Racing Game Volume 2:

The Ultimate History of Video Games, Volume 2 Steven L. Kent, 2021-08-24 The definitive behind the scenes history of video games explosion into the twenty first century and the war for industry power A zippy read through a truly deep research job You won't want to put this one down Eddie Adlum publisher RePlay Magazine As video games evolve only the fittest companies survive Making a blockbuster once cost millions of dollars now it can cost hundreds of millions but with a 160 billion market worldwide the biggest players are willing to bet the bank Steven L Kent has been playing video games since Pong and writing about the industry since the Nintendo Entertainment System In volume 1 of The Ultimate History of Video Games he chronicled the industry's first thirty years In volume 2 he narrates gaming's entrance into the twenty first century as Nintendo Sega Sony and Microsoft battle to capture the global market The home console boom of the 90s turned hobby companies like Nintendo and Sega into Hollywood studio sized business titans But by the end of the decade they would face new more powerful competitors In boardrooms on both sides of the Pacific engineers and executives began with enormous budgets and total secrecy to plan the next evolution of home consoles The PlayStation 2 Nintendo GameCube and Sega Dreamcast all made radically different bets on what gamers would want And then to the shock of the world Bill Gates announced the development of the one console to beat them all even if Microsoft had to burn a few billion dollars to do it In this book you will learn about the cutthroat environment at Microsoft as rival teams created console systems the day the head of Sega of America told the creator of Sonic the Hedgehog to f k off how lateral thinking with withered technology put Nintendo back on top and much more Gripping and comprehensive The Ultimate History of Video Games Volume 2 explores the origins of modern consoles and of the franchises from Grand Theft Auto and Halo to Call of Duty and Guitar Hero that would define gaming in the new millennium

Playing at the World, 2E, Volume 2 Jon Peterson, 2025-04-08 The second volume of two in a new updated edition of the 2012 book Playing at the World which charts the vast and complex history of role playing games This new edition of Playing at the World is the second of two volumes that update the 720 page original tome of the same name from 2012 This second volume is The Three Pillars of Role Playing Games a deep dive into the history of the setting system and characters of Dungeons Dragons the three pillars indicated by the volume's title The first volume of the new edition is The Invention of Dungeons Dragons which explores the publication and reception of that iconic game In this second volume Jon Peterson covers the medieval fantasy setting the first pillar and addresses why the first role playing game evolved around fantasy and medieval settings as opposed to some other historical setting In the second pillar the author explores how the rules of wargames from their roots in chess variants from eighteenth century Germany developed into those of role playing games Finally the third pillar focuses on character perhaps the most elusive of the three pillars and investigates how precedents governed the introduction of characters to games more so than the original D D rule books Filled with unparalleled archival research from obscure fanzines to letters drafts and other ephemera this new edition of
