Rawhide Texas:

Rawhide Texas Wayne Gard, 2015-07 What makes a Texan tick The answer can be found not in military and political histories but in the social history of the people of Texas the story of their long heroic battle to conquer challenging conditions as America's frontier pushed westward Pioneer settlers grappled with summer droughts and winter blizzards often fighting for their lives against Comanche Indians or wild animals Unknown diseases killed the livestock Prairie fires destroyed fields and pastures and clouds of grasshoppers devoured crops To beat these odds early settlers had to be as tough as the rawhide they braided into quirts or lariats for only the strong survived All Texans shared in the hard life of the frontier Picture if you will a circuit riding preacher swimming his horse across swollen streams to conduct a camp meeting A doctor as he rides fifty miles or more through rough country to set a broken bone or deliver a baby or a schoolteacher risking her life to protect her pupils during an Indian raid Or a newspaper editor shot in the back for telling the painful truth These and many more were the people who built Texas Wayne Gard portrays them in informal sketches of pioneer life on the Texas frontier illuminating the still emerging Texas character What makes a Texan tick You'll find part of the answer in Rawhide Texas The Cattleman, 1954 **Heart's Home** Rose Houk, 1986 Illustrates how President Lyndon B Johnson's roots in the Texas Hill Country influenced his political ideals and aspirations His life story is interpreted at Lyndon B Johnson State and National Historical Parks The lively text is illustrated with rare historical photos Marvel Visionaries Martin Bursten, Joe Simon, Stan Lee, Jack Kirby, 2019-09-11 Collects Avengers 1963 4 Sgt Fury 6 Fantastic Four 1961 48 51 Captain America 1968 200 Eternals 1976 7 What If 1977 11 material from Red Raven Comics 1 Marvel Mystery Comics 13 Captain America Comics 1 Yellow Claw 3 Strange Tales 1951 94 Amazing Adventures 1961 1 Rawhide Kid 1955 17 Incredible Hulk 1962 3 Amazing Spider Man 1963 8 Fantastic Four Annual 5 Thor 1966 134 136 Amazing Adventures 1970 1 2 Celebrate the career of a true Marvel Visionary Comics premier storyteller for over 40 years Jack Kirby brought new vitality and imagination to the medium setting the standard for every artist to follow This volume collects some of Kirby's most monumental moments including his earliest Marvel work the debut of Captain America and the coming of Galactus From the mystic fantasy of the Golden Age Vision to the Western world of the Two Gun Kid Kirby's work spanned all genres and touched every corner of the Marvel Universe FCC Record United States. Federal Communications Commission, 2000 *Big Bend Country* Kenneth Baxter Ragsdale, 1998 Having first visited the Big Bend in 1928 Kenneth B Ragsdale has been digging around in and writing about the region for decades In *Big Bend Country Land of the Unexpected* he takes a nostalgic retrospective journey through the times and places of this increasingly popular corner of West Texas to say goodbye to those who made the history created the myths and lived the legends Building his stories around themes of compassion conflict and compromise he profiles both famous and relatively unknown figures He tells stories of curanderas healers charity workers a woman who practiced medicine without a license and another who started a private lending library in her store to encourage rural poor children to

read In contrast to these stories he chronicles blood feuds shootouts and the violence bred in wild relatively lawless spaces Ragsdale s stories cover a half century roughly 1900 to 1955 from wagon trains to the filming of an epic movie a time in which the face of the Big Bend changed the quicksilver mines closed a national park was established isolation and cattle gave way to vacation ranchettes and tourists Big Bend Country is a well done and useful work and should be welcomed by all lovers of that wonderful country Dallas Morning News If you ve never been to Big Bend Ken Ragsdale s new book will make you want to go there Austin American Statesman **Sam Houston** James L. Haley,2015-04-10 In the decades preceding the Civil War few figures in the United States were as influential or as controversial as Sam Houston In Sam Houston James L. Haley explores Houston s momentous career and the complex man behind it Haley s fifteen years of research and writing have produced possibly the most complete most personal and most readable Sam Houston biography ever written Drawn from personal papers never before available as well as the papers of others in Houston s circle this biography will delight anyone intrigued by Sam Houston Texas history Civil War history or America s tradition of rugged individualism **Duval County Tejanos** Alfredo E. Cardenas,2024-10-15 In Texas to hear the words Duval County evokes Archie and George Parr politics and corruption But this does not represent the full truth about this South Texas county and its Tejano citizens Duval County Tejanos accentuates the significance and meaning of place showcasing Tejanos as historical actors not bit players This cultural region comprises la familia las costumbres la fe cat lica y las comidas And we must not leave out la pol tica Tejanos were engaged in community life they organized politically cultivated land and promoted agriculture livestock raising the local economy churches schools patriotic celebrations and social activities Americano newcomers sought to start and develop a trade economy but Mexicanos wanted to make sure they held on to their land The Civil War stunted economic and governmental development but did not prevent the population growing in numbers and diversity including the arrival of Americanos in more significant numbers Still old time pioneers and newcomers joined hands to build a faith community develop schools improve transportation and bring commerce to serve their needs In 1876 Duval County citizens formally petitioned Nueces County for the opportunity to organize themselves When the railroad rolled into the county seat San Diego in 1879 their world changed forever During the last quarter of the nineteenth century the Duval County economy exhibited vitality and adaptability sheep and cattle raising and cotton farming anchored and sustained the local economy Moreover Texas land programs opened opportunities to previously landless Tejano farmers Duval County Tejanos continued to be alarmed as Americanos were cementing their political influence out of proportion to their numbers In the 1870s Tejanos pursued organized politics to attain fairness and acquire political power corresponding to their population In the twentieth century the political atmosphere intensified as Tejanos pushed forward their agenda of assuming their proper role consistent with their numbers Ultimately the Americano actors were replaced by new faces more willing to share in the power structure both politically and economically and Tejanos achieved political strength commensurate with their numbers The Midnight

Assassin Skip Hollandsworth, 2016-04-05 A New York Times bestseller *The Midnight Assassin* is a sweeping narrative history of a terrifying serial killer America's first who stalked Austin Texas in 1885 In the late 1800s the city of Austin Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis But beginning in December 1884 Austin was terrorized by someone equally as vicious and in some ways far more diabolical than London's infamous Jack the Ripper For almost exactly one year the Midnight Assassin crisscrossed the entire city striking on moonlit nights using axes knives and long steel rods to rip apart women from every race and class At the time the concept of a serial killer was unthinkable but the murders continued the killer became more brazen and the citizens panic reached a fever pitch Before it was all over at least a dozen men would be arrested in connection with the murders and the crimes would expose what a newspaper described as the most extensive and profound scandal ever known in Austin And yes when Jack the Ripper began his attacks in 1888 London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city With vivid historical detail and novelistic flair Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life
