Going Global Amal Amireh,Lisa

Suhair Majaj,2014-05-01 This book explores the problematic of reading and writing about third world women and their texts

in an increasingly global context of production and reception The ten essays contained in this volume examine the reception

both academic and popular of women writers from India Bangladesh Palestine Egypt Algeria Ghana Brazil Bolivia Guatemala

Iraq Israel and Australia The essays focus on what happens to these writers poetry fiction biography autobiography and even

to the authors themselves as they move between the third and first worlds The essays raise general questions about the

politics of reception and about the transnational character of cultural production and consumption This edition also provides

analyses of the reception of specific texts and of their authors in their context of origin as well as the diverse locations in

which they are read The essay participate in on going discussions about the politics of location about postcolonialism and its

discontents and about the projects of feminism and multiculturalism in a global age

Memoirs Royal Astronomical

Society,1879 Life in the Georgian Court Catherine Curzon,2016-08-31 This lively history of Europe s royal families

through the 18th and early 19th centuries reveals the decadence and danger of court life As the glittering Hanoverian court

gives birth to the British Georgian era a golden age of royalty dawns in Europe Houses rise and fall births marriages and

scandals change the course of history Meanwhile in France Revolution stalks the land Life in the Georgian Court pulls back

the curtain on the opulent court of the doomed Bourbons the absolutist powerhouse of Romanov Russia and the epoch

defining royal family whose kings gave their name to the era the House of Hanover Beneath the powdered wigs and robes of

state were real people living lives of romance tragedy intrigue and eccentricity Historian Catherine Curzon reveals the

private lives of these very public figures vividly recounting the arranged marriages that turned to love or hate and the

scandals that rocked polite society Here the former wife of a king spends three decades in lonely captivity King George IV

makes scandalous eyes at the toast of the London stage and Marie Antoinette begins her final journey through Paris as her son sits alone in a forgotten prison cell Life in the Georgian Court is a privileged peek into the glamorous tragic and iconic courts of the Georgian world where even a king could take nothing for granted La Sorcière J. Michelet,2016-05-05 A book written in the early 1800 s La Sorciere gives us an insight into thinking of that time period concerning where the power of witches comes from Although most contemporary witches will deny the presence of Satan or demons as their power source the thinking of the Christian church would probably agree with what this text says It is accepted that witches do not generally accept Satan as any kind of master or lord and each witch has his or her own theology that describes their beliefs This book however seeks to quash all those pagan ideas and gives credit to where the original author thinks it is due
