We Don't Need Permission
Eric Collins, 2022-09-01. Highly Commended for the Diversity Inclusion and Equality Award at the Business Book Awards. A powerful 10-step guide to transformative entrepreneurship for underrepresented people from Eric Collins, host of the award-winning Channel 4 reality business show *The Money Maker*. Eric Collins is one of the most powerful business people in Britain. *The Times* _____

Step 1 Embrace the unexpected
Step 2 Engage in consistent and continuous acts of disruption
Step 3 Let go of small, think bigger, think global, and prepare for pitfalls
Step 4 Take risks using data to mitigate the downside
Step 5 Put your money where your mouth is, make your resources matter
Step 6 Leverage what you know
Step 7 Become a convener by making your mission bigger than yourself
Step 8 Invest in women to create Alpha
Step 9 Sell your vision, make time appropriate asks, and don't forget to recruit allies
Step 10 Always bet on Black _____

At a time when half of Black households in the UK live in persistent poverty, over twice as many as their white counterparts, *We Don't Need Permission* argues that investing in Black and underrepresented entrepreneurs in order to create successful businesses is the surest, fastest socio-economic game changer there is. Long-lasting economic empowerment, from education to health outcomes, is key to solving the multiple problems that result from systemic racism and sexism. And it is the best way to close the inequality gaps that have hampered and continue to hinder Black people and all women too. To address this problem head on, Eric Collins co-founded venture capital firm Impact X Capital to invest in underrepresented entrepreneurs in the UK and Europe. In *We Don't Need Permission*, Collins identifies ten key principles of successful entrepreneurship and reveals how it's possible to change a system that has helped some while holding others back. The book not only aims to inspire and motivate underrepresented people to take their future and economic destiny into their own hands, but will demand of current business leaders and organizations that they do business better. It's time to stop waiting for someone else to give permission and start boldly making the world we want to see. _____
