Mario Vargas Llosa:

Mario Vargas Llosa Charles Rossman, Alan Warren Friedman, 2014-04-21 The Peruvian Mario Vargas Llosa has been acclaimed throughout the literary world as one of Latin America's finest writers yet until recently little has been written about his work in English While his work has the subject of an increasing flow of critical commentary in Spanish and his major novels have been translated into English this is the first full scale critical treatment of Vargas Llosa published in the English language These articles by a number of established writers and critics appraise Vargas Llosa's individual novels as well as the body of his work *The Time of the Hero* *The Green House* *Conversation in The Cathedral* and *Pantaleón y las visitadoras* are examined in order of publication A second group of more general essays ranges across Vargas Llosa's work and explores pervasive themes and concerns Two pieces by Jos Miguel Oviedo serve as a coda In a bilingual interview Oviedo and Vargas Llosa discuss Vargas Llosa's novel *La tía Julia y el escribidor* Oviedo concludes with a critical discussion of that novel A Vargas Llosa chronology compiled by the editors is also included Most of these essays originally appeared in 1977 as a special issue of *Texas Studies in Literature and Language* The concluding essay by Oviedo was prepared especially for this edition

Mario Vargas Llosa Raymond Leslie Williams, 2014-12-01 Awarded the Nobel Prize in 2010 at the age of seventy four Peruvian writer Mario Vargas Llosa has held pivotal roles in the evolution and revolutions of modern Latin American literature Perhaps surprisingly no complete history of Vargas Llosa's works placed in biographical and historical context has been published until now A masterwork from one of America's most revered scholars of Latin American fiction Mario Vargas Llosa *A Life of Writing* provides a critical overview of Vargas Llosa's numerous novels while reinvigorating debates regarding conventional interpretations of the work Weaving analysis with discussions of the writer's political commentary Raymond Leslie Williams traces the author's youthful identity as a leftist student of the 1960s to a repudiation of some of his earlier ideas beginning in the 1980s Providing a unique perspective on the complexity nuance and scope of Vargas Llosa's lauded early novels and on his passionate support of indigenous populations in his homeland Williams then turns his eye to the recent works which serve as a bridge between the legacies of the Boom and the diverse array of contemporary Latin American fiction writers at work today In addition Williams provides a detailed description of Vargas Llosa's traumatic childhood and its impact on him seen particularly in his lifelong disdain for authority figures as well as of the authors who influenced his approach from Faulkner to Flaubert Culminating in reflections drawn from Williams's formal interviews and casual conversations with the author at key phases of both men's careers this is a landmark publication that will spark new lines of inquiry into an intricate body of work
