**Guide to the Bodhisattva's Way of Life Volume 1 , New Clairvoyance** Dr. Milan Nostrad,2013-04-22 Never published meditations never published clairvoyant methods new aura types and much more Finally something new in meditation clairvoyance hermetism karma reincarnation chakras magic dreams cabala and esoterism I write about things that have never been published yet For example psychic centres using the brain for clairvoyance and much more I published several of my own clairvoyance meditations I practiced each area of clairvoyance and esoteric divination mentioned in the book I describe how karma comes to us enters into the body and how it is implemented You can learn to see it and predict the near future The flow of karma has not been described in such detail yet There are two kinds of karma one we create ourselves and the other we inherit Both have a significant impact on our future our destiny *Elijah the Bodhisattva* Malcolm David Brown,2024-01-26 This is an interspiritual commentary largely though not exclusively Buddhist inspired on the life of Elijah as recounted in the Bible It treats the externals of his life as metaphors for internal mind states his story as a labyrinth like journey toward enlightenment an unfolding realization of the non duality of himself and God Elijah begins with a henotheistic conception of God as a national deity connected to the land of Israel and progresses to a realization of God as the ground of being being itself the God of those who struggle with God which is the deeper meaning of the name Israel While the inner dimension is emphasized there is also a focus on the political dimension of the story which liberation theologians call God s preferential option for the poor and here it is called the politics of anatta the core Buddhist principle of not self The Zen Book Daniel Levin,2005-09-01 The zen mind is the beginner s mind which sees everything as if for the first time It is in this zen mind that realization comes People sit for many years in meditation to find that suddenly in hearing something again for the first time they re lifted to a state of understanding that s far beyond anything they ve ever experienced This is why the sayings in this book were written They re not meant to teach but rather to remind you of things you already know *Perseverance* Rinpoche Thubten Zopa,Lama Zopa Rinpoche,2024-01-23 This is Lama Zopa Rinpoche s commentary on perseverance virya in Sanskrit ts ndr in Tibetan the fourth of the six bodhisattva perfections and the subject of the seventh chapter of Shantideva s Guide to the Bodhisattva s Way of Life Bodhisattvacharyavatara which was written about 1 300 years ago Rinpoche would often use the text to emphasize how we need to overcome our attachment to the samsaric pleasures of this life what are called the eight worldly dharmas or worldly concerns These are our big addiction and the reason this realm we live in is called the desire realm Our senses constantly reach out for pleasurable objects sights sounds smells tastes and so forth As long as chasing our desires dominates our life we not only have no freedom to become a better person but we are also assuring ourselves and our planet great suffering in the future Breaking this addiction is not easy We need great determination great perseverance This is the subject of Shantideva s seventh chapter where he explores in detail the effort we need to move from a selfish nonvirtuous attitude to one that serves others Of A Guide to the

Bodhisattva's Way of Life Rinpoche says The whole of Shantideva's wonderful text is like an elaborated commentary on the lamrim the graduated path to enlightenment In the monasteries A Guide to the Bodhisattva's Way of Life is not used much as a text for debating but students constantly refer back to it quoting from it often Many great teachers such as His Holiness the Dalai Lama quote extensively from it for many different subjects It is so practical that we can use whatever Shantideva says as everyday advice showing us how to conduct our lives
