Thompson,2019-04-04 12 Hour Shift By M Thompson Just another typical hot summer evening in Redding California or so it seems The alarm clock wakes Quinn Another fun filled evening of driving a taxi is before him and he is getting tired of it As he is fed by his dear Aunt Ginger his little brother Donnie walks into their home telling them both how he had met a gorgeous vixen from the local college After approval from their Aunt this beautiful woman comes over Strange feelings emerge from within Quinn and Ginger this young woman is very bizarre After spending time alone with Donnie and an Ouija board they spoke with something else for a time Ginger finds out expressing her dislike for Ouija boards The young beauty doesn t want to leave Verbal violence erupts ultimately causing the young beauty to leave but not without giving them some of her venom first What interest this beauty has in Donnie remains a mystery for a time until more strange and bloodcurdling things begin to happen throughout the evening Donnie becomes progressively ill with something unknown his elderly and moody neighbor commits suicide his regular fares disappear and now a mysterious jet black four door sedan menaces the night It all began with her that gorgeous young mysterious woman from the college As the hours pass everything becomes darker and more life threatening with Quinn becoming desperate to save his little brother Desperation transforms into madness as Quinn fights for his family attempting to make it through his twelve hour shift

Man Jackson J. Benson, 2006-07-27 Walter Van Tilburg Clark author of the classic novel *The Ox Bow Incident* was one of the West's most important literary figures a writer who contributed mightily to the tradition of viewing the West realistically and not through the veil of myth and romance As a comparatively young man he published three novels and a collection of short stories then remained almost silent for the rest of his life the victim of a paralyzing case of writer's block Now Jackson J Benson one of the country's foremost literary biographers has produced the first full length biography of this brilliant enigmatic and ultimately tragic figure Based on widely scattered sources personal papers and correspondence interviews with family members friends and others and Clark's unpublished stories and poems Benson's biography focuses on Clark's intellectual and literary life as a writer teacher and westerner Benson masterfully balances his engaging account of the experiences people and settings of Clark's life with a penetrating examination of his complex psyche and the crippling perfectionism that virtually ended Clark's career as well as offering up a thoughtful assessment of Clark's place in Western writing In these pages Clark lives again a warm complex and ultimately anguished human being Benson's remarkably astute and sensitive biography is destined to be the book that readers and researchers consult first for information about this major western writer *Records & Briefs New York State Appellate Division* , [Financial Economics and Econometrics](#)
