Does the Earth Care? Mick Smith,Jason Young,2022-04-12 Rethinking our relationship with Earth in a time of environmental emergency The world is changing Progress no longer has a future but any earlier sense of Earth as providential seems of merely historical interest The apparent absence of Earthly solicitude is a symptom and consequence of these successive Western modes of engagement with the Earth now exemplified in global capitalism Within these constructs Earth can only appear as constitutively indifferent to the fate of all its inhabitants The provisional ecology outlined in Does the Earth Care drawing on a variety of literary and philosophical sources from Richard Jefferies and Robert Macfarlane to Martin Heidegger and Gaia theory fundamentally challenges that assumption while offering an Earthly alternative to either cold realism or alienated despair in the face of impending ecological disaster Forerunners is a thought in process series of breakthrough digital works Written between fresh ideas and finished books Forerunners draws on scholarly work initiated in notable blogs social media conference plenaries journal articles and the synergy of academic exchange This is gray literature publishing where intense thinking change and speculation take place in scholarship

The Earth Keeper's Handbook Loren Swift,2019-11-06 In The Earth Keeper s Handbook you ll find stories inspiration and experiential exercises to help you do the inner work to come in to true connection with yourself and your heart so that you can then do the outer work that this planet so sorely needs It will show you how you can begin to more fully trust your place in the cosmos so that you can step in to greater connection

and collaboration with other human beings with focus and purpose This is truly a handbook you ll come back to again and again along your journey whether to deepen your own spiritual practice to navigate the inevitable tension and conflict that will arise in collaboration with others or to ground back in to unity with the earth You ll enjoy how Loren weaves the personal the spiritual and the intellectual perspectives that she has gleaned from a lifetime of exploring connection to self others the earth and the divine

Care for Creation Ilia Delio, Keith Douglass Warner, Pamela Wood, 2020-03-04 If we are blowing our Franciscan horn here it should have been blown much earlier and much louder This is the wisdom that our world so desires and needs today We can no longer see ourselves as separate from the great chain of being and we can no longer see this as a non religious issue Francis intuited all of this 800 years ago Father Richard Rohr O F M Center for Action and Contemplation Albuquerque New Mexico Three of the greatest minds in Franciscan theology Ilia Delio O S F Franciscan Keith Douglass Warner O F M and Pamela Wood come together to discuss one of the greatest crises of our time the destruction of the Earth This book takes both a theological and practical approach to developing a Franciscan spirituality of the earth Four sections highlight the distinct relationships creation has with the world incarnation community contemplation and conversion In this meticulously researched book the authors propose ways in which we can all understand our own roles in relationship to the Earth and ways in which we can make it better Each section offers reflective action opportunities designed to bring the book s ecological and theological insights into the reader s daily life and nurture a Franciscan spirituality of the earth Prayers meditations spiritual practices and group activities are offered which provide a practical hands on approach to reconnecting with the earth and acting in right relationship Earth with all its creatures is in crisis And responding to this crisis will require every possible resource of our human community One of the most precious of these resources is the Franciscan tradition It is a joy to welcome this book as a wise thoughtful inspiring and practical contribution to ecological theology grounded in ancient Christian tradition that sees Earth as our sister and mother Care for Creation is part of a wider retrieval of Franciscan theology for our new time but is unique in this blend of three interrelated disciplines scientifically informed ecology theology and the practice of reflective action From the Foreword by Denis Edwards John Muir Corinne J.
