Description :

The legal system and the lawyers who operate in (and around) it have influenced society and continue to do so today. In this age of the slip-and-fall, advertising, and medical malpractice, it's clear that the quest for justice has not always been easy. It's also been hilarious, poignant, enlightening, and scandalous. Words from renowned lawyers, not-so-renowned lawyers, judges, authors, politicians, philosophers, and preachers make up this collection of over five hundred memorable, bite-sized quotations about the lives of lawyers, the law, landmark cases and quips, jokes, and humorous sayings. Included in this diverse compendium are quotations by and about lawyers and law: The life of the law has not been logic; it has been experience.
