

# Long Lasting Relationships

Long lasting relationships are made of sugar and spice but not always everything nice. Life is not a bed of roses for any couple in the world. It is not easy to make a relationship last a lifetime. It is all about two people who are determined to make their relationship work with maturity, understanding, commitment and unconditional love. The secret to a strong bond between couples is their ability to endure each other's imperfections and cherish their differences. The most compatible couples have an amazing understanding of each other's levels of patience and tolerance. They face all their problems with great conviction and they just want to be together even though they have seen the absolute worst in each other. It is all about being determined and not to allow even the worst circumstances in life to dull the sparkle of a loving relationship...
