Ravished Bride:

Keats Dorothy Bendon Van Ghent, 2014-07-14 Focusing in a new and thoroughgoing way on Keats's widely discussed interest in Greek myth Professor Van Ghent finds the underlying coherence in both his poetry and his letters to be archetypes of the hero and his double pervasive myths of creation and generation reflected in his poetics of desire Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Fritiof's Saga Esaias Tegnér, 1924 **The Iron Maiden** Piers

Anthony, 2014-07-01 From a New York Times bestselling author The revealing final book in this sci fi epic tracks the rise and fall of Jupiter's tyrant from the perspective of his sister The final installment of the Bio of a Space Tyrant series covers the same period as the first five books but with a twist The Iron Maiden is told from the point of view of Hope's sister Spirit This book fills in the gaps when the two siblings were apart and perfectly wraps up this scintillating series P. Vergili Maronis Opera: Notes Virgil, Arthur Sidgwick, 1890 The text of this edition as of the former edition published by the Clarendon Press in 1882 is based upon that of Ribbeck with certain modifications particularly in matters of orthography It has already been issued in five parts with an abridgement of Mr Papillon's original introduction prefixed to each part but for the present complete edition the introduction in its fuller form has been retained after due revision The commentary has been revised throughout by both editors with the view of making it more generally useful to students of the Universities and in the higher forms of schools Preface

Hostage of the Word John Schad, 2013 Brings together a number of John Schad's very best essays interleaved with a selection of autobiographical poems and a work that brings together both critical and creative modes of writing *The Signifying Eye* Candace Waid, 2013-07-01 A bold book built of close readings striking in its range and depth The Signifying Eye shows Faulkner's art take shape in sweeping arcs of social labor and aesthetic history Beginning with long unpublished works his childhood sketches and his hand drawn and hand illustrated play The Marionettes and early novels Mosquitoes and Sartoris working through many major works The Sound and the Fury As I Lay Dying Sanctuary Light in August and Absalom Absalom and including more popular fictions The Wild Palms and The Unvanquished and late novels notably Intruder in the Dust and The Town The Signifying Eye reveals Faulkner's visual obsessions with artistic creation as his work is read next to Wharton Cather Toomer and in a tour de force intervention Willem de Kooning After coloring in southern literature as a reverse slave narrative Waid's Eye locates Faulkner's fiction as the feminist hinge in a crucial parable of art that seeks abstraction through the burial of the race defined mother Race is seen through gender and sexuality while social fall is exposed in Waid's phrase as a coloring of class Locating visual language that constitutes a

pictorial vocabulary The Signifying Eye delights in literacy as the oral meets the written and the abstract opens as a site to see narrative Steeped in history this book locates a heightened reality that goes beyond representation to bring Faulkner's novels stories and drawings into visible form through Whistler Beardsley Gorky and de Kooning Visionary and revisionist Waid has painted the proverbial big picture changing the fundamental way that both the making of modernism and the avant garde will be seen A Friends Fund publication *Theater East and West* Leonard C. Pronko, 2023-11-10 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1967 *Love's Body, Reissue of 1966 Edition* Norman O. Brown, 1990-09-12 Originally published in 1966 and now recognized as a classic Norman O Brown's meditation on the condition of humanity and its long fall from the grace of a natural instinctual innocence is available once more for a new generation of readers Love's Body is a continuation of the explorations begun in Brown's famous *Life Against Death* Rounding out the trilogy is Brown's brilliant *Apocalypse and or Metamorphosis* Romanticism and the Androgynous Sublime Warren Stevenson, 1996 This book studies and articulates the emergence from the poetical subtext of six major English romantics of the androgynous sublime a mode that conflates the motif of psychic androgyny traceable as far back as the Book of Genesis and Plato's Symposium with the mode of sublimity first discussed by Longinus and much debated from the eighteenth century onward Frequently echoed by the romantic poets Milton's description of the Holy Spirit's role in the creation of the world is androgynous Since humane creativity mirrors divine creativity it follows that the artist qua artist must also be androgynous that is endowed with what Lyrical Ballads calls a more comprehensive soul than is supposed to be common among mankind Characterized by a flexuous limber style and an association with androgynous subject matter the androgynous sublime subverts conventional notions of sublimity while offering a more comprehensive model with which to supplement or non supplant them The methodology of this study is to present a counter deconstructive reading of the text and where applicable designs of Blake as well as the poetry of Wordsworth Coleridge Byron Shelley and Keats seen from this somewhat novel but not ignoble perspective P. Vergili Maronis opera, with intr. and Engl. notes by A. Sidgwick Virgil, 1890
