February 2002, * ,2002 Nicaragua's Other Revolution Michael Dodson, Laura Nuzzi O'Shaughnessy, 2000-11-09 The 1979 rebellion in Nicaragua was the first in modern Latin America to be carried out with the active participation and support of Christians Like all revolutions the Nicaraguan Revolution has provoked controversy and hostility and the Christian presence has been a focal point in the debate In this work Michael Dodson and Laura Nuzzi O'Shaughnessy offer a detailed study of the religious sources of the revolution set against the background of the revolutionary traditions of the United States Nicaragua s Other Revolution places the experience of the Nicaraguan Revolution in a historical framework that extends back to the Protestant Reformation and in an institutional framework that encompasses the whole of Nicaraguan politics Examining the broad process of religious change this work explores how that process interacted with the political struggles that culminated in the revolution Dodson and O'Shaughnessy conclude that the religious values and attitudes arising out of postconciliar renewal in the church contributed powerfully to demands for revolutionary change in Nicaragua In England and America the Protestant Reformation gave a tremendous boost to demands for democratic changes in society and politics This work shows that something similar happened in Catholic Central America in the post Medellin period Changes in religious thought and action were part of and served to reinforce and stimulate a wider movement for social and political change Without denying the importance of Marxism the authors demonstrate that other important influences are at work there Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural

The 2 Stepfathers of the Country Kevin Cantillano,2012-05-31 It s the 1980s a new generation of young men were drafted into a civil war in their home country Nicaragua A country known to be the country of war because of its long history of turmoil and economic depression because of the many civil wars caused by its own government Nicaragua would be recognized in the civil war between the Contras and the Sandinistas which went on to become the most gruesome civil war in Nicaragua Both political parties acted upon their own benefits and committed many war crimes that went against the laws of the Geneva convention but both parties did as they please as they took any means of advantage no matter what the cost to win against the other The ones that most suffered from it were the new generation of young men but there was one that was more special than the rest It was a young man by the name of Wilfredo who had the chance to achieve his dream but stripped away from it when he would be forcefully drafted into the civil war He would experience warfare like none in which he has ever known but more importantly he would learn of the bond of the other young men that served in the war It is the cruel impact from the two political parties of the war and it led many young men to suffer with tremendous cost in their lives and to their country

Sandinista Nicaragua's Resistance to US Coercion Héctor Perla, Jr,2017-02-17 How was the Sandinista National Liberation Front FSLN of Nicaragua able to resist the Reagan Administration s coercive efforts to rollback their revolution Héctor Perla challenges conventional understandings of this conflict by tracing the process through which Nicaraguans both at home and in the diaspora defeated US aggression in a highly unequal confrontation He argues that beyond traditional diplomatic military and domestic state policies a crucial element of the FSLN s defensive strategy was the mobilization of a transnational social movement to build public opposition to Reagan s policy within the United States thus preventing further escalation of the conflict Using a contentious politics approach the author reveals how the extant scholarly assumptions of international relations theory have

obscured some of the most consequential dynamics of the case This is a fascinating study illustrating how supposedly powerless actors were able to constrain the policies of the most powerful nation on earth Women's Lives around the World Susan M. Shaw, Nancy Staton Barbour, Patti Duncan Ph.D., Kryn Freehling-Burton Ph.D., Jane Nichols, 2018-01-04 Providing an in depth look at the lives of women and girls in approximately 150 countries this multivolume reference set offers readers transnational and postcolonial analysis of the many issues that are critical to the success of women and girls For millennia women around the world have shouldered the responsibility of caring for their families But in recent decades women have emerged as a major part of the global workforce balancing careers and family life How did this change happen And how are societies in developing countries responding and adapting to women s newer roles in society This four volume encyclopedia examines the lives of women around the world with coverage that includes the education of girls and teens the key roles women play in their families careers religions and cultures how issues for women intersect with colonialism transnationalism feminism and established norms of power and control Organized geographically each volume presents detailed entries about the lives of women in particular countries Additionally each volume offers sidebars that spotlight topics related to women and girls in specific regions or focus on individual women s lives and contributions Primary source documents include sections of countries constitutions that are relevant to women and girls United Nations resolutions and national resolutions regarding women and girls and religious statements and proclamations about women and girls The organization of the set enables readers to take an in depth look at individual countries as well as to make comparisons across countries *Bulletin*, 1974 **Conditional Cash Transfers in Latin America** Adato, Michelle, Hoddinott, John, 2010-12-10 Conditional cash transfer programs CCTs cash grants to poor families that are conditional on their participation in education health and nutrition services have become a vital part of poverty reduction strategies in many countries particularly in Latin America In *Conditional Cash Transfers in Latin America* the contributors analyze and synthesize evidence from case studies of CCTs in Brazil Honduras Mexico and Nicaragua The studies examine many aspects of CCTs including the trends in development and political economy that fostered interest in them their costs their impacts on education health nutrition and food consumption and how CCT programs affect social relations shaped by gender culture and community Throughout the authors identify the strengths and weaknesses of CCTs and offer guidelines to those who design them How to Conquer the World Garrett Wasny, 1999 Management consultant author and Web master Garrett Wasny provides an annotated listing of over 8 000 international trade resources for businesspeople searching for global customers partners and suppliers on the World Wide Web Organized into ten chapters covering geographic markets and global business functions and covering some 230 countries and territories the volume provides relevant tips on Internet use and appendices offering a variety of resources on identifying useful associates drafting initial correspondence tracking information and troubleshooting **Cultural Perspectives on the Irish in Latin America** Estelle Epinoux, Frank Healy, 2023-11-13 This

collective volume provides the reader with an exploration of Latin America from an Irish perspective The contributors have explored the multiple and sometimes surprising links that exist between Ireland and Latin America touching on specific features of these links such as the political and cultural influence of the Irish diaspora and their political relations These topics are examined through different media including literature films history poetry and sociology and offer an opportunity to discover an aspect of Irish culture and history that has not been widely studied The authors deal with these questions from different cultural perspectives within past and present contexts exploring two cultures and histories which at times are linked through their shared destinies They also provide the reader with different national perspectives In presenting the long lasting and multifaceted relationships between Ireland and Latin America the contributors have helped to deepen our understanding of a part of Ireland s historical heritage that deserves more focus **Global Connect!** Myron Manley,2002 This resource provides nuts and bolts information on international communication in 161 countries Each country entry gives information on country dialing code country city and area codes emergency numbers cellular phone service standards cellular and Internet service providers and locations of selected Internet cafes and provides photos and instructions for pay telephones and illustrations of different types of electric plugs and telephone jacks There is also general information on international dialing cellular and satellite phones the Internet and email and plugs and connectivity A troubleshooting guide is illustrated with screenshots and photos of equipment The 5x8 guide is useful for all travelers especially those traveling on business Annotation copyrighted by Book News Inc Portland OR Nicaragua's Conservative Republic, 1858-93 Arturo J. Cruz, Jr,2016-01-13 Arturo J Cruz Jr argues that political learning trust building and institutional innovation by political elites broke Nicaragua s post colonial cycle of anarchy and petty despotism leaving in its place an increasingly inclusive oligarchic democracy that made possible state led economic development for the next thirty years Subsequent economic development gave rise to new social groups and localist power centres that remained politically disparate and in turn forged an outsiders coalition to bring down the Republic **The Mining World** ,1910
