Williams,2019-05-16 Charts a new methodological course in Dead Sea Scrolls scholarship by employing memory theory to inform historical research This is an instructive resource for scholars who are seeking an alternative to currently constructed approaches to the subject and will be of appeal to those interested in the Dead Sea Scrolls more generally **One Teacher** John Yueh-Han Yieh,2012-08-06 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus role as the Teacher of God s will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew s church polemic apologetic didactic and pastoral

for those interested in the Dead Sea Scrolls early Jewish thought and the profound impact of these enigmatic figures on both ancient and modern religious perspectives This book invites readers to reflect on timeless themes of faith loyalty and the quest for righteousness in a world filled with spiritual challenges **Theory and Practice in Essene Law** Aryeh

Amihay,2017 This book offers a novel approach for the study of law in the Judean Desert Scrolls using the prism of legal theory Following a couple of decades of scholarly consensus withdrawing from the Essene hypothesis it proposes to revive the term and suggests employing it for the sectarian movement as a whole while considering the group that lived in Qumran as the Yahad It further proposes a new suggestion for the emergence of the Yahad based on the roles of the Examiner and the Instructor in the two major legal codes the Damascus Document and the Community Rule The understanding of Essene law is divided into concepts and practices in order to emphasize the discrepancy between creed rhetoric and practices The abstract exploration of notions such as time space obligation intention and retribution is then compared against the realities of social practices including admission initiation covenant leadership reproof and punishment The legal analysis yields several new suggestions for the study of the scrolls first Amihay proposes to rename the two strands of thought of Jewish law formerly referred to as nominalism and realism with the terms legal essentialism and legal formalism The two laws of admission in the Community Rule are distinguished as two different laws one of an association for a group as a whole the other as an admission of an individual The law of reproof is proven to be an independent legal procedure rather than a preliminary stage of prosecution The methodological division in this study of thought and practice provides a nuanced approach for the study of law in general and religious law in particular **Emerging Sectarianism in the Dead Sea**

Scrolls ,2022-07-18 These essays reflect the lively debate about the sectarian movement of the Scrolls They debate the degree to which the movement was separated from the rest of Judaism and whether there was one or several watershed moments in the separation Notable contributions include a cluster of essays on the Teacher of Righteousness and a thorough survey of the archaeology of Qumran The texts are problematic in historical research because they rely on biblical stereotypes Nonetheless possible interpretations can be compared and degrees of probability debated The debate is significant not only for the sect but for the nature of ancient Judaism *Scripture as Social Discourse* Todd Klutz,Casey Strine,Jessica M. Keady,2018-06-14 Throughout the last several decades professional biblical scholars have adapted concepts and theories from the social sciences particularly social and cultural anthropology in order to cast new light on ancient biblical writings early Jewish and Christian texts that circulated with the Scriptures and the various contexts in which these literatures were produced and first received The present volume of essays draws much of its inspiration from that same development in the history of biblical research while also offering insights from other newer approaches to interpretation The contributors to this volume explore a wide range of broadly social scientific disciplines and discourses cultural anthropology sociology archaeology political science the New Historicism forced migration studies gender studies and provide multiple

examples of the ways in which these diverse methods and theories can shed new and often fascinating light on the ancient texts The fruit of scholarly work that is both international in flavour and truly collaborative this volume provides fresh perspectives not only on familiar portions of Jewish and Christian Scripture but also on select passages from the Dead Sea Scrolls the Nag Hammadi library and previously untranslated French texts *Text as Revelation* Hanna

Tervanotko,Jonathan Stökl,2023-12-28 *Text as Revelation* analyses the shift of revelatory experiences from oral to written that is described in ancient Jewish literature including rabbinic texts The individual essays seek to understand how why and for whom texts became the locus of revelation While the majority of the contributors analyze ancient Jewish literature for depictions of oral and written revelation such as the Hebrew Bible and the literature of the Second Temple era a number of articles also investigate textualization of revelation in cognate cultures analyzing Egyptian Mesopotamian and Greek sources With subjects ranging from Ancient Egyptian and Sibylline oracles to Hellenistic writings and the books of Isaiah Deuteronomy and Jeremiah the studies in this volume bring together established and new voices reflecting on the issues raised by the interplay between writing and divinatory revelation **Historical Perspectives** Orion Center for the Study of

the Dead Sea Scrolls and Associated Literature. International Symposium,2001 These symposium papers focus on various aspects of Jewish history in light of the Dead Sea Scrolls including specific topics of Jewish history and the concepts of community and covenant A section on natural sciences and the Scrolls completes the volume **Scriptures and**

John of History, Baptist of Faith James F. McGrath,2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus

s unkempt forerunner But meticulous historical study reveals his wide reaching and enduring influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John s pupil Jesus as a window into his mentor s beliefs Along the way he brings new clarity to questions of contention among scholars such as John s use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath s pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism
