CONCEPTS OF STATE, NATION AND NATIONALISM

LECTURE 10: NATION, STATE AND NATIONALISM

Rabindranath Tagores Concepts Of State Nation And Nationalism

K. L. Tuteja, Kaustav Chakraborty

Rabindranath Tagore's Concepts Of State Nation And Nationalism:

Rabindranath Tagore's Concepts of State, Nation, and Nationalism Kedar Nath Mukherjee, 2003 This book will be of immense value to the students and scholars of political science as of philosophy Any future research on Tagore's political ideals will be incomplete without the help of this pioneering work

Tagore and Nationalism K. L. Tuteja, Kaustav Chakraborty, 2017-03-15 This volume brings together eminent Tagore scholars and younger writers to revisit the concepts of nation nationalism identity and selfhood civilization culture and homeland in Tagore's writings As these ideas take up the centre stage of politics in the subcontinent as also elsewhere in the world in the 21st century it becomes extremely relevant to revisit his works in this context Tagore's ambivalence towards nationalism as an ideology was apparent in the responses in his discussions with Indians and non Indians alike Tagore developed the concept of syncretic civilization as a basis of nationalist civilizational unity where society was central unlike the European model of state centric civilization However as the subterranean tensions of communalism became clear in the early 20th century Tagore reflexively critiqued his own political position in society He thus emerged as the critic of the nation nation state and in this he shared his deep unease with other thinkers like Romain Rolland and Albert Einstein This volume for the first time covers the socio political historical literary and cultural concerns relating to Tagore's efforts towards the de colonization of the Self The volume begins with various perspectives on Tagore's ambivalence about nationalism It encompasses critical examinations of Tagore's literary works and other art forms as well as adaptations of his works on film It also reads Tagore's nationalism in a comparative mode with contemporary thinkers in India and abroad who were engaged in similar debates

Tagore, Nationalism and Cosmopolitanism Mohammad A. Quayum, 2020-01-29 This book is a fresh examination of Rabindranath Tagore's ideas on nationalism and his rhetoric of cosmopolitanism It critically analyses the poetics and the politics of his works and specifically responds to Tagore's three lectures on nationalism delivered during the early years of the twentieth century and later compiled in his book *Nationalism* 1917 This volume Discusses Tagore's perception of nationalism the many sidedness of his engagement with nationalism the root causes of his anathema against the ideology ambiguities and limitations associated with his perception and his alternative vision of cosmopolitanism or global unity Cross examines an alternative view of cosmopolitanism based on Tagore's inclusivist ideology to seek my compatriots all over the world Explores how his ideas on nationalism and cosmopolitanism found myriad expressions across his works in prose fiction poetry travelogue songs as well as in the legacy of cinematic adaptations of his writings Investigates the relevance of Tagore's thoughts on nationalism and cosmopolitanism in relation to the contemporary rise of religious nationalist and sectarian violence in the twenty first century A key study on the relevance of Tagore's political philosophy in the contemporary world with contributions from eminent Tagore scholars in South Asia as well as the West this book will be of great interest to readers and researchers in the fields of literature political science cultural studies philosophy and Asian studies

Crafting State-Nations Alfred Stepan, Juan J.

Linz, Yogendra Yadav, 2011-03-31 Empirically thorough and conceptually clear Crafting State Nations will have a substantial impact on the study of comparative political institutions and the conception and understanding of nationalism and democracy

Rabindranath Tagore's Axiology of Politics Sibaji Pratim Basu, 2024-12-30 This book revisits Rabindranath Tagore's opinion and standpoints on constituent elements of politics from the stance of this marker axiology so that many well known aspects of his thought may be seen in a different light Among the Indian luminaries of the first half of the twentieth century who were well known both in the East and the West Rabindranath Tagore 1861-1941 was arguably the most gifted personality Besides being the first non European recipient of the Nobel Prize for Literature 1913 and the ambassador of Indian culture to the West he also wrote voluminous essays and letters on socio political issues engaged himself in various protests against the raj as a pacifist in international arena and also as a polemical writer Tagore is often described as the conscience of the Indian nation This book includes a long Tagore Einstein conversation and a longish dialogue with H G Wells and his creative writings poems fictions plays and personal letters along with his direct political discourses to understand his Political Thought in a more comprehensive way Rabindranath Tagore's Ideational Universe Bidyut

Chakrabarty, 2023-12-01 This book explores Tagore's socio political ideas through his novels short stories and essays It looks at Tagore beyond his literary achievements and examines his notions of friendship religion nationalism civilization and knowledge It highlights his uniquely textured and innovatively argued views on critical aspects of humanity in the tumultuous phase of Indian nationalist campaign that also witnessed a kaleidoscope of myriad ideological voices besides the hegemonic mainstream nationalist campaign led by Gandhi It captures the bard's creative ideational priorities and his attempts to radically transform the prevalent socio economic and politico cultural environment The volume will be of great interest to scholars and researchers of history politics literature and South Asian studies **Colour, Art and Empire** Natasha

Eaton, 2013-10-28 Colour Art and Empire explores the entanglements of visual culture enchanted technologies waste revolution resistance and otherness The materiality of colour offers a critical and timely force field for approaching afresh debates on colonialism This book analyses the formation of colour and politics as qualitative overspill Colour can be viewed both as central and supplemental to early photography the totem alchemy tantra and mysticism From the eighteenth century Austrian Empress Maria Theresa to Rabindranath Tagore and Gandhi to 1970s Bollywood colour makes us adjust our take on the politics of the human sensorium as defamiliarising and disorienting The four chapters conjecture how European Indian and Papua New Guinean artists writers scientists activists anthropologists or their subjects sought to negotiate the highly problematic stasis of colour in the repainting of modernity Specifically the thesis of this book traces Europeans admiration and emulation of what they termed Indian colour to its gradual denigration and the emergence of a space of exception This space of exception pitted industrial colours against the colonial desire for a massive workforce whose slave like exploitation ignited riots against the production of pigments most notably indigo Feared or derided the figure of the vernacular dyer

constituted a force capable of dismantling the imperial machinations of colour Colour thus wreaks havoc with Western expectations of biological determinism objectivity and eugenics Beyond the cracks of such discursive practice colour becomes a sentient and nomadic retort to be pitted against a perceived colonial hegemony The ideological reinvention of colour as a resource for independence struggles make it fundamental to multivalent genealogies of artistic and political action and their relevance to the present

Rabindranath Tagore's Drama in the Perspective of Indian Theatre Mala Renganathan, Arnab Bhattacharya, 2020-08-03 Rabindranath Tagore's Drama in the Perspective of Indian Theatre maps Tagore's place in the Indian dramatic performance traditions by examining unexplored critical perspectives on his drama such as his texts as performance texts their exploration in multimedia reflections of Indian culture in his plays comparison with playwrights theatrical links to his world of music and performance genres his plays in the context of cross cultural intercultural theatre the playwright as a poet performer composer and their interconnections and his drama on the Indian stage

Mercy and British Culture, 1760-1960 James Gregory, 2021-11-04 Spanning over 2 centuries James Gregory's *Mercy and British Culture 1760 1960* provides a wide reaching yet detailed overview of the concept of mercy in British cultural history While there are many histories of justice and punishment mercy has been a neglected element despite recognition as an important feature of the 18th century criminal code *Mercy and British Culture 1760 1960* looks first at mercy's religious and philosophical aspects its cultural representations and its embodiment It then looks at large scale mobilisation of mercy discourses in Ireland during the French Revolution in the British empire and in warfare from the American war of independence to the First World War This study concludes by examining mercy's place in a twentieth century shaped by total war atomic bomb and decolonisation

Rabindranath Tagore Sabyasachi Bhattacharya, 2017-05-24 An enduring icon of India Rabindranath Tagore made extraordinary contributions as an artist nationalist educationist and philosopher Deeply aware of the historical significance of his times he built on the heritage of nineteenth century Indian renaissance to become one of the makers of the modern Indian mind In this first of its kind intellectual biography historian Sabyasachi Bhattacharya sketches a compelling portrait of a Tagore who was innately sceptical self critical and tormented by conflicts in his inner life He draws on letters autobiographical accounts and literary works some translated for the first time to explore Tagore's chief dilemmas He reveals how despite Tagore's apparently contradictory ideas on patriotism and international humanism modernity and traditional practices secularism and religious influence there was a unified vision that tied together his diverse oeuvre Thoroughly researched and evocatively written *Rabindranath Tagore An Interpretation* offers profound insights into Tagore's life and multiple influences that shaped his genius

Socio-Political Thought of Rabindranath Tagore Bidyut Chakrabarty, 2025-04-10 This book is a political biography of Rabindranath Tagore It identifies the principal threads in Tagore's ideational universe and discusses them with reference to his written treatises The book looks at the issues that made Tagore a thinker of visions and were complementary to the uplift of humanity regardless of race religion and ethnicity

According to Tagore religion caste and gender were the major deterrents to the socio cultural uniformity of contemporary India He championed an ideational vision castigating those socio cultural practices which impaired the coming together of human beings The book also analyses his debate with Gandhi and the contestations around ideas of nation industrialism and colonial exploitation An important addition to the study of Tagore s politico ideological views the volume will be of great interest to scholars and researchers of history political science literature nationalism sociology and South Asian studies ,

The Hindu Quest for the Perfection of Man Troy W. Organ,1998-07-27 A lucid thorough and fresh exploration of the material This is an exceedingly helpful study and may be the best single textbook on the subject Previously there was little of note in between inadequate introductions to Hindu thought and the more specialized primary or secondary materials Organ is a competent philosopher and presents the Hindu quest in a scholarly and readable form it is a key book for undergraduate libraries and would be an invaluable asset in a course which dealt seriously and at any length with the Hindu tradition Excellent bibliography Choice This is not just another book on Hinduism but a source of systematic information Bibliography of Philosophy This scholarly and perceptive account makes Hindu beliefs and practices intelligible by showing how the contradictions which have puzzled Westerners are rooted in Human Diversity The Review of Metaphysics Nation-state and Minority Rights in India Tanweer Fazal,2014-08-01 The blood laden birth pangs of the Indian nation state undoubtedly had a bearing on the contentious issue of group rights for cultural minorities Indeed the trajectory of the concept minority rights evolved amidst multiple conceptualizations political posturing and violent mobilizations and outbursts Accommodating minority groups posed a predicament for the fledgling nation state of post colonial India This book compares and contrasts Muslim and Sikh communities in pre and post Partition India Mapping the evolving discourse on minority rights the author looks at the overlaps between the Constitutional and the majoritarian discourse being articulated in the public sphere and poses questions about the guaranteeing of minority rights The book suggests that through historical ruptures and breaks communities oscillate between being minorities and nations Combining archival material with ethnographic fieldwork it studies the identity groups and their vexed relationship to the ideas of nation and nationalism It captures meanings attributed to otherwise politically loaded concepts such as nation nation state and minority rights in the everyday world of Muslims and Sikhs and thus tries to make sense of the patterns of accommodation adaptation and contestation in the life world Successfully confronting and illuminating the challenge of reconciling representation and equality both for groups and within groups this exploration of South Asian nationalisms and communal relations will be of interest to academics in the field of South Asian Studies in particular Sociology and Politics *Nation, Diaspora, Trans-nation* Ravindra K. Jain,2012-03-12 Research articles on Indian diaspora *Modern South Asia* Sugata Bose,Ayesha Jalal,2004 A wide ranging survey of the Indian sub continent Modern South Asia gives an enthralling account of South Asian history After sketching the pre modern history of the subcontinent the book concentrates on the last three centuries from c 1700 to the present Jointly

written by two leading Indian and Pakistani historians *Modern South Asia* offers a rare depth of understanding of the social economic and political realities of this region This comprehensive study includes detailed discussions of the structure and ideology of the British raj the meaning of subaltern resistance the refashioning of social relations along lines of caste class community and gender and the state and economy society and politics of post colonial South Asia The new edition includes a rewritten accessible introduction and a chapter by chapter revision to take into account recent research The second edition will also bring the book completely up to date with a chapter on the period from 1991 to 2002 and a discussion of the last millennium in sub continental history

Indian Political Thought - II Mr. Rohit Manglik, 2023-05-23 In this book we will study about the subject of Indian Political Thought II exploring its key themes developments and importance in the broader context of the discipline The book offers foundational and in depth understanding tailored to build academic insight and critical thought

Nationality Bernard Joseph, 2021-11-21 Originally published in 1929 the author begins the discussion of nationality by a survey of its main factors race language religion the homeland tradition literature and the will to live together With the discovery that racial purity is a myth race in its biological sense loses much of its significance though racial self consciousness remains virtually unaffected The second half of the volume studies the historical origins of nationality and its world wide ramifications The nationalities of Europe are briefly surveyed in a single chapter while the British Empire India the Jews and the Americans have chapters to themselves The study of Asia is completed by an additional chapter on National Groups of the East Towards the end of the volume the author returns to the discussion of the meaning of nationality defines its relation to the state Patriotism Internationalism and war and sums up its merits and its defects This book is a re issue originally published in 1929 The language used and assumptions made are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication

Postcolonial Theory Leela Gandhi, 2020-07-28 Postcolonial Theory is a ground breaking critical introduction to the burgeoning field of postcolonial studies Leela Gandhi is the first to clearly map out this field in terms of its wider philosophical and intellectual context drawing important connections between postcolonial theory and poststructuralism postmodernism marxism and feminism She assesses the contribution of major theorists such as Edward Said Gayatri Spivak and Homi Bhabha and also points to postcolonialism s relationship to earlier thinkers such as Frantz Fanon and Mahatma Gandhi The book is distinctive in its concern for the specific historical material and cultural contexts for postcolonial theory and in its attempt to sketch out the ethical possibilities for postcolonial theory as a model for living with and knowing cultural differences non violently Postcolonial Theory is a useful starting point for readers new to the field and a provocative account which opens possibilities for debate

Postcolonial Sociologies Julian Go, 2016-08-26 How can postcolonial thought be most fruitfully translated and incorporated into sociology This special volume brings together leading sociologists to offer some answers and examples The chapters offer new postcolonial readings of canonical thinkers like Karl Marx Max Weber Emile Durkheim and Robert Park

Getting the books **Rabindranath Tagores Concepts Of State Nation And Nationalism** now is not type of inspiring means. You could not abandoned going afterward ebook accrual or library or borrowing from your links to approach them. This is an unconditionally simple means to specifically get lead by on-line. This online broadcast Rabindranath Tagores Concepts Of State Nation And Nationalism can be one of the options to accompany you once having additional time.

It will not waste your time. consent me, the e-book will very sky you new concern to read. Just invest little epoch to right to use this on-line proclamation **Rabindranath Tagores Concepts Of State Nation And Nationalism** as skillfully as review them wherever you are now.
