## **Moral Sex Womans Nature In The French Enlightenment:**

*The Moral Sex* Lieselotte Steinbrügge,1995 How was the nature of women redefined and debated during the French Enlightenment Instead of treating the Enlightenment in the usual manner as a challenge to orthodox ideas and social conventions Lieselotte Steinbrugge interprets it as a deviation from a position staked out in the seventeenth century namely the mind has no sex

**The Lost History of Liberalism** Helena Rosenblatt,2020-02-04 The Lost History of Liberalism challenges our most basic assumptions about a political creed that has become a rallying cry and a term of derision in today s increasingly divided public square Taking readers from ancient Rome to today Helena Rosenblatt traces the evolution of the words liberal and liberalism revealing the heated debates that have taken place over their meaning In this timely and provocative book Rosenblatt debunks the popular myth of liberalism as a uniquely Anglo American tradition centered on individual rights It was only during the Cold War and America s growing world hegemony that liberalism was refashioned into an American ideology focused so strongly on individual freedoms

**Guibert** Jonathan Abel,2016-09-13 If there was one man other than Napoleon himself who determined the course of the Napoleonic Wars it was Jacques Antoine Hippolyte comte de Guibert the foremost military theorist in France from 1770 to his death in 1790 Taking in the full scope of the times from the ideas of the Enlightenment to the passions of the French Revolution Jonathan Abel s Guibert is the first book in English to tell the remarkable story of the man who through his pen and political activity truly earned the title of Father of the Grande Arm e In his Essai g n ral de tactique published in 1771 Guibert set forth the definitive institutional doctrine for the French army of the Revolutionary and Napoleonic Wars But unlike many other martial theorists Guibert who served in the French Ministry of War from 1775 to 1777 and again from 1787 to 1789 was able to put his ideas into practice Drawing on a wealth of primary source documents including Guibert s own papers and the letters and memoirs of his friends and associates Jonathan Abel re creates the temper of an era of great turbulence and remarkable creativity More than a military theorist Guibert was very much a man of his day he attended salons wrote poetry and plays and was inducted into the Acad mie fran aise A fiery figure he rose and fell from power lived and loved fiercely and died swearing that he would find justice In Abel s account Guibert does at last receive a measure of justice a thorough painstakingly documented picture of this complex man in the thick of extraordinary times building the foundation for Napoleon s success between 1796 and 1807 and in significant ways changing the course of European history

*The Abbé Grégoire and his World* Jeremy D. Popkin,R.H. Popkin,2000-08-31 A distinguished group of international scholars from the disciplines of history philosophy literature and art history offer a reconsideration of the ideas and the impact of the abb Henri Gr goire one of the most important figures of the French Revolution and a contributor to the campaigns for Jewish emancipation rights for blacks the reform of the Catholic Church and many other causes

**Sympathy, Sensibility and the Literature of Feeling in the Eighteenth Century** I. Csengei,2011-12-13 What makes it possible for self interest cruelty and violence to become part of the benevolent

compassionate ideology of eighteenth century sensibility This book explores forms of emotional response including sympathy tears swoons and melancholia through a range of eighteenth century literary philosophical and scientific texts **Women, Space and Utopia 1600-1800** Nicole Pohl, 2017-05-15 The first full length study of women's utopian spatial imagination in the seventeenth and eighteenth centuries this book explores the sophisticated correlation between identity and social space The investigation is mainly driven by conceptual questions and thus seeks to link theoretical debates about space gender and utopianism to historiographic debates about the gendered social production of space As Pohl's primary aim is to demonstrate how women writers explore the complex gender politics of space specific attention is given to spaces that feature widely in contemporary utopian imagination Arcadia the palace the convent the harem and the country house The early modern writers Lady Mary Wroth and Margaret Cavendish seek to recreate Paradise in their versions of Eden and Jerusalem the one yearns for Arcadia the other for Solomon's Temple Margaret Cavendish and Mary Astell redefine the convent as an emancipatory space dismissing its symbolic meaning as a confining and surveilled architecture The utopia of the country house in the work of Delarivier Manley Sarah Scott and Mary Hamilton will reveal how women writers resignify the traditional metonym of the country estate The study will finish with an investigation of Oriental tales and travel writing by Ellis Cornelia Knight Lady Mary Montagu Elizabeth Craven and Lady Hester Stanhope who unveil the seraglio as a location for a Western specifically masculine discourse on Orientalism despotism and female sexuality and offers their own utopian judgment **The French Revolution, Napoleon, and the Republic** Jeremy Klar, 2015-07-15 The catalysts major events and consequences of one of history's bloodiest revolutions are presented in a thrilling and academically rigorous way in this guide to the French Revolution The stories of this historic episode's key players are narrated including the tales of such well known characters as Marie Antoinette and Napoleon Bonaparte There is a thorough treatment of France's economy government and social life both before during the various phases of and after the Revolution Napoleon's post Revolutionary European conquests and subsequent downfall and exile are also narrated in this title sure to captivate all readers **Women and the Art and Science of Collecting in Eighteenth-Century Europe** Arlene Leis, Kacie L. Wills, 2020-08-31 Through both longer essays and shorter case studies this book examines the relationship of European women from various countries and backgrounds to collecting in order to explore the social practices and material and visual cultures of collecting in eighteenth century Europe It recovers their lives and examines their interests their methodologies and their collections and objects some of which have rarely been studied before The book also considers women's role as producers that is creators of objects that were collected Detailed examination of the artefacts both visually and in relation to their historical contexts exposes new ways of thinking about collecting in relation to the arts and sciences in eighteenth century Europe The book is interdisciplinary in its makeup and brings together scholars from a wide range of fields It will be of interest to those working in art history material and visual culture history of collecting history of science literary studies women's studies gender

studies and art conservation      **Rousseau, Nietzsche, and the Image of the Human** Paul Franco, 2021-09-30 Rousseau and Nietzsche presented two of the most influential critiques of modern life and much can still be learned from their respective analyses of problems we still face In Rousseau Nietzsche and the Image of the Human Paul Franco examines the relationship between Jean Jacques Rousseau and Friedrich Nietzsche arguably the two most influential shapers and explorers of the moral and cultural imagination of late modernity Both thinkers leveled radical critiques of modern life but those critiques differed in important respects Whereas Rousseau focused on the growing inequality of modern society and the hypocrisy self division and loss of civic virtue it spawned Nietzsche decried the democratic equality he identified with Rousseau and the loss of individual and cultural greatness it entailed Franco argues however that Rousseau and Nietzsche are more than mere critics they both put forward powerful alternative visions of how we ought to live Franco focuses specifically on their views of the self and its realization their understandings of women and the relation between the sexes and their speculative conceptions of politics While there are many similarities in their positive visions Franco argues that it is the differences between them from which we have most to learn      **Popular science and public opinion in**

**eighteenth-century France** Michael Lynn, 2018-02-28 In this book Michael R Lynn analyses the popularisation of science in Enlightenment France He examines the content of popular science the methods of dissemination the status of the popularisers and the audience and the settings for dissemination and appropriation Lynn introduces individuals like Jean Antoine Nollet who made a career out of applying electric shocks to people and Perrin who used his talented dog to lure customers to his physics show He also examines scientifically oriented clubs like Jean Fran ois Pil tre de Rozier s Mus e de Monsieur which provided locations for people interested in science Phenomena such as divining rods used to find water and ores as well as to solve crimes and balloons the most spectacular of all types of popular science demonstrate how people made use of their new knowledge Lynn s study provides a clearer understanding of the role played by science in the Republic of Letters and the participation of the general population in the formation of public opinion on scientific matters      **Marie**

**Antoinette** Dena Goodman, Thomas E. Kaiser, 2013-10-23 Marie Antoinette is one of the most fascinating and controversial figures in all of French history This volume explores the many struggles by various individuals and groups to put right Marie s identity and it simultaneously links these struggles to larger destabilizations in social political and gender systems in France Looking at how Marie was represented in politics art literature and journalism the contributors to this volume reveal how crucial political and cultural contexts were enacted on the body of the queen and on the complex identity of Marie Taken together these essays suggest that it is precisely because she came to represent the contradictions in the social political and gender systems of her era that Marie remains such an important historical figure      Pastiche, Fashion, and Galanterie in Chardin's Genre Subjects Paula Radisich, 2013-12-12 This book analyzes the genre subjects created by Jean Sim on Chardin in the 1730s and 1740s as exemplars of a period specific aesthetic known as the go t moderne or Modern taste a category

shaped by the literary Quarrel of the Ancients versus the Moderns      **Michel-Jean Sedaine (1719-1797)** David Charlton, Mark Ledbury, 2019-01-15 Originally published in 2000 this book highlights the interest Sedaine's life and work is now belatedly provoking in many scholarly disciplines If Sedaine speaks today to literary history theatre history and opera studies it is because he possessed a multivalent vision one which accounts for both his past neglect and his present rediscovery Like many others he believed that the established official genres needed to be reformed unlike many he made it his business to transform the actual language and operation of the theatre arts he practised Until late eighteenth century opera and drama in France become better understood Sedaine's immense importance for the development of Romantic opera and theatre risks remaining generally concealed to reveal something of this importance is one main reason for publishing the present volume This book includes chapters on Sedaine and the question of genre the representation of the female in the dramas of Sedaine and the words gestures and other signs in the era of Sedaine      **Challenging Orthodoxies: The Social and Cultural Worlds of Early Modern Women** Melinda S. Zook, 2016-04-15 Offering a broad and eclectic approach to the experience and activities of early modern women Challenging Orthodoxies presents new research from a group of leading voices in their respective fields Each essay confronts some received wisdom truth or orthodoxy in social and cultural scientific and intellectual and political and legal traditions to demonstrate how women from a range of social classes could challenge the conventional thinking of their time as well as the ways in which they have been traditionally portrayed by scholars Subjects include women's relationship to guns and gunpowder the law and legal discourse religion public finances and the new science in early modern Europe as well as women and indentured servitude in the New World A testament to the pioneering work of Hilda L. Smith this collection makes a valuable contribution to scholarship in women's studies political science history religion and literature      Dairy Queens Meredith Martin, 2011-02-15 In a lively narrative that spans more than two centuries Meredith Martin tells the story of a royal and aristocratic building type that has been largely forgotten today the pleasure dairy of early modern France These garden structures most famously the faux rustic white marble dairy built for Marie Antoinette's Hameau at Versailles have long been dismissed as the trifling follies of a reckless elite Martin challenges such assumptions and reveals the pivotal role that pleasure dairies played in cultural and political life especially with respect to polarizing debates about nobility femininity and domesticity Together with other forms of pastoral architecture such as model farms and hermitages pleasure dairies were crucial arenas for elite women to exercise and experiment with identity and power Opening with Catherine de Medici's lavish dairy at Fontainebleau c 1560 Martin's book explores how French queens and noblewomen used pleasure dairies to naturalize their status display their cultivated tastes and proclaim their virtue as nurturing mothers and capable estate managers Pleasure dairies also provided women with a site to promote good health by spending time in salubrious gardens and consuming fresh milk Illustrated with a dazzling array of images and photographs Dairy Queens sheds new light on architecture self and society in the ancien régime

**Selling Beauty** Morag Martin, 2009-10-05 An enjoyable history of the French cosmetic industry and the evolution of beauty standards and commercial culture during a revolutionary era European History Quarterly As the French citizenry rebelled against the excesses of the aristocracy there was a parallel shift in consumer beauty practices Powdered wigs alabaster white skin and rouged cheeks disappeared in favor of a more natural and simple style Selling Beauty challenges expectations about past fashions and offers a unique look into consumer culture and business practices Morag Martin introduces readers to the social and economic world of cosmetic production and consumption recounts criticisms against the use of cosmetics from a variety of voices and examines how producers and retailers responded to quickly evolving fashions Martin shows that the survival of the industry depended on its ability to find customers among the emerging working and middle classes But the newfound popularity of cosmetics raised serious questions Critics from radical philosophes to medical professionals complained that the use of cosmetics was a threat to social morals and questioned the healthfulness of products that contained arsenic mercury and lead Cosmetic producers embraced these withering criticisms though skillfully addressing these concerns in their marketing campaigns reassuring consumers of the moral and physical safety of their products Rather than disappearing along with the Old Regime the commerce of cosmetics reimagined and redefined flourished in the early nineteenth century as political ideals and Enlightenment philosophies radically altered popular sentiment

**Gender and Utopia in the Eighteenth Century** Brenda Tooley, 2016-04-15 Focusing on eighteenth century constructions of symbolic femininity and eighteenth century women's writing in relation to contemporary utopian discourse this volume adjusts our understanding of the utopia of the Enlightenment placing a unique emphasis on colonial utopias These essays reflect on issues related to specific configurations of utopias and utopianism by considering in detail English and French texts by both women Sarah Scott Sarah Fielding Isabelle de Charrière and men Paltock and Montesquieu The contributors ask the following questions In the influential discourses of eighteenth century utopian writing is there a place for woman and if so what or where is it How do women disrupt confirm or ground the utopian projects within which these constructs occur By posing questions about the inscription of gender in the context of eighteenth century utopian writing the contributors shed new light on the eighteenth century legacies that continue to shape contemporary views of social and political progress

**Women and Science** Suzanne Le-May Sheffield, 2006 From Maria Winkelman's discovery of the comet of 1702 to the Nobel Prize winning work of twentieth century scientist Barbara McClintock women have played a central role in modern science Their successes have not come easily nor have they been consistently recognized This book examines the challenges and barriers women scientists have faced and chronicles their achievements as they struggled to attain recognition for their work in the male dominated world of modern science

Kant, Herder, and the Birth of Anthropology John H. Zammito, 2002 If Kant had never made the critical turn of 1773 would he be worth more than a paragraph in the history of philosophy Most scholars think not But this text challenges that view by revealing a precritical Kant who was

immensely more influential than the one philosophers think they know     The Painter's Touch Ewa Lajer-Burcharth, 2018-01-08 A new interpretation of the development of artistic modernity in eighteenth century France What can be gained from considering a painting not only as an image but also a material object How does the painter's own experience of the process of making matter for our understanding of both the painting and its maker The Painter's Touch addresses these questions to offer a radical reinterpretation of three paradigmatic French painters of the eighteenth century In this beautifully illustrated book Ewa Lajer Burcharth provides close readings of the works of François Boucher Jean Simón Chardin and Jean Honor Fragonard entirely recasting our understanding of these painters' practice Using the notion of touch she examines the implications of their strategic investment in materiality and sheds light on the distinct contribution of painting to the culture of the Enlightenment Lajer Burcharth traces how the distinct logic of these painters' work the operation of surface in Boucher the deep materiality of Chardin and the dynamic morphological structure in Fragonard contributed to the formation of artistic identity Through the notion of touch she repositions these painters in the artistic culture of their time shifting attention from institutions such as the academy and the Salon to the realms of the market the medium and the body Lajer Burcharth analyzes Boucher's commercial tact Chardin's interiorized craft and Fragonard's materialization of eros Foregrounding the question of experience that of the painters and of the people they represent she shows how painting as a medium contributed to the Enlightenment's discourse on the self in both its individual and social functions By examining what paintings actually say in brushstrokes texture and paint The Painter's Touch transforms our understanding of the role of painting in the emergence of modernity and provides new readings of some of the most important and beloved works of art of the era
