

# RACE, POWER, AND POLITICAL EMERGENCE IN MEMPHIS

SHARON D. WRIGHT

# Race Power Political Emergence In Memp

**Kimberly K. Little**

## **Race Power Political Emergence In Memp:**

Race, Power, and Political Emergence in Memphis Sharon D. Wright, 2003-09-02 This book is the most comprehensive case study of the city's political scene written to date. The text primarily shows that white racism is not the only obstacle to black political development.

**Race, Power, and Political Emergence in Memphis** Sharon D. Wright, 2003-09-02 *Race Power and Political Emergence in Memphis* examines black political behavior and empowerment strategies in the city of Memphis. Each chapter of the text focuses on three themes: mobilization, emergence, and incorporation. By analyzing the effects of race on black political development in Memphis, scholars will be able to examine broader questions about its effects in other cities. How do political machines use substantial black electorates to their advantage? What forms of protest do black communities conduct to rebel against machine rule? What primary mobilization tactics have black citizens used during the different periods of their political development? Why do blacks mobilize more quickly in some cities? In cities with large and predominantly black populations, what elements prevent black candidates from winning citywide races? What constraints do newly elected black mayors face? What benefits do black citizens gain from their representation? After a predominantly black governing coalition is elected, what obstacles remain? Can black citizens translate proportional representation into strong political incorporation? How much power can African Americans realistically expect to gain in cities? This book is the most comprehensive case study of the city's political scene written to date. The text primarily shows that white racism is not the only obstacle to black political development. Black citizens can have population majorities but lose elections for other reasons. Their ability to win elections and gain full incorporation depends heavily on whether they minimize internal conflict and establish coalitions with middle class citizens and the business establishment.

**Crusades for Freedom** G. Wayne Dowdy, 2010-02-09 During the first half of the twentieth century, the city of Memphis was governed by the Shelby County Democratic Party controlled by Edward Hull Crump, described by *Time* magazine as the most absolute political boss in the US. *Crusades for Freedom* chronicles the demise of the Crump political machine and the corresponding rise to power of the South's two minorities: African Americans and Republicans. Between the years 1948 and 1968, Memphis emerged as a battleground in the struggle to create a strong two-party South. For the first time in its history, both Republican and Democratic presidential candidates campaigned vigorously for the Bluff City's votes. Closely tied to these changing political fortunes was the struggle of African Americans to overturn two centuries of discrimination. At the same time, many believed that the city needed a more modern political structure to meet the challenges of the 1950s and 1960s, preferably a mayor-city council governmental structure. By 1968, the segregated social order had collapsed. Black politicians were firmly entrenched within the Democratic Party; southern whites had swelled the ranks of the GOP, and Memphis had adopted a new city charter.

*The Expanding Boundaries of Black Politics* Georgia A. Persons, 2017-09-04 This volume joins the preceding volumes in this distinguished series in presenting contemporary research by leading political scientists addressing topics of interest to

those concerned with African American affairs It captures the expanding boundaries of black politics and the persistent interests of the black community at large The anchoring symposium The Expanding Boundaries of Black Politics presents the scholarship of a cadre of young black political scientists actively engaged in the critical tasks of moving forward the study of black politics Their concerns include expanding the boundaries of black politics along the lines of epistemology and methodology especially in regard to core issues and areas within this field In an introductory essay by Todd Shaw the work of these scholars is situated within the context of temporal shifts in scholarly emphases Overlapping issues and concerns across time as well as black political scholarship as defined in the field since its beginning are addressed The second part of this volume entitled Maximizing the Black Vote Recognizing the Limits of Electoral Politics concentrates on serious lingering social concerns These include the policy significance of black mayors affecting the concomitant impact of the black vote the boundaries being pushed concerning the conjunction of black theology and sexual identity a gendered analysis of familial policies and the deepening social and economic plight of young black males including felon disfranchisement The Expanding Boundaries of Black Politics carries forth the search for an understanding of the relationship between religion the black church and black political behavior cross racial group coalitions as concerns matters of immigration growing multiculturalism and the impact on black politics maximizing the impact of the black vote focusing on voting rights enforcement the black vote in presidential elections and the voice of the Congressional Black Caucus

**Saints in the Struggle** Jonathan Chism, 2019-01-14 Mason Temple the headquarters of the Church of God in Christ COGIC looms large in the history of the Civil Rights Movement because of its connection to the late Reverend Dr Martin Luther King Jr who delivered his last sermon there during the Sanitation Workers Strike on April 3 1968 This book highlights the unsung contributions local activists from the COGIC made to the historic strike and to the broader civil rights struggle in Memphis It troubles the rigid otherworldly versus this worldly binary that has inaccurately framed black religious activism and bolstered the view that saints theology influenced their detachment from the civil rights struggle It explores the Memphis Movement from the angle of activist saints and describes their involvements in civil rights organizations such as the Ministers and Citizens League the Memphis Branch of the NAACP and the Community on the Move for Equality Ultimately analysis of Memphis saints activism reveals local grassroots activists vigorous commitment to working to galvanize and mobilize black pastors and churches to work collaboratively to advance the freedom struggle including through coordinating voter registration drives aiding desegregation efforts and assisting sanitation workers in their struggle for economic justice This work provides a historical blueprint and a source of inspiration for fostering collective activism among denominationally diverse black churches in the 21st century

**Race, Crime, and Policing in the Jim Crow South** Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array

of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement s use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their encounters with law enforcement Brandon T Jett s *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement s seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States Robert R. Church Jr. and the African American Political Struggle Darius J. Young, 2022-04-12 Southern Conference on African American Studies Inc C Calvin Smith Book Award This volume highlights the little known story of Robert R Church Jr the most prominent black Republican of the 1920s and 1930s Tracing Church s lifelong crusade to make race an important part of the national political conversation Darius Young reveals how Church was critical to the formative years of the civil rights struggle A member of the black elite in Memphis Tennessee Church was a banker political mobilizer and civil rights advocate who worked to create opportunities for the black community despite the notorious Democrat E H Boss Crump s hold over Memphis politics Spurred by the belief that the vote was the most pragmatic path to full citizenship in the United States Church founded the Lincoln League of America which advocated for the interests of black voters in over thirty states He was instrumental in establishing the NAACP throughout the South as it investigated various incidents of racial violence in the Mississippi Delta At the height of his influence Church served as an advisor for Presidents Harding and Coolidge generating greater participation of and recognition for African Americans in the Republican Party Church s life and career offer a window into the incremental behind the scenes victories of black voters and leaders during the Jim Crow era that set the foundation for the more nationally visible civil rights movement to follow Publication of the paperback edition made possible

by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

**The Memphis Red Sox** Keith B. Wood, 2024-06-05 This book examines Memphis's symbolic meaning and value as a Negro leagues baseball city during Jim Crow. It locates the main intersections between black professional baseball and the South in the four decades that spanned the modern Negro leagues era and analyzes the racial dynamics in the city through the lens of the Memphis Red Sox, a black owned and operated organization that stood as a pillar of success. Baseball also provides a way to examine the racial inequalities and issues that pervaded the city in those years. A black owned stadium served as a forum for political assertion and an arena for real political struggle for blacks in Memphis. *Politics in the New South* Charles E. Menifield, Stephen D. Shaffer, 2012-02-01 Winner of the 2006 V O Key Award presented by the Southern Political Science Association. This authoritative study of contemporary state legislatures in the South provides a fascinating account of how African Americans have achieved noticeable political power since the Voting Rights Act was passed in 1965. A history of racial discrimination and one party Democratic dominance is being supplanted by African American empowerment in a competitive two party system. Contributors examine the evolution of the Black Caucus, the growing number of African American lawmakers and the rise of black legislators to important leadership positions in the legislatures of each of the southern states. Roll call data on key votes from several legislative sessions in Arkansas, Florida, Georgia, Mississippi and Texas are analyzed. *You Must Be from the North* Kimberly K. Little, 2009-10-20 *You must be from the North* was a common derogatory reaction to the activities of white women throughout the South, well meaning wives and mothers who joined together to improve schools or local sanitation but found their efforts decried as more troublesome civil rights agitation. *You Must Be from the North* Southern White Women in the Memphis Civil Rights Movement focuses on a generation of white women in Memphis, Tennessee, born between the two World Wars and typically omitted from the history of the civil rights movement. The women for the most part did not jeopardize their lives by participating alongside black activists in sit ins and freedom rides. Instead they began their journey into civil rights activism as a result of their commitment to traditional female roles through such organizations as the Junior League. What originated as a way to do charitable work however evolved into more substantive political action. While involvement with groups devoted to feeding school children and expanding Bible study sessions seemed benign, these white women's growing awareness of racial disparities in Memphis and elsewhere caused them to question the South's hierarchies in ways many of their peers did not. Ultimately they found themselves challenging segregation more directly, found themselves ostracized as a result and discovered they were often distrusted by a justifiably suspicious black community. Their newly discovered commitment to civil rights contributed to the success of the city's sanitation workers strike of 1968. Dr. Martin Luther King Jr.'s death during the strike resonated so deeply that for many of these women it became a defining moment. In the long term these women proved to be a persistent and progressive influence upon the attitudes of the white population of Memphis and particularly on the city's elite. *Race and Ethnicity in*

*Comparative Perspective* Georgia A. Persons, 2018-04-24 Contradictory forces are at play at the close of the twentieth century There is a growing closeness of peoples fueled by old and new technologies of modern aviation digital based communications new patterns of trade and commerce and growing affluence of significant portions of the world s population Television permits individuals around the world to learn about the cultures and lifestyles of peoples of physically distant lands These developments give real meaning to the notion of a global village Peoples of the world are growing closer in new and increasingly important ways Nonetheless there are disturbing signs of a growing awareness of ethnic differences in all parts of the world the United States included and a concomitant rise in ethnic based conflicts many of them extraordinarily violent in nature Fear resentment intolerance and mistreatment of the other abound in world news accounts Not only does this phenomenon pose an interesting juxtaposition to the concept of the emergent global village but its emergence in the post cold war era internationally and the post civil rights era in the United States raises significant and compelling questions Why are such conflicts occurring now How do analysts explain these developments The essays in *Race and Ethnicity in Comparative Perspective* lucidly explore some of the complexities of the persistence and re emergence of race and ethnicity as major lines of divisiveness around the world Contributors analyze manifestations of race based movements for political empowerment in Europe and Latin America as well as racial intolerance in these same settings Attention is also given to the conceptual complexities of multidimensional and shared cultural roots of the overlapping phenomena of ethnicity nationalism identity and ideology The book greatly informs discussions of race and ethnicity in the international context and provides an interesting perspective against which to view America s changing problem of race *Race and Ethnicity in Comparative Perspective* is a timely thought provoking volume that will be of immense value to ethnic studies specialists African American studies scholars political scientists historians and sociologists

*Beyond Racial Capitalism* Caroline Shenaz Hossein, Sharon D. Wright Austin, Kevin Edmonds, 2023 Knowledge making in the field of alternative economies has limited the inclusion of Black and racialized people s experience In *Beyond Racial Capitalism* the goal is close that gap in development through a detailed analysis of cases in about a dozen countries where Black people live and turn to co operatives to manage systemic exclusion Most cases focus on how people use group methodology for social finance However financing is not the sole objective for many of the Black people who engage in collective business forms it is about the collective and the making of a Black social economy Systemic racism and anti Black exclusion create an environment where pooling resources in kind and money becomes a way to cope and to resist an oppressive system This book examines co operatives in the context of racial capitalism a concept of political scientist Cedric J Robinson s that has meaning for the African diaspora who must navigate often secretly and in groups the landmines in business and society Understanding business exclusion in the various cases enables appreciation of the civic contributions carried out by excluded racial minorities These social innovations by Black people living outside of Africa who build co operative economies go largely

unnoticed If they are noted they are demoted to an informal activity and rationalized as having limited potential to bring about social change The sheer determination of Black diaspora people to organize and build co operatives that are explicitly anti racist and rooted in mutual aid and the collective is an important lesson in making business ethical and inclusive     **The Postmodern Presidency** Steven E. Schier,2012-02-15 Choice Outstanding Academic Book As America s first truly postmodern president Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics Clinton will forever be remembered as the first elected president to be impeached but will his tarnished legacy have lasting effects on America s political system Including the conflict in Kosovo the World Trade Organization meeting in Seattle and new developments in the 2000 presidential campaign The Postmodern Presidency is the most comprehensive and current assessment of Bill Clinton s presidency available in print The Postmodern Presidency examines Clinton s role in redefining the institution of the presidency and his affect on future presidents economic and foreign policies The contributors highlight the president s unprecedented courtship of public opinion how polls affected policy how the president gained celebrity status how Clinton s postmodern style of public presidency helped him survive the 1994 elections and impeachment and how all of this might impact future presidents This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress with long term implications and costs to both Republicans and his own Democratic party while analyzing Clinton s effect on the 1990s culture wars the politics and importance of gender and the politics and policy of race This text is a must for anyone who studies teaches or has an interest in the American presidency and politics     *Black Politics in Transition* Candis Watts Smith,Christina Greer,2018-10-17 Black Politics in Transition considers the impact of three transformative forces immigration suburbanization and gentrification on Black politics today Demographic changes resulting from immigration and ethnic blending are dramatically affecting the character and identity of Black populations throughout the US Black Americans are becoming more ethnically diverse at the same time that they are sharing space with newcomers from near and far In addition the movement of Black populations out of the cities to which they migrated a generation ago a reverse migration to the American South in some cases and in other cases a movement from cities to suburbs shifts the locus of Black politics At the same time middle class and white populations are returning to cities displacing low income Blacks and immigrants alike in a renewal of gentrification All this makes for an important laboratory of discovery among social scientists including the diverse range of authors represented here Drawing on a wide array of disciplinary perspectives and methodological strategies original chapters analyze the geography of opportunity for Black Americans and Black politics in accessible jargon free language Moving beyond the Black white binary this book explores the tri part relationship among Blacks whites and Latinos as well Some of the most important developments in Black politics are happening at state and local levels today and this book captures that for students scholars and citizens engaged in this dynamic milieu     *Grassroots and Coalitions* Michael Mitchell,2017-07-12 The main focus of

this volume is an exploration of the patterns of competition for political power at the state and local levels in American politics This volume looks at institutionalized patterns of black political power as they have evolved in the aftermath of the civil rights movement in the 1960s The editors argue that enough time has elapsed to warrant a new look at the circumstances in which black politics in America has played out Chapters include an examination of the ability of black candidates to win statewide elections with crucial white support an analysis of the impact of local political organizations in enhancing the chances of black candidates in winning local races a look at the messages of black pastors regarding solidarity with the Latino community and an investigation of the extent of the differences in the political participatory styles of poor blacks and poor whites The editors note that changes have taken place as black American politics has confronted new complexities A works in progress section explains how theories of racial violence can be used to analyze racial incidents in the United States Other essays include reflections on blacks in Brazil and in urban American politics

**Losing Power** Sekou M. Franklin, Ray Block (Jr.), 2020 THE DEEP ROOTS OF POLARIZATION IN TENNESSEE Race and Polarization Black Politics in Tennessee from the Antebellum Period to the Twenty First Century REALIGNMENT OF PARTISAN POLITICS IN TENNESSEE Race Electoral Realignment and Polarization The Legislative Behavior of Tennessee s Black Lawmakers RACE AND POLARIZATION IN RECENT TENNESSEE POLITICS THE ISSUES The Racial Politics of Tax and Spending Policies The Rise and Fall of TennCare Immigration and the New Tennesseans Controversies and Conflicts over Sentencing Policies and the Death Penalty

**Political Black Girl Magic** Sharon D. Wright Austin, Pearl K. Dowe, 2023-06-02 Examines the experiences of Black female mayors in the contexts of their campaigns and of their governance seeking to understand how race gender or the combination of both have affected them and to identify the most significant obstacles Black women have faced as mayors and mayoral candidates

**Places of Faith** Christopher P. Scheitle, Roger Finke, 2012-02-23 Places of Faith will offer an introduction to America s astounding religious diversity by taking readers on a cross country religious road trip Christopher Scheitle and Roger Finke have crisscrossed the country visiting churches in small towns and rural areas as well as the mega churches storefronts synagogues Islamic centers Eastern temples and other places of faith in major cities Each stop on their tour provides an opportunity to introduce a particular current of American religion

**Campaign Mode** Michael John Burton, Daniel M. Shea, 2003 The pressures of contemporary electioneering force political professionals into campaign mode a state of mind that merges a visceral drive to win elections with a deep seated habit of strategic thinking Wise political professionals know the basic rules of electoral strategy and how to read the political terrain Campaign Mode examines the strategic histories of five successful congressional candidates Ohio s Ted Strickland Georgia s Bob Barr California s Loretta Sanchez Tennessee s Harold Ford Jr and Pennsylvania s Rick Santorum The authors both of whom have advised major political figures combine original interviews survey data historical investigation and first hand observation of the candidates to reveal the inner workings of electoral politics They demonstrate that campaigns do matter and show

readers how to think like political professionals      The Transformation of Plantation Politics Sharon D. Wright Austin, 2012-02-16 The Transformation of Plantation Politics explores the effects of black political exclusion the sharecropping system and white resistance on the Mississippi Delta's current economic and political situation Sharon D Wright Austin's extensive interviews with residents of the region shed light on the transformations and legacies of the Delta's political and economic institutions While African Americans now hold most of the major political offices in the region and are no longer formally excluded from political participation educational opportunities or lucrative jobs Wright Austin shows that white wealth and black poverty continue to be the norm partly because of the deeply entrenched legacies of the Delta's history Contributing to a greater theoretical understanding of black political efforts this book demonstrates a need for a strong level of black social capital intergroup capital financial capital political capital and a human capital of educated and skilled workers

### **Race Power Political Emergence In Memp Introduction**

In today's digital age, the availability of Race Power Political Emergence In Memp books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Race Power Political Emergence In Memp books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Race Power Political Emergence In Memp books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Race Power Political Emergence In Memp versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Race Power Political Emergence In Memp books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Race Power Political Emergence In Memp books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Race Power Political Emergence In Memp books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries

often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Race Power Political Emergence In Memp books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Race Power Political Emergence In Memp books and manuals for download and embark on your journey of knowledge?

### **FAQs About Race Power Political Emergence In Memp Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Race Power Political Emergence In Memp is one of the best book in our library for free trial. We provide copy of Race Power Political Emergence In Memp in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Race Power Political Emergence In Memp. Where to download Race Power Political Emergence In Memp online for free? Are you looking for Race Power Political Emergence In Memp PDF? This is definitely going to save you time and cash in something you should think about.
