Zellentin, 2011 Originally presented as the author's thesis Ph D Princeton under the title Late Antiquity Upside Down Rabbinic Parodies of Jewish and Christian Literature Forms of Rabbinic Literature and Thought Alexander Samely, 2007-04-12 Surveying the corpus of rabbinic literature written in Hebrew and Aramaic and which contains the foundations of Judaism in particular the Talmud this book explains why the character of the texts is crucial to an understanding of rabbinic thought and why they pose problems to modern Western educated readers *The Cambridge Companion to the Talmud and Rabbinic Literature* Charlotte Elisheva Fonrobert, Martin S. Jaffee, 2007-05-28 This volume introduces students of rabbinic literature to the range of historical and interpretative questions surrounding the rabbinic texts of late antiquity The editors themselves well known interpreters of Rabbinic literature have gathered an international collection of scholars to support students initial steps in confronting the enormous and complex rabbinic corpus Unlike other introductions to Rabbinic writings the present volume includes approaches shaped by anthropology gender studies oral traditional studies classics and folklore studies The Jewish Woman in Rabbinic Literature: A psychohistorical perspective Menachem M. Brayer, 1986 Mine and Yours are Hers Ilan, 2018-12-10 This book discusses the interaction between history rabbinic literature and feminist studies Recent approaches to rabbinic literature have overturned the traditional view of these writings and new literary methods were suggested mostly denying them all historical value But rabbinic literature constitutes the main source for the lives of Jews in Palestine and Babylonia during the late Roman period and thus should not be totally rejected This study suggests a new post literary approach i e it discusses the residue of the texts after these have been analyzed and dissected by literary critics But mainly this is a book about women's history adopting many assumptions of feminist criticism about the androcentric nature of all ancient texts and approaches them with due suspicion The Rabbis treated women differently from the way they treated men This resulted in the former's marginalization and manipulation by the texts On the other hand however it created an

ironic situation whereby principles useful for the recovery of historical information on women are useless when applied to men This study describes such principles and demonstrates them with the help of many examples **Jesus Outside the New Testament** Robert Van Voorst,2000-04-13 Presents evidence and information aside from the Christian scriptures on the life and teaching of Jesus Christ Features excerpts in Roman correspondence and the early Christian writings known as the New Testament Apocrypha **The Idea of History in Rabbinic Judaism** Jacob Neusner,2004 History provides one way of marking time but there are others like the Judaism of the dual Torah set forth in the Rabbinic literature from the Mishnah through the Talmud of Babylonia which tells the story of how a historical way of thinking about past present and future time and eternity the here and now in relationship to the ages gave way to another mode of thought altogether At stake are 1 a conception of time different from the historical one and 2 premises on how to take the measure of time that form a legitimate alternative to those that define the foundations of the historical way of measuring time Fully exposed those alternative premises may prove as logical and compelling as the historical ones *The Documentary Form-history of Rabbinic Literature: The halakhic sector, the Talmud of Babylonia (6 v.)* Jacob Neusner,1998
