Reach For Charisma:

Reach for Charisma Sidney Vernon, 1983-06-01 *Charisma and Patronage* Andrew D. McCulloch, 2016-04-15 A detailed and richly illustrated analysis of charisma and the political and cultural conditions in which charismatic figures arise this work of historical sociology critically engages with Max Weber's ambiguous concept of charisma to examine the charismatic careers of a number of figures including Joan of Arc Hitler and Nelson Mandela as well as that of Jesus who the author contends in contradistinction to Max Weber was not a charismatic leader in spite of his portrayal in Christian theology Shedding light on the process of charismatic transformation as it occurs within intensely solidaristic groups and the importance of patronage in charismatic careers the book distinguishes between charismatic rule and charismatic leadership With close attention to the social and political legacy of charisma for modern capitalism it also examines the emergence of a global class of the super rich a process buttressed by a belief on the part of business leaders in their own charismatic powers A rigorous examination of the under researched political process of charisma the understanding of which remains as important in modern society as in history *Charisma and Patronage* will appeal to students and scholars across a range of disciplines including sociology history politics and social geography *Three Seasons of Charismatic Leadership* Tamas Czovek, 2008-04-01 This research is an investigation into the charismatic leadership of Saul David and Solomon Regarding methodology the study is a synchronic reading and is keen to demonstrate the theology explicit or implicit in the text This study assumes that charismatic leaders emerge in crisis situations and in order to resolve the crisis by the charisma granted by God In regard to Saul the book argues that Saul proved himself a charismatic leader as long as acting resolutely and independently from Samuel his mentor He failed however because in Samuel's shadow he could not establish himself as a charismatic leader David was successful because of his autonomy and resolution Also he was a successful charismatic leader as long as he remained independent King David however was gradually sidelined by Joab Another major theme of the David narrative is the clash between the concepts of charismatic military leadership and that of oriental kingship David's military leadership and the charisma related to it are constantly challenged by the concept of oriental kingship Although at his emergence he had lacked charisma Solomon wisely chose the leadership skills needed to lead Israel Attention is however drawn to the tensions between Solomon's leadership benefiting Israel and the royal pretension manifest in royal projects The relationship of the new charismatic leader with the old leader is scrutinized how the new leader is appointed how he emerges how the old persists in short the transition and succession in leadership An evaluation of the activity of the charismatic follows could he resolve the crisis from which he emerged and for which he was granted God's spirit To what extent were these leaders charismatic *The Charisma Myth* Olivia Fox Cabane, 2013-03-26 Simple techniques to help you become more influential persuasive and confident The charisma myth is the idea that charisma is a fundamental inborn quality you either have it Bill Clinton Steve Jobs Oprah or you don't But that's simply not true as Olivia Fox Cabane reveals Charismatic

behaviors can be learned and perfected by anyone Drawing on techniques she originally developed for Harvard and MIT Cabane breaks charisma down into its components Becoming more charismatic doesn't mean transforming your fundamental personality It's about adopting a series of specific practices that fit in with the personality you already have [Routledge International Handbook of Charisma](#) José Pedro Zúquete,2020-11-29 The Routledge International Handbook of Charisma provides an unprecedented multidimensional and multidisciplinary comparative analysis of the phenomenon of charisma first defined by Max Weber as the irrational bond between deified leader and submissive follower It includes broad overviews of foundational theories and experiences of charisma and of associated key issues and themes Contributors include 45 influential international scholars who approach the topic from different disciplinary perspectives and utilize examples from an array of historical and cultural settings The Handbook presents up to date concise thought provoking innovative and informative perspectives on charisma as it has been expressed in the past and as it continues to be manifested in the contemporary world by leaders ranging from shamans to presidents It is designed to be essential reading for all students researchers and general readers interested in achieving a comprehensive understanding of the power and potential of charismatic authority in all its varieties subtleties dynamics and current and potential directions [Charisma](#) Jo Bac,2013-12 Thoughts and ways of thinking give us our substance and personal essence which make us so individualistic but conversely allow us to closely relate to each other Our here and now our reality or actuality is deeply rooted in our beliefs hopes and plans for the future That is the reason why it is never about bullshit but is always about Hoping Dreaming and our Imagination as well as about the way how we negotiate and renegotiate our thoughts with those who create with us the here and now This paper and future research are dedicated to the political world which is increasingly becoming virtual in a visionary leadership created by each of us in our own personal way [Charisma](#) Andrew Leigh,2012-10-12 Make a powerful positive and lasting impact and become the person everyone remembers as you discover how Charisma can take YOU to a whole new level Learn how to unlock the secrets of being a success with everyone you meet by gaining their agreement confidence commitment and admiration Packed full of strategies for increasing charisma you will learn how to stand out from the crowd communicate with confidence establish lasting meaningful and life changing relationships with people on every level revolutionise your confidence and self esteem and become more assertive so you can get what you want when you want it The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you'll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed *Embodying Charisma* Helene Basu,Pnina Werbner,2002-03-11 The continued vitality of Sufism as a living embodied postcolonial reality challenges the

argument that Sufism has died in recent times Throughout India and Bangladesh Sufi shrines exist in both the rural and urban areas from the remotest wilderness to the modern Asian city lying opposite banks and skyscrapers This book illuminates the remarkable resilience of South Asian Sufi saints and their cults in the face of radical economic and political dislocations and breaks new ground in current research It addresses the most recent debates on the encounter between Islam and modernity and presents important new comparative ethnographic material Embodying Charisma re examines some basic concepts in the sociology and anthropology of religion and the organization of religious movements Truth Over Feelings Conrad Riker,101-01-01 Are you tired of being told to suppress your masculinity Do you feel lost in a world that demonizes strength and glorifies weakness Are you ready to reclaim your purpose and lead with clarity This book is for men who want to cut through the noise of modern society and rediscover their true role as leaders protectors and providers It s time to reject the lies of cultural Marxism and embrace the truth that God has placed men at the helm of society Discover why gender equality is a myth and how it undermines the natural order Learn how to reclaim your masculinity without falling into the trap of toxic masculinity Understand the spiritual responsibility of men and how to lead with purpose Explore the dangers of collectivism and why individualism is key to societal progress Find out how to navigate the double bind of vulnerability and strength Learn the crucial role of fatherhood in building a stable society Master the art of rational discourse and avoid emotional manipulation Awaken your redpilled mind and see the world as it truly is If you want to break free from societal lies reclaim your identity and lead with strength and purpose then buy this book today The truth will set you free
