questions surrounding the performance event the audience and the archive the primary sources on which performance studies draws It identifies the recurring

trends and fruitful lines of inquiry that are generating the most urgent work in the field but also contextualises these within the histories and methods on which researchers build A central section of research focused essays offers case studies of present areas of enquiry from new approaches to space bodies and language to work on the technologies of remediation and original practices from consideration of fandoms and the cultural capital invested in Shakespeare and his contemporaries to political and ethical interventions in performance practice A distinctive feature of the volume is a curated section focusing on practitioners in which leading directors writers actors producers and other theatre professionals comment on Shakespeare in performance and what they see as the key areas challenges and provocations for researchers to explore In addition the Handbook contains various sections that provide non specialists with practical help an A Z of key terms and concepts a guide to research methods and problems a chronology of major publications and events an introduction to resources for study of the field and a substantial annotated bibliography The Arden Research Handbook of Shakespeare and Contemporary Performance is a reference work aimed at advanced undergraduate and graduate students as well as scholars and libraries a guide to beginning or developing research in the field and an essential companion for all those interested in Shakespeare and performance

[A Directory of Shakespeare in Performance Since 1991](#) J. O'Connor, K. Goodland, 2016-04-30 Includes detailed listings of all major Shakespeare plays on stage and screen this book covers performances in North America since 1991 It uniquely explores each plays performance history as well as including reviews and useful information about staging An engaging reference guide for academics and students alike

Shakespeare and the American Nation Kim C. Sturges, 2004-06-17 Why do so many Americans celebrate Shakespeare a long dead English poet and playwright By the nineteenth century newly independent America had chosen to reject the British monarchy and Parliament class structure and traditions yet their citizens still made William Shakespeare a naturalized American hero Today the largest group of overseas visitors to Stratford upon Avon the Royal Shakespeare Company and Bankside s Shakespeare s Globe Theatre come from America Why Is there more to Shakespeare s American popularity than just a love of men in doublet and hose speaking soliloquies This book tells the story of America s relationship with Shakespeare The story of how and why Shakespeare became a hero within American popular culture Sturges provides evidence of a comprehensive nineteenth century appropriation of Shakespeare to the cause of the American Nation and shows that as America entered the twentieth century a new world power for many Americans Shakespeare had become as American as George Washington

Directing Shakespeare in America Charles Ney, 2018-11-15 This unique and comprehensive study reviews the practice of leading American directors of Shakespeare from the late nineteenth to the end of the twentieth century Charles Ney examines rehearsal and production records as well as evidence from diaries letters autobiographies reviews and photographs to consider each director s point of view when approaching Shakespeare and the differing directorial tools and techniques employed in significant productions in their careers Directors covered include Augustin Daly David Belasco Arthur Hopkins

Orson Welles Margaret Webster B Iden Payne Angus Bowmer Craig Noel Jack O'Brien Tyrone Guthrie John Houseman Allen Fletcher Michael Kahn Gerald Freedman Joseph Papp Stuart Vaughan A J Antoon JoAnne Akalaitis Paul Barry Tina Packer Barbara Gaines William Ball Liviu Ciulei Garland Wright Mark Lamos Ellis Rabb and Julie Taymor *Directing Shakespeare in America* Historical Perspectives offers readers an understanding of the context from which contemporary practitioners operate the aesthetic philosophies to which they subscribe and a description of their rehearsal methods Shakespeare in the Theatre: The Stratford Festival Christie Carson, 2024-06-13 This analysis of the Stratford Festival examines the full history of one of the largest and oldest dedicated centres for the performance of Shakespeare in North America In English speaking Canada the Festival has become the unofficial national theatre drawing both praise and criticism Dividing its history into three distinct periods the volume begins with the foundation of the company moving through its middle years of expansion and securing stability and ending with an exploration of staging Shakespeare in the 21st century Through case studies of productions covering each artistic director from Tyrone Guthrie to Antoni Cimolino it highlights issues of national identity but also the relationship between actor and audience on the Festival's unique thrust stage It not only explores the work of international stars such as Christopher Plummer but also that of longstanding company members William Hutt and Martha Henry emphasizing the Festival's collective spirit This book argues that the Stratford Festival holds an influential position in the theatre world generally and in the Shakespeare performance environment specifically Initially this was because of the original stage built for its opening but increasingly it has been due to the way that it has used Shakespeare's work to articulate complex questions about identity and utilized technology to reach new audiences The Festival and its collaborative working methods grew out of a particular social and political climate and when the actors and directors who trained at the Festival took their training and its influences elsewhere they spread its impact **The Cambridge Guide to American Theatre** Don B. Wilmet, Tice L. Miller, 1996-06-13 This new and updated Guide with over 2 700 cross referenced entries covers all aspects of the American theatre from its earliest history to the present Entries include people venues and companies scattered through the U S plays and musicals and theatrical phenomena Additionally there are some 100 topical entries covering theatre in major U S cities and such disparate subjects as Asian American theatre Chicano theatre censorship Filipino American theatre one person performances performance art and puppetry Highly illustrated the Guide is supplemented with a historical survey as introduction a bibliography of major sources published since the first edition and a biographical index covering over 3 200 individuals mentioned in the text **BOOK JACKET** *Shakespeare and Tourism* Robert Ormsby, Valerie Clayman Pye, 2022-08-19 *Shakespeare and Tourism* provides a dialogical mapping of Shakespeare studies and touristic theory through a collection of essays by scholars on a wide range of material This volume examines how Shakespeare tourism has evolved since its inception and how the phenomenon has been influenced and redefined by performance studies the prevalence of the World Wide Web developments in technology and the globalization of

Shakespearean performance Current scholarship recognizes Shakespearean tourism as a thriving international industry the result of centuries of efforts to attribute meanings associated with the playwright's biography and literary prestige to sites for artistic pilgrimage and the consumption of cultural heritage Through bringing Shakespeare and tourism studies into more explicit contact this collection provides readers with a broad base for comparisons across time and location and thereby encourages a thorough reconsideration of how we understand both fields

Shakespeare Companies And Festivals Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
