Truth, Love, Light, and Salt Santos J. Hernandez, 2021-09-03 In this modern collection of poetry I share my spiritual journey from sinner to discipleship While I still struggle with my demons I find comfort in the poems that are placed in my heart and I share them because I know that I am not the only one struggling to orient my heart and mind amid the disorientation that we wake up to these days In a world where lies are given the starring role at center stage in a play of made up things I promise these poems will give you much to think about and contemplate Truth eternal Love unconditional Light revealing and the Salt that gives life flavor This is certainly not your traditional poetry collection as it flows off your lips and performs visual stunts while challenging your world of mirrors and mazes You will experience a journey through melodious words that at times winds you down a rabbit hole and then sends a lifeline to lift you out of the darkness and into the light of truth and love When times are especially dark instead of stumbling and cursing you reach for the Light of the world and salt the earth with truth

Dating in the Millennium Alicia S. Walker, 2013-07-12 What therefore God has joined together let no man separate Matthew 19:6 Good communication openly and honestly is ideal when it comes to dating and marriage Many women aspire to share a covenant relationship with the opposite sex and really don't bargain for being labeled as girlfriend 2 friend baby momma or any other label or title that is given to them other than wife or fianc As young girls and young adults most aspire to be married have a family and be in a one on one committed relationship A relationship is like any living plant that requires sunlight nurturing and water If you don't water it and provide it with enough sunlight water and care it dries up and dies This holds true for any relationship between a man and a woman Love makes the world go round When cultivating a healthy and fruitful relationship the relationship should be a win win for both parties involved It is important to begin a relationship with honesty integrity respect and trust Ask God daily to lead guide and advise you so that you can make sound decisions when it comes to dating and marriage He always give us signs when things are not right so pay attention to the things that are going on around you and in your life Take time to do some soul searching and get in tuned with yourself and start asking yourself some very important questions

What truly makes you happy And what is the real definition of love and what does it mean to you Remember you cannot make someone else happy if you're not happy with yourself Live for you and do what makes you feel the happiest whether your family and friends agree or disagree At the end of the day whatever choice or decision you make you are the one who have to live with it *Wise Up!* Dr Gerry D Fox,2004-11 Want Wisdom Wealth Peace and Joy *Wise Up* is a heartfelt daily reflection on the entire book of Proverbs that makes the deeper meaning of each proverb easy to read and understand
