Run Free Teresa Ruiz, 2014 Being raised in the sixties and knowing I stuck out from my frizzy hair and reddish brown skin I kept to myself My family was not the Brady Bunch family we were surrounded by violence My father would beat our mother so much and we had to witness the beatings most of my lives After my father was sent away and after several moves and feeling we would finally have a normal life without the violence my father would come back in the family At first it would be calm but within months the violence would come back We never lived in a home for more than a year so friends were not there I was a loner throughout my child life I learned to fight for blood at the age of seven and as a teenager I hated living at home I ran away so much I felt safer sleeping in someone s closet or in their cars than at home If my father was not there beating or harassing my family my brothers were in opposite gangs so there were drive by shootings at our home I would come home from school with my frizzy hair and skinny body looking so awkward from the girls from school I stayed to myself On the way home from school I would walk up the street and see lowrider cars and Harley Davidson choppers and smell of marijuana coming from the garage I stayed to myself After all the violence at home and my mother going through all the beatings I made a promise to myself that I would not let it happen to me I dropped out of school at tenth grade and got my first job and my first date We were opposite from each other but the romance was there although he spoke no English and I spoke not a word of Spanish My father was against the relationship from the beginning but I dated him despite what my father said I moved out at seventeen and was asked to go to Mexico for the weekend I was warned not

to go by my mother but I still did I should have listened I was held there for nine months The first month was of my choice but the next eight months were not I was not allowed to leave the ranch When I took a chance I was chased down and beaten within an inch of my life Once I escaped and went back to California I found out I was pregnant and someone told the father of my baby He showed up and I was advised by my mother and his aunt that the baby needed a father I had no choice but to try to make it work But the violence got worse I refused to be a victim of violence so with the help of the women s shelter and the police department I learned how to escape the violence and make a living for my children I m hoping this book reaches other domestic abuse victims to show that you can have a violence free life But like they told me in the shelter you have to make it work and once you re on your way walk forward not backward The shelter led me away to a better life One thing I will always remember was that when I was only nineteen with two children they said once you re on your own you re the parent You had a chance to be a teenager and chose to be an adult to have children so young your children are the priority That made me think I need to be strong I knew what that meant responsibility I also noticed that once I was on my own and had my own apartment with my children it was calm I had my children on a schedule and I was on a budget I did want to date like other girls my age but it was too early I would always want to find someone that needed to find somewhere to stay with me Every time I would try to help someone it turned out to disrupt my home so I decided that it s just my children and myself Maybe I just did not trust anyone I m proud that I had the strength to pull through I went back to high school and one year of college Got out of the welfare system and started to raise my children violence free My nest is warm and full of songs and love Sure it s hard with bills and I am always short with cash and have babies getting sick and cars breaking down and me losing a job and of course me gettin

Touchdown in the Dark Jerry Silver,2019-10-30 Dear Reader First of all though it may be unbelievable as you begin to read this story every single word about the bigotry and racism which plagued a small church and school in Oak Lawn Illinois is the absolute truth Though some of the names and events have been altered to protect the innocent every event occurred between 1950 and 2000 just as I have recorded them Next I want you to know this true story is not about the game of football but rather it is the story of the character and moral strength of the men with whom I had the privilege to play the game of football It is also the true account of some ordinary men and women who became extraordinary by choosing to follow the example of Jesus Christ Most of all I want you to know the real solution to ending the bigotry hatred and hypocrisy which have been ripping our nation and world apart Please read this book with an open mind and heart The solution will probably not surprise you but I hope it will inspire and challenge you to become part of the solution which will change this old world for God s glory In Christ Jerry Silver 2 Corinthians 5:21
