Rule Jay Crownover, 2013-05-07 Opposites in every way except the one that matters Shaw Landon loved Rule Archer from the moment she laid eyes on him Rule is everything a straight A pre med student like Shaw shouldn't want and the only person she's never tried to please She isn't afraid of his scary piercings and tattoos or his wild attitude Though she knows that Rule is wrong for her her heart just won't listen To a rebel like Rule Archer Shaw Landon is a stuck up perfect princess and his dead twin brother's girl She lives by other people's rules he makes his own He doesn't have time for a good girl like Shaw even if she's the only one who can see the person he truly is But a short skirt too many birthday cocktails and spilled secrets lead to a night neither can forget Now Shaw and Rule have to figure out how a girl like her and a guy like him are supposed to be together without destroying their love or each other The first Marked Men novel in Jay Crownover's combustible New Adult series

Marked Men Sally Robinson, 2000-08-31 White men still hold most of the political and economic cards in the United States yet stories about wounded and traumatized men dominate popular culture Why are white men jumping on the victim bandwagon Examining novels by Philip Roth John Updike James Dickey John Irving and Pat Conroy and such films as *Deliverance* *Misery* and *Dead Poets Society* as well as other writings including *The Closing of the American Mind* Sally Robinson argues that white men are tempted by the possibilities of pain and the surprisingly pleasurable tensions that come from living in crisis

Marked Men Nyron N. Crawford, 2024-05-21 Examines Black Americans suspicion about the potential political harassment of Black elected officials In *Marked Men* Nyron N Crawford offers a novel perspective on political scandal corruption and racial politics in the United States Contrary to traditional beliefs that politicians are forgiven for their transgressions because of the benefits they provide their constituents Crawford argues that Black Americans view political misdeeds by Black elected officials through a lens of suspicion towards the criminal legal system Crawford's work reveals that Black Americans often question the motivations behind investigations and indictments of Black politicians expressing concern that such actions by the state are intended to undermine embarrass and harass Black leaders Through a mixed method approach including experiments case studies and survey data Crawford illustrates that racialized suspicion shapes the way Black voters rally to protect their embattled Black political representatives The book challenges conventional wisdom by highlighting how a tolerance of corruption is not the driving force behind the support for wayward politicians Instead racialized mistrust of the criminal justice system plays a pivotal role By shedding light on this dynamic *Marked Men* examines the complexities of political scandals and the intricate interplay between race and politics in contemporary America The study calls for a deeper understanding of the motivations and attitudes of Black voters prompting readers to reconsider prevailing assumptions about political accountability and forgiveness in the context of race
