world from fancy pants Brit conspirators she's sensing a scoop Especially when he mentions there's magic involved Of course getting him on the record would be easier if he hadn't caught her eavesdropping Catullus Graves knows what it's like to be shut out his ancestors were slaves And he's a genius inventor with appropriately eccentric habits so even people who love him find him a little odd But after meeting a certain redheaded scribbler he's thinking of other types of science Inconvenient given that he needs to focus on preventing the end of the world as we know it But with Gemma's insatiable curiosity sparking Catullus's inventive impulses they might set off something explosive anyway **Rays from the Rose Cross**, 1922 The
