My Passport Says Clairvoyant

Gary Williams

My Passport Says Clairvoyant:

My Passport Says Clairvoyant M B Dykshorn, 1978-05-01 *Legitimacy of Unbelief* Gerd H. Hövelmann, Hans Michels, 2017 Dutch journalist Piet Hein Hoebens 1948 1984 held a unique position in the controversies between proponents and skeptics of parapsychology and related fields While he described himself as a card carrying skeptic with strong ecumenical leanings even many of his nominal opponents appreciated his work and his penetrating open minded criticism Hoebens constructive influence on the culture of responsible scientific exchange is felt to this day The editors have collected and mostly translated more than 40 of Hoebens most significant writings about half of which were never published in English before The editors also added editorial introductions to all chapters to elucidate their original contexts and their lasting relevance Therefore the book is more than a commemoration of an important author it provides valuable insights into the history of parapsychology and its skeptical reflections Back cover **Mickelsson's Ghosts** John Gardner, 2010-09-21 Gardner s final novel a delicate tapestry of literary genres that create a wonderfully mysterious and ambitious narrative As Peter Mickelsson s brilliant career as a professor at Brown University winds down he suffers from alcoholism and is on the brink of divorce Seeking a new start Mickelsson moves to an old farmhouse in the Pennsylvania countryside to take a position at Bingham University But when mysterious supernatural events begin to occur it becomes clear that these new surroundings will not provide a refuge for this troubled man but rather prompt an introspective look into the ultimate value of his life s work With distinctive style and linguistic mastery author John Gardner weaves together a string of extraordinary plots that culminate in an unforgettable conclusion This ebook features a new illustrated biography of John Gardner including original letters rare photos and never before seen documents from the Gardner family and the University of Rochester Archives

The Foreseeable Future Gary Williams, 2019-05-31 Is prophecy possible Can some people really see the future Strange feelings of foreboding are often cited by people as evidence that they foresaw a disaster Too vague argues Gary Williams in this elegantly written collection about lapses in time and space Williams covers such topics as prevision and romance foreknowledge and gambling and the mysterious links between aviation and seeing into the future A hard to put down eye opening must read The Foreseeable Future The Mystery of Precognition is the author s fascinating journey exploring precognitive experiences and psychic predictions for insights about the ability Prepare to discover some psychics really do know what the future holds Jane Doherty author of *Awakening The Mystic Gift* **Mickelsson's Ghosts** , 2008 The critically acclaimed final masterwork of John Gardner an American novel haunted with macabre and cerebral elements PSYCHIC CRIMINOLOGY Whitney S. Hibbard, Raymond W. Worrington, Richard Brennan, 2002-01-01 Practical and authoritative this book is a comprehensive manual of operations for using psychics in criminal investigations The authors base the material on several decades of personal experience and on other first person accounts from law enforcement personnel After establishing the need for such an operations manual the text presents a short history of psychic criminology outlines the different types of

psychic ability pertinent to the investigator then reviews the evidence and theories for paranormal phenomena It then details the identification recruitment testing and use of psychics with close coverage afforded methods and procedures for efficient and successful investigative work with psychics The important role of extrasensory perception in the everyday life of the investigator also is examined Throughout the book the authors intersperse summaries of actual cases involving psychics to illustrate and support the topics under discussion Following the text is a sample Intuitive Investigation Report Form useful in psychic criminology a glossary of parapsychological terms and a bibliography of pertinent readings This second edition has been edited and rewritten extensively with much new and significant material added including a section on remote viewing a new chapter of documented case histories and a cogent critique of the critics of paranormal functioning The primary purpose of this second edition is the same as the first to promote the professional use of psychics as investigative aides in criminal investigations

A Walk On The Wild Side Gary Williams,2018-06-29 at this point I knew that a paranormal voice totally independent from the medium was speaking in mid space in my blacked out bedroom The next question would be who was speaking A Walk On The Wild Side is a compilation of Gary Williams experiences with paranormal and psychic phenomena over a fifty year period It includes his involvement with the UFO phenomena predictions of the future made to him by psychics that came true years later and his encounters with ghosts and poltergeists
