A RABBI READS THE PSALMS

NEW EDITION

JONATHAN MAGONET

Rabbi Reads The Psalms

Susan Gillingham

Rabbi Reads The Psalms:

A Rabbi Reads the Psalms Jonathan Magonet, 2004-01-01 Why another book on the Psalms Surely there are enough already What is the justification for yet one more and by someone who first found the Psalms almost boringly the same Jonathan Magonet has a ready answer After teaching the Psalms for twenty years he has found that within the vast literature about them there is very little that introduces the kinds of interpretations made by the rabbis whether ancient mediaeval or modern Moreover there are very few books which provide a user friendly introduction to how one actually sets about working with the Hebrew text or gives access to the richness and complexity of the language of the Psalms to the non Hebrew reader It was his first close acquaintance with the Hebrew text in preparing some translations of the Psalms for publication which transformed Jonathan Magonet's view of them and helped him to discover their richness So this book aims to share with the reader the special world that was opened up to him in this way It provides an introduction to the nature of biblical poetry a guide to some of the poetic structures that recur in the Psalms and studies a number of Psalms as a way of illustrating these aspects and for the fun of exploring the individual dynamic and meaning *A Rabbi Reads the Psalms* Jonathan Magonet, 1994 *Jewish and Christian Approaches to the Psalms* Susan Gillingham, 2013-02-07 The Psalms have resulted in controversies between Jews and Christians over the centuries and it is only from the mid twentieth century onwards that the two traditions have worked side by side in the academy at least This is one of the very few volumes on the psalms to incorporate scholarship from both these traditions for nearly a century and the result is a rich celebration of these extraordinary ancient songs This innovative essay collection draws together internationally renowned Jewish and Christian scholars of the Psalms with one tradition responding to the other in areas as diverse as Qumran studies Medieval Jewish interpretation Reception History Liturgical Psalters and Chagall's Church Windows and more recent Literary Studies of the Psalter as a Book The range of topics chosen will be of interest not only to those specializing in the Psalms but also to others interested more generally in biblical studies Several musical and artistic representations of selected psalms are also included and the book includes a colour plate section which illustrates several of the chapters *Psalms Through the Centuries, Volume 2* Susan Gillingham, 2020-05-18 *Psalms Through the Centuries Volume Two* provides the first ever extensive commentary on the Jewish and Christian reception history of the first two books of the Psalter Psalms 1-41 and 42-72 It explores the various uses of the Psalms over two millennia in translation and commentary liturgy and prayer study and preaching musical composition and artistic illustration poetic and dramatic imitation and contemporary discourse With lavish illustrations using examples from both music and art *Psalms Through the Centuries Volume Two* offers a detailed commentary on each psalm with an extensive bibliography a large glossary of terms and helpful indices It is an ideal resource both for students and scholars in the academy and for lay people and ministers in church and synagogue *Psalms Through the Centuries* is published within the Wiley Blackwell Commentary series Further information about this innovative reception

history series is available at www.bbibcomm.info [Psalms Through the Centuries, Volume 1](#) Susan Gillingham, 2012-03-28 This is the first of a two volume bible commentary covering the Psalms and examining the role of these biblical poems throughout Jewish and Christian history Provides a fascinating introduction to the literary historical and theological background of psalmody Examines the psalms through liturgy and prayer study and preaching translation and imitation and musical composition and artistic illustration Includes illustrations of significant psalms helpful maps and an extensive bibliography an expanded bibliography to accompany the book is also available at www.wiley.com/go/gillingham A forthcoming second volume is planned which will take an alternative psalm by psalm approach Now available in paperback and published in the innovative reception history series Blackwell Bible Commentaries [Preaching Christ from Psalms](#) Sidney Greidanus, 2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms and why they should Greidanus proceeds by discussing twenty two psalms in the Revised Common Lectionary Year A supplying the building blocks necessary to preach from Psalms at Christmas Easter Pentecost and other major days and seasons of the church year In addition to laying out basic homiletical theological approaches suitable for each selected psalm these chapters also provide verse by verse exposition bridges to Christ in the New Testament and ideas for placing the psalmist's words into contemporary context **Psalms** Stephen B. Dawes, 2010 Many students are unfamiliar with the Old Testament and struggle to access it with the exception of the Psalms which are more familiar through their use in Christian worship and yet offer insights into the world of the Old Testament This book introduces the readers to the Psalms and the mainstream scholarship on the Psalms [A Journey of Two Psalms](#) Susan Gillingham, 2013-12-13 For two and a half millennia these two psalms have been commented on translated painted set to music employed in worship and adapted in literature often being used disputatiously by Jews and Christians alike Psalm 1 is about the Law at the heart of Psalm 2 is the Anointed One Messiah and together they serve as a Prologue to the rest of the Psalter They have frequently been read as one composite poem with the Temple as one of the motifs uniting them So three themes Jewish and Christian disputes the interrelationship of these psalms and the Temple are interwoven throughout this reception history analysis The journey starts in ancient Judaism moves on to early Christianity then to rabbinic and medieval Judaism and so to Christian commentators from the early Middle Ages to the Reformation The journey pauses to look at four important modes of reception liturgical use visual exegesis musical interpretation and imitation in English literature Thirty eight colour plates and numerous musical and poetic examples bring the work to life The journey continues by looking at the debates about these psalms which have occupied scholars since the Enlightenment and ends with a chapter which surveys their reception history in the light of the three key themes **Seeing the Psalter** Bob MacDonald, 2013-01-31 Seeing the Psalter is a unique insight into the Psalms These 150 poems are at the heart of the faith of Israel and of Christendom No book

of the Bible is more popular Seeing the Psalter highlights and shows the patterns of repeated word usage in each poem and across the collections of poems In this book the Psalter is read and analyzed in sequence revealing a deliberate organization and a coherent message formed over centuries how do we learn to rule in the midst of enemies Each poem is laid out in a very easy to read form For the English reader the translation is close and concordant as far as that is possible The concordance has been managed through a sophisticated database analysis of the glosses chosen Seeing the Psalter includes a complete Hebrew English and English Hebrew glossary of all words used in the Psalter The list of all uses of a Hebrew root in the Hebrew glossary enables an in depth study of word usage For the Hebrew reader or for one who wants to learn Hebrew the text is laid out in a form that enables memorization and the learning of the intricacies of translation The poetry is phrase by phrase side by side with the English Each chapter shows in color the patterns of word recurrence in the poems Many chapters show the close or distant relationships of poems with each other As you study this work you will find that all sorts of questions open themselves to you related to the history of the collections the character of the faith and the construction of the Psalter itself A comprehensive index of Biblical references names and themes is included allowing you to find things easily in the text Each major section of Seeing the Psalter contains brief summaries outlining and highlighting inter poem relationships and enabling the memorization of the whole The Psalms are the dialogue between God and his people It s not a conversation one would want to miss You will love this book and reading it will show you the love that is before all things With charts in full color

Psalms Geoffrey W. Grogan, 2008-04-22 Geoffrey Grogan here tackles the growing field of Psalms research and presents an accessible theological treatment of the Psalter He begins by surveying and evaluating the main scholarly approaches to Psalms and then provides exegesis of all the psalms emphasizing their distinctive messages Grogan follows with a full discussion of the Psalter s theological themes highlighting the implications of its fivefold arrangement He considers the massive contribution of the Psalter to biblical theology including the way the psalms were used and interpreted by Jesus and the New Testament writers The volume closes with an analysis of the contemporary relevance of the Psalms and a step by step guide to preparing a Psalms sermon based on Psalm 8

[Psalms](#) Adrian Curtis, 2012-03-16 Although the book of Psalms is a collection of ancient hymns and poems originally written in Hebrew it continues to be a source of fascination and inspiration The psalms live on because they reflect a profound belief in a God who was involved with people and with human affairs a God who had done wonderful things in the past for which he should be praised and held in awe a God to whom complaints could be addressed because of apparent inactivity on behalf of those loyal to him in the present a God who despite the distresses and difficulties of those who called upon him could be trusted to ensure justice in the future The Psalter contains some very human responses to a God who was sometimes very real to those who addressed him and who sometimes seemed deaf to their cries Adrian Curtis invites his readers to enter into the world of the Psalms and to find there sometimes surprisingly experiences and emotions that resonate with their own

Criteria of Discernment in Interreligious Dialogue Catherine Cornille, 2009-08-01 CONTRIBUTORS Mustafa Abu Sway Al Quds University Jerusalem Asma Afsaruddin Indiana University Reinhold Bernhardt Basel University David Burrell CSC University of Notre Dame Catherine Cornille Boston College Gavin D Costa University of Bristol David M Elcott New York University Joseph Lumbard Brandeis University Jonathan Magonet Louis Baeck Institute London John Makransky Boston College Anantanand Rambachan St Olaf College Deepak Sarma Case Western University Judith Simmer Brown Naropa University Mark Unno University of Oregon

The Image, the Depths and the Surface Susan Gillingham, 2002-09-01 The purpose of this book is to illustrate that reading is a subjective process which results in multivalent interpretations This is the case whether one looks at a text in its historical contexts the diachronic approach or its literary contexts the synchronic approach Three representative texts are chosen from the Law Genesis 23 the Writings Isaiah 23 and the Prophets Amos 5 and each is read first by way of historical analysis and then by literary analysis Each text provides a number of variant interpretations and raises the question is any one interpretation superior What criteria do we use to measure this Or is there value in the complementary nature of many approaches and many results

Commentary on the Book of Psalms. By John Calvin. Translated from the Original Latin, and Collated with the Author's French Version, by the Rev. James Anderson. [vol. 2. Translated by James McLean and George McCrie.] (A New Translation of Calvin's Version of the Book of Psalms, Arranged in Parallelisms.). , 1849

Psalms Geoffrey Grogan, 2008-04-22 Geoffrey Grogan evaluates the different scholarly approaches to Psalms and analyses their contemporary relevance He provides an exegesis of each psalm and incorporates a full survey of Psalter's theological themes

Psalms for Preaching and Worship Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological

Saying Kaddish Anita Diamant, 2007-08-07 From beloved New York Times bestselling author and award winning journalist the definitive guide to Judaism's end of life rituals revised and updated for Jews of all backgrounds and beliefs From caring for the dying to honoring the dead Anita Diamant explains the Jewish practices that make mourning a loved one an opportunity to experience the full range of emotions grief anger fear guilt relief and take comfort in the idea that the memory of the deceased is bound up in our lives and actions In *Saying Kaddish* you will find suggestions for conducting a funeral and for observing the shiva week the shloshim month the year of Kaddish the annual yahrzeit and the Yizkor service There are also chapters on coping with particular losses such as the death of a child and suicide and on children as mourners mourning non Jewish loved ones and the bereavement that accompanies miscarriage Diamant also offers advice on how to apply traditional views of the sacredness of life to hospice and palliative care Reflecting the ways that ancient rituals and customs have been adapted in light of contemporary wisdom and needs she includes updated sections on taharah preparation of the body for burial and on using ritual immersion in a mikveh to mark the stages of bereavement And celebrating a Judaism that has become inclusive and welcoming Diamant highlights rituals prayers and customs that will be meaningful to Jews by choice Jews of color and LGBTQ Jews Concluding chapters discuss Jewish perspectives on writing a will creating healthcare directives making final arrangements and composing an ethical will

Commentary on the Book of Psalms Jean Calvin, James Anderson, 1849

The Zohar Daniel Chanan Matt, 2009 This third volume of completes the Zohar's commentary on the book of Genesis Throughout the Zohar probes the biblical text and seeks deeper meaning for example the divine intention behind Joseph's disappearance or the profound significance of human sexuality

Jonathan Edwards and the Psalms David P. Barshinger, 2014-09-03 Throughout church history the book of Psalms has enjoyed wider use and acclaim than almost any other book of the Bible Early Christians extolled it for its fullness of Christian doctrine monks memorized and recited it daily lay people have prayed its words as their own and churches have sung from it as their premier hymn book While the past half century has seen an extraordinary resurgence of interest in the thought of American theologian Jonathan Edwards including his writings on the Bible no scholar has yet explored his meditations on the Psalms David P Barshinger addresses this gap by providing a close study of his engagement with one of the Bible's most revered books From his youth to the final days of his presidency at the College of New Jersey Edwards was a devout student of Scripture as more than 1 200 extant sermons theological treatises and thousands of personal manuscript pages devoted to biblical reflection bear witness Using some of his writings that have previously received little to no

attention Jonathan Edwards and the Psalms offers insights on his theological engagement with the Psalms in the context of interpretation worship and preaching Barshinger shows that he appropriated the history of redemption as an organizing theological framework within which to engage the Psalms specifically and the Bible as a whole This original study greatly advances Edwards scholarship shedding new and welcome light on the theologian s relationship to Scripture

If you ally dependence such a referred **Rabbi Reads The Psalms** books that will provide you worth, get the no question best seller from us currently from several preferred authors.
