make you grin An enchanting read *Cooking by the Book* *Liberating Literature* Maria Lauret,1994 A bold and revealing book which looks with fresh vision at feminist political writing Maria Lauret develops a new definition of the genre and illuminates the profound influence and importance of African American women s writing *Seize the Beat* Brian Q. Torff,2023-01-16 The story of American popular music is steeped in social history race gender and class its evolution driven by ephemeral connection to young audiences From Benny Goodman to Sinatra to Elvis Presley to the Beatles pop icons age out of the art form while new musical styles pass from relevance to nostalgia within a few years At the same time perennial forms like blues jazz and folk are continually rediscovered by new audiences This book traces the development of American music from its African roots to the juke joint club and concert hall revealing a culture perpetually reinventing itself to suit the next generation 1965 Andrew Grant Jackson,2015-02-03 For music lovers who were there and for those who wish they were the book is a well researched cultural history that leaves no rolling stone unturned Huffington Post Friendly rivalry between musicians turned 1965 into the year rock evolved into the premier art form of its time and accelerated the drive for personal freedom throughout the Western world The Beatles made their first artistic statement with Rubber Soul Bob Dylan released Like a Rolling Stone arguably the greatest song of all time and went electric at the Newport Folk Festival The Rolling Stones s Satisfaction catapulted the band to world wide success New genres such as funk psychedelia folk rock proto punk and baroque pop were born Soul music became a prime force of desegregation as Motown crossed over from the R B charts to the top of the Billboard Hot 100 Country music reached new heights with Nashville and the Bakersfield sound Musicians raced to innovate sonically and lyrically against the backdrop of seismic cultural shifts wrought by the Civil Rights Movement Vietnam psychedelics the Pill long hair for men and designer Mary Quant s introduction of the miniskirt In 1965 Andrew Grant Jackson combines fascinating and often surprising personal stories with a panoramic historical narrative Jackson has a better ear than a lot of music writers and one of the best parts of this book is his many casual citings of songs that echo others He show s us the familiar through fresh eyes as he returns us to a year when a lot of us were young and poor and not as happy as we thought we were yet there was always a great song on the radio Washington Post Liberals with Attitude Danny Goldberg,2025-10-07 The dramatic and captivating story of an unlikely coalition that formed in the wake of the Rodney King beating to challenge the destructive reign of Los Angeles police chief Daryl Gates LIBERALS WITH ATTITUDE DOCUMENTS THE SIXTEEN MONTHS IN 1991 92 between the brutal beating of Rodney King by four police officers that was captured on a home video camera and the resignation of LAPD chief Daryl Gates Gates was reviled by the local Black and civil liberties communities because of the pattern of racism and brutality in the department and he was uniquely powerful because of the structure of the Los Angeles City Charter and the secret files he kept on local politicians The effort to get Gates to step down after thirteen years as chief and to amend the City Charter to prevent another unaccountable chief from amassing that much power was led by Los Angeles mayor Tom Bradley a former LAPD officer and

the first Black mayor of the city To overcome Gates s entrenched power Bradley assembled a team that included future US secretary of state Warren Christopher the local ACLU Congresswoman Maxine Waters and activists who saw the struggle against Gates as an important chapter in the civil rights movement Much of the local media especially the Los Angeles Times was supportive of Bradley s agenda as was the burgeoning gangsta rap culture of LA much of which emerged in reaction to the LAPD Author Danny Goldberg was the chair of the ACLU Foundation of Southern California during those years and was personally acquainted with the leaders of the fight against Gates He interviewed several dozen people who are still alive and got access to thousands of pages of documents among the papers of Stanley Sheinbaum who was married to the heiress of the Warner Bros film fortune Sheinbaum was chosen by Mayor Bradley to be the president of the Los Angeles Police Commission with the specific mission of getting Gates out of office Goldberg s insider saga demonstrates that cooperation between the political left and center is required to overcome white grievance and unaccountable power

Settling the Borderland Jan Whitt, 2008-09-05 *Settling the Borderland* deals with the intimate connection between journalism and literature both fields in which work by women has been underrepresented This book has a twin focus the work of journalists who became some of the greatest novelists poets and short story writers of the nineteenth and twentieth centuries in America several of whom are men and contemporary journalists who best exemplify the effective use of literary techniques in news coverage Although five women are emphasized here Katherine Anne Porter Eudora Welty Joan Didion Sara Davidson and Susan Orlean three men whose work was profoundly influenced by journalism also are included Edgar Allan Poe Walt Whitman and John Steinbeck are well known as writers of poetry short stories and novels but they too are among the other voices rarely included in studies of literary journalism In *Settling the Borderland* Jan Whitt presents a thorough analysis of the increasingly indistinct lines between truth and fiction and between fact and creative narrative in contemporary media
