## **Quiet City:**

**Quiet City** Philip Davison, 2020-04-20 Everything works out except in the end In the meantime concentrate on temptations of the flesh on naked desire Being properly damned brings its own joy that's what Richard Meadows is thinking on his way to the city dump to retrieve his wife's favourite chair which he had thrown away earlier And that's where he meets old flame Virginia Coates So begins a dance of circumstance that feeds on Richard's newfound fearlessness and his desire to be daring Time to lean in to the danger How can a nice man like him get things so wrong For some reason the sudden closeness between Richard and Virginia doesn't yield the desired intimacy doesn't satisfy the passion It is Richard's wife Gloria who truly fastens on her chance for fulfilment Quiet City is a literate satisfying work of fiction which crosses Richard Ford with Kinky Friedman with a noir undercurrent Spellbinding storytelling from a novelist at the height of his powers

**Deadly Quiet City** Murong Xuecun, 2023-03-07 Named one of the Best Books of the Year by The Economist and Kirkus Reviews From one of China's most celebrated and silenced literary authors riveting portraits of eight Wuhan residents at the dawn of the pandemic When a strange new virus appeared in the largest city in central China late in 2019 the 11 million people living there were oblivious to what was about to hit them But rumors of a new disease soon began to spread mostly from doctors In no time lines of sick people were forming at the hospitals At first the authorities downplayed medical concerns Then they locked down the entire city and confined people to their homes From Beijing Murong Xuecun one of China's most popular writers silenced by the regime in 2013 for his outspoken books and New York Times articles followed the state media fearing the worst Then on April 6 2020 he made his way quietly to Wuhan determined to look behind the heroic images of sacrifice and victory propagated by the regime to expose the fear confusion and suffering of the real people living through the world's first and harshest COVID 19 lockdown In the tradition of Dan Baum's bestselling Nine Lives Deadly Quiet City focuses on the remarkable stories of eight people in Wuhan They include a doctor at the frontline a small businessman separated from his family a volunteer who threw himself into assisting the sick and dying and a party loyalist who found a reason for everything Although the Chinese Communist Party has devoted enormous efforts to rewriting the history of the pandemic's outbreak in Wuhan through these poignant and beautifully written firsthand accounts Murong tells us what really happened in Wuhan giving us a book unlike any other on the earliest days of the pandemic Sleepless City

**Sleepless City** Reed Farrel Coleman, 2023-07-11 A tour de force The pace is relentless the plot smart his new lead character Nick Ryan is a hero for the times Reed is a brilliant storyteller Louise Penny 1 New York Times bestselling author When you're in trouble you call 911 When cops are in trouble they call Nick Ryan Every cop in the city knows his name but no one says it out loud In fact they don't talk about him at all He doesn't wear a uniform but he is the most powerful cop in New York Nick Ryan can find a criminal who's vanished Or he can make a key witness disappear He has cars safe houses money and weapons hidden all over the city He's the mayor's private cop the fixer the first call when the men and women who protect and serve are in

trouble and need protection themselves With conflicted loyalties and a divided soul he s a veteran cop still fighting his own private war He s a soldier of the streets with his own personal code But what happens when the man who knows all the city s secrets becomes a threat to both sides of the law ,      **The Silent City** AQEEL AHMED,2024-02-26 Summary There was a city where the song of life was heard all the time but now quiet has taken over This area called the Silent City is only a shell of what it used to be People there have only vague memories of how comforting it was to cry openly how warm it was to laugh and how much fun it was to talk A little girl named Lila came in as a bright spot of hope in this otherwise calm place Lila had a voice that could break through the wall of silence that had surrounded the city s spirit No one else in the Silent City could match it The road Lila took shows how strong optimism is and how strong the human spirit is Lila set out on a trip to undo the sorcerer s curse that had silenced the city s voices Milo her loyal companion and a young man who was good at reading lips and the language of gestures followed her As Lila and Milo walked through rivers that repeated the world s silence and forests where echoes slept they faced the loneliness that had enveloped their home After their trip they got to the sorcerer s castle which was in the middle of the silence There they found a shocking but important truth The magician who had been a figure of mystery and fear was shown to be a victim of his own spell The silence he had forced was what pulled him in Because Lila was kind and had a beautiful voice she helped the magician see how stupid he had been They were able to break the curse and fill the Silent City with music laughter and sound The change that happened in The Silent City is a lesson of how strong friendship kindness and the ability to hear and understand are Lila s story shows us that hope can be heard even in the heaviest silence and that kindness and understanding can break even the strongest curses The city used to be known for being very quiet but now it values every wind sound and every laugh from its people They realized that their real power was in working together and loving each other This shows how the world can change when people are free to speak their minds and hearts are open Chapter 1 The Trickster On a faraway land there used to be a thriving metropolis called the Silent City But it wasn t always quiet It used to be a busy place where lots of things happened Imagine going down a street where people are talking and laughing musicians are playing happy music and store owners are calling people over to check out their goods Kids were playing in the street and their cries and laughs could be heard through the building walls There was a lovely mix of these sounds in the air as birds chirped in the trees The city honored music and life every day Some people did not like the noise though There was a strong witch who lived far from the city and liked silence more than any sound He thought that noise from cities disturbed the peace of the land while quiet was pure Hearing the sounds of life and happiness made him even more angry He believed that the city s residents were so happy and loud and that the noise wasn t needed He had not heard happiness or music in a long time and he wished the world could stay as quiet as it was At night when the moon was out the magician said he couldn t stand the noise from the city any longer With a wave of his magic stick and a spell in a language no one knew he cast a strong spell Unlike any other magic this one was a curse that could stop all

sound As the magic spread through the city all sounds like giggles whispers and music became quiet When the sun came up the next day the city was quiet They found out they were deaf and hard of hearing when they woke up There was no more music no more laughter from the kids and the birds didn't sound like they could be heard The city which used to be busy was now very quiet The wizard felt good about what he had done and watched from afar He thought that by getting rid of the noise the land was once again peaceful He didn't know though that the sounds of the city were lively and exciting The city was empty and noisy without them People were upset because they missed the part of their lives that gave them purpose They were no longer happy or like they belonged and they could not hear or talk because of the curse There was still hope though because in the silence a little girl named Lila found something amazing about herself that could change everything

Chapter 2 How Lila Was Found Lila a little girl lived in a place where being still was normal Everything in her small apartment in the Silent City was as quiet as it could be Because of the sorcerer's curse people can't remember the tune of a song or the sound of a loved one laughing But Lila was different Lila realized one day that she had a gift that no one else in the city had This was while everyone else was hidden by the background noise of the city Like everything else in the Silent City it was very quiet Lila loved being in her yard because the flowers and plants seemed to hear her even when she couldn't Her basic way of meeting a flower was hello and she bowed to say it She didn't expect anything in return She was shocked to see that the flower looked like it was dancing gently moving as if it could hear her Lila was shocked She tried to whisper again first to one flower and then to another Each time she spoke the flowers moved slowly in answer It looked like her words were a light breeze that made them come alive Lila was thrilled as she played around with her new skill She sang a well known tune when music filled the air before the curse As she hummed the garden seemed to come to life The flowers swayed more wildly and the trees looked like they were leaning in closer to hear the sound that had become so strange in their area Lila found it hard to believe In a place where sounds have been taken away her voice might break the silence When Lila found out this she was both excited and motivated She thought her voice might be able to do more than just make the flowers dance The sounds that the city had lost might be able to be brought back by her voice There was a spell on the Silent City that made it very quiet She might be able to break the magic Lila knew this wasn't going to be simple She knew her trip would be hard but the thought of bringing back the voice of her city along with laughter music and other happy sounds of life gave her strength No matter what it took she was going to break the curse Following the sound inside her head Lila was ready to go on a trip that could change everything She found something that gave her hope even though she was only a child Hope can be the strongest force of all

Glasgow: The Real Mean City Malcolm Archibald, 2013-04-25 There cannot be many cities where crime could mean anything from singing a seditious song to stealing a ship but nineteenth century Glasgow was a unique place with an amazing dynamism Immigrants poured in from Ireland and the Highlands while the factories shipyards and mills buzzed with innovation However underneath the hustle and bustle was a different world as an incredibly diverse criminal class worked for their own profit with a total disregard for the law The highways and byways were infested with robbers garroters jumped on the unwary drunken brawls disfigured the evening streets prostitutes lured foolish men into dark corners conmen connived clever schemes and murder was nearly commonplace This was a dark and dangerous world with a volatile population and the constant threat of riots Holding back the tide of lawlessness was Britain's first professional police force established in Glasgow in 1800 Their task of policing the city was daunting as they faced everything from petty crime to murder the notorious Paisley Union Bank robbery to a string of jewellery thefts in the city centre Glasgow The Real Mean City is a fascinating account of the century long struggle of the forces of law and order as they battled to bring peace to a troubled
