Rawhider The Story Of Print Olive:

Rawhider Gene Shelton, 2021-06-05 Some people say the Civil War was to blame for making Print Olive into the man he became Others say he was just plain born mean When he returned to Texas he set out to become a rich rancher claiming unbranded cattle and land What he needed he took with a rope and branding iron and if he wanted another man s land he took it with a rifle handgun and hangman s knot When he faced trial for rustling and murders witnesses disappeared or had sudden lapses of memory Print Olive was a feared man not one to cross Eventually his methods forced him to leave Texas for Nebraska where he started another ranch It was in Nebraska that he made the biggest mistake of his violent career
