Rationalizing Parliament

Thomas F. Remington

Rationalizing Parliament:

Rationalizing Parliament John D. Huber, 1996-08-28 Rationalizing Parliament examines how institutional arrangements in the French Constitution shape the bargaining strategies of political parties Professor Huber investigates the decision by French elites to include in the Constitution legislative procedures intended to rationalize the policy making role of parliament and analyzes the impact of these procedures on policy outcomes cabinet stability and political accountability Through its use of theories developed in the American politics literature the study reveals important similarities between legislative politics in the United States and in parliamentary systems and the shortcomings in conventional interpretations of French

institutional arrangements **Cohesion and Discipline in Legislatures** Reuven Y. Hazan, 2006 This book previously published as a special issue of the Journal of Legislative Studies asks why legislative unity is one of the distinguishing features of modern political parties **Executive Leadership and Legislative Assemblies** Nicholas D. J.

Baldwin, 2014-01-02 The relationship between a head of government head of the executive branch and a nation's parliament or legislative assembly the legislative branch has long been the focus for comment and analysis for example has the prime minister in the United Kingdom come to a position of dominance at the expense of the power of parliament Does the American president stand head and shoulders above Congress Is a French president master of the system Need the Russian president pay attention to the Duma What of the position in other parliamentary and presidential systems In this book Baldwin seeks to provide answers and does so by drawing upon the knowledge and expertise of an international group of scholars whose essays advance our knowledge of the subject This book was previously published as a special issue of the Journal of Legislative Studies *Patterns of Parliamentary Behavior* Herbert Döring, 2017-03-02 This volume begins where

the first Döring book of 1995 finished by considering what effects the rules had on legislative output during the same period It addresses four distinct yet complementary research topics the connection between a number of veto players and law production in West European parliamentary democracies the impact of closed versus open rules the effects of committee structure and organization on the degree of conflict or consensus on the procedure of passing legislation the importance of agenda setting and agenda control for the prevention of cycling across issues and the distribution of particular benefits of shifting and transient majorities Fundamental to this volume is the ability of the project group to fashion an original data set As a consequence this volume is able to ascertain the extent to which parliamentary procedures contributed to shaping policy output in this field during the 1980s **The Equilibrium of Parliamentary Law-making** Viktor Kazai, 2024-08-01 This

book is a response to the dangers posed to constitutional democracy by the continuous growth of executive power and the simultaneous decline of parliaments role in policy formation These phenomena are often manifested in the manipulation and even the violation of the rules of parliamentary law making called irregularities If left without consequences these irregularities can ultimately lead to the elimination of the procedural constraints imposed on the ruling political forces to

prevent their arbitrary exercise of power This work investigates the constitutional significance of the irregularities of parliamentary law making and explores the role that courts play in the remedy of these flaws The analysis is premised on the concept of equilibrium This explanatory concept denotes an ideal state in which parliamentary law making complies with the requirements of constitutionalism and judicial review is conceptualized as a mechanism suitable to achieve this aim The volume places the judicial review of the regulation and the practice of parliamentary law making at its center and discusses all the relevant legal concepts institutions and doctrines It combines theoretical analysis with case law centered comparative research covering a large number of decisions delivered by apex courts operating in various jurisdictions Due to this methodological choice the book aims to simultaneously contribute to the scholarly discourse and provide useful information to practicing lawyers and policymakers working in the areas of constitutional law and politics and comparative law

Parliaments in Time Michael Koß, 2018-11-15 Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterized by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecpr.net eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow John and Rebecca Moores Professor of Political Science University of Houston How can we explain the evolution of legislatures in Western Europe This book analyses ninety procedural reforms which restructured control over the plenary agenda and committee power in Britain France Sweden and Germany between 1866 and 2015 Legislatures evolve towards one of two procedural ideal types talking where governments control the agenda or working legislatures with powerful committees All else being equal legislators demand for mega seats on legislative committees triggers the evolution of working legislatures If however legislators fail to centralize agenda control in response to anti system obstruction legislative procedures break down Rather than a decline of legislatures talking legislatures accordingly indicate the resilience of legislative democracy In conclusion the book shows the causal nexus between procedural reforms and legislative democracy *Parliaments and Coalitions* Lanny W. Martin, Georg

Vanberg, 2011-07-28 Argues that in coalition governments the norm in most parliamentary democracies strong legislative institutions play a critical role in allowing parties to deal with the electoral competition and the necessity of delegating authority to ministers affiliated with specific parties which threaten compromise agreements **Handbook of**

Parliamentary Studies Cyril Benoît, Olivier Rozenberg, 2020-11-27 This comprehensive Handbook takes a multidisciplinary approach to the study of parliaments offering novel insights into the key aspects of legislatures legislative institutions and legislative politics Connecting rich and diverse fields of inquiry it illuminates how the study of parliaments has shaped a wider understanding surrounding politics and society over the past decades **The Russian Parliament** Thomas F.

Remington, 2008-10-01 From the first free elections in post Soviet Russia in 1989 to the end of the Yeltsin period in 1999 Russia's parliament was the site of great political upheavals. Conflicts between communists and reformers generated constant turmoil and twice parliamentary institutions broke down in violence. This book offers the first full account of the inaugural decade of Russia's parliament. Thomas F. Remington, a leading scholar of Russian politics, describes in unique detail the Gorbachev era parliament of 1989-91, the interim parliament of 1990-93, and the current Federal Assembly. Focusing particularly on the emergence of parliamentary parties and bicameralism, Remington explores how the organization of the Russian parliament changed, why some changes failed while others were accepted, and why the current parliament is more effective and viable than its predecessors. He links the story of parliamentary evolution in Russia to contemporary theories of institutional development and concludes that notwithstanding the turbulence of Russia's first postcommunist decade, parliament has served as a stabilizing influence in Russian political life. *Parliamentary Representation in France* Olivier Costa, 2017-07-05 Despite real improvements since the beginning of the last decade, legislative studies are still underdeveloped in France compared to other modern democracies. This weakness is linked to the characteristics of the political system itself: the Constitution of 1958 has created a semi-presidential regime, the centrality of which has been constantly reinforced since. The French parliament is thus supposed to be extremely feeble. This lack of interest for legislative studies is also to be found in the specificities of French political sociology, which pays little attention to institutions. As a result, very few papers and books deal with French chambers and MPs. Yet they are fascinating cases of study for scholars interested in parliamentary representation, professionalization of political life, and French politics. The French parliament and MPs are deeply paradoxical. MPs are very attached to the concept of national sovereignty but remain involved at local level and in surgery work. The French National Assembly is supposed to be weak but is quite active and influential; citizens are more aware of the role of MPs than it seems, and their views and values are closer than predicted. This book gathers seven papers from the LEGIPAR research project (2008-2012). The project was designed by the contributors to rejuvenate French legislative studies by collecting systematic data on MPs' socio-biographical profiles and activities, conducting face-to-face interviews, gathering exhaustive data on National Assembly activity, and organising focus groups to analyse citizens' perceptions of their MPs. This book was originally published as a special issue of the *Journal of Legislative Studies*.

This Engaging World of E-book Books: A Comprehensive Guide Unveiling the Pros of Kindle Books: A World of Convenience and Versatility E-book books, with their inherent portability and ease of availability, have freed readers from the limitations of physical books. Rationalizing Parliament Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rationalizing Parliament has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rationalizing Parliament has opened up a world of possibilities. Downloading Rationalizing Parliament provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rationalizing Parliament has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rationalizing Parliament. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rationalizing Parliament. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rationalizing Parliament, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rationalizing Parliament has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rationalizing Parliament Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.
