More than His God Card Brian Onken, 2014-10-15 Many readers of the Bible assume that when Jesus did a miracle it was fundamentally to prove that He was God Jesus was pulling out His God Card What is startling is that Jesus never made the case that this was the primary purpose of His miracles What if Jesus was intending to reveal something different something more something beyond merely proving His identity Seeing as Jesus' miracles were such a significant part of His ministry if we miss what His miracles do reveal we may be missing out on great insights into the One

who loves us and came to rescue us Like the restoration of a great Old Master s painting Brian leads his readers to a fresh vision of what is conveyed in the Gospel accounts of Jesus miracles Uncovering what is there in the text we see the miracles in a reinvigorated vibrant way You will never read about the miracles in the same way and you will catch a renewed and compelling glimpse of Jesus

*Adult Bible Studies Summer 2022 Teacher/Commentary Kit*

Gregory M. Weeks, 2022-04-19

**Adult Bible Studies Summer 2022 Theme: Transform**

The lessons this quarter begin with a look at the ministry of the Holy Spirit that brings new life to us as members of the body of Christ. Jesus tells the disciples in John's Gospel that he must leave so that the Comforter or Holy Spirit could come. The Spirit will lead and guide us into all truth and bring gifts and graces to all who will receive them. This transforming power prepares us for ministry in the world. The Holy Spirit's work in empowering us to be the church and carry out its mission is not limited to time and space. The lessons in Unit 2 take us through a series of events in the context of Jewish and Gentile hostility in which we see how the Holy Spirit moved the church forward to serve others. The final four lessons in this quarter explore a problem that has plagued humankind throughout the ages: violence. How do we as the people of God confront and overcome this menace to the faith?

**Unit 1: The Fruit of the Spirit**

Paul used the metaphor of fruit to help us understand that our lives are like the firstfruits of offering. Through participation in Christ's crucifixion through baptism, we have offered our lives to God's service. The Holy Spirit then gives us gifts to display. Scriptures: Acts 2:1-4, 17-21, 33-38, 39-1; Corinthians 2:10-16; Galatians 5:13-21; Galatians 5:22-26. **Spiritual Practice: Silence.**

**Unit 2: The Work of the Church**

These lessons take us through a series of events in the Book of Acts in which the activity of the Holy Spirit drives the action forward. The lessons in Unit 1 identify the gifts granted to us by the Spirit; these lessons look at the path on which the Spirit directs our lives and how the Spirit is already active before we arrive at our destination. Scriptures: Acts 4:23-31; Acts 8:26-39; Acts 11:1-18; Acts 15:1-21; Acts 16:25-34. **Spiritual Practice: Service.**

**Unit 3: The Pursuit of the People**

God's word established a created order that depends on fruitfulness and cultivation rather than violence to maintain it, but humanity through its rivalries brings violence into God's created order. It is clear from Scripture that God's intent is to reestablish shalom, the Hebrew word that means a shared well-being and abundance. While violence remains a part of the created order, God does not quietly sanction the human use of violence and calls us to imitate God's love and work toward shalom. Scriptures: 1 Chronicles 22:6-10, 17-19; Matthew 5:9, 38-48; Ephesians 2:11-22; Matthew 26:47-56. **Spiritual Practice: Remembering.**

*Memories Time Allow* Yoseph T. Banks, 2006-02-15 Almost every short ditty confined within this book has arrived to me through my dreaming stages All of the people are simply figments of my dreaming imagination They are indeed fiction yet while dreaming through them they took on an almost non fiction realm Cold sweats and at times racing heart beats were my companions throughout my awakening Some left me with a sense of actually knowing who they were On all occasions I dreamt of them only once then they returned to wherever it was they emanated from What controlled my dreaming I may never understand Only a few times did the dream stop one morning only to continue the following night while I slept It was a kind of a too be continued later type scenario While I began to dream at the exact same spot I left the previous night I became a little confused It was if their story simply was not over until they thought it was I understand that probably sounds a little psychotic but that s how it came down I virtually had no control over it so I reasoned out nothing and simply dreamt Many stories have a haunting underlying sequence of death I know not why except for that all the people seemed to be coming back from somewhere A sense came to me of a graveyard of which is now their permanent residence None of them argued on my death assumption as they never really talked to me anyway They showed me what they had to say As with all dreams I was merely observing Few life forms

within my dreams were angry but many seemed frustrated They would consult among themselves and at times look at me It s very difficult to say they were looking at me for I was in the dream as my own sight It s not hard to imagine seeing through a dream because we ve all done it Seeing is what we do in dreams and on rare occasions some people say that they have actually seen themselves I have never seen myself in any dream yet I exist within the dream as merely sight Kind of like life without a mirror to reflect myself upon Anyway other short pages are simply word interpretations and fragments of assumptions I simply picked then dissected words for my own personal amusement However at times other people within my dreams would offer their opinions relative to what I was writing Some of these folks in my dreams didn t stick around that long only a few seconds A hit and run deal best describes them These people would blatantly talk out loud for no apparent reason yet what they said made me discover some writing perspectives I never understood before Most times what was said conveyed nicely onto the page I was writing Again I did not argue with the flow of what we accomplished I have to mention them for without their help I wouldn t have had much to write about A few of the pages are dedicated to soldiers Unfortunately the world still needs required army s Actually the world would do rather nicely without them for it is we who not the world in need of battle Three mentioned stories are about soldiers and unfortunately they are not stories on a female soldier The soldiers are men within the book One came from a very seemingly long dream and two came from partial dreaming I ll let you decide which is which Soldiers and death are long acquaintances that only time can control Actually timing and a soldier s death are one in the same For whatever reason the death undertones arrived on my pages it became written equally as easy I shall never understand death as I feel we never really die anyway We re just simply removed Many other pages reflect upon our human condition We all go through the same feelings or emotions so I figured I would collect some basic categories and dissect the word I feel it broke up the pages as to inflict conclusions yet keep my personal feelings at bay This is by no means a self help book We as a species have possibly uncountable help books at our disposal Fine by me but little knowledge can be obtained if
