Calling In Loretta J Ross, 2025-02-04 From a pioneering Black feminist and MacArthur Genius Fellow an urgent and exhilarating memoir manifesto handbook about how to rein in the excesses of cancel culture so we can truly communicate and solve problems together In 1979 Loretta Ross was a single mother who had to drop out of Howard University She was working at Washington DC's Rape Crisis Center when she got a letter from a man in prison saying he wanted to learn how to not be a rapist anymore At first she was furious As a survivor of sexual violence she wanted to write back pouring out her rage But instead she made a different choice a choice to reject the response her trauma was pushing her towards a choice that set her on the path towards developing a philosophy that would come to guide her whole career rather than calling people out try to call even your unlikeliest allies in Hold them accountable but do so with love Calling In is at once a handbook a manifesto and a memoir because the power of Loretta Ross's message comes from who she is and what she's lived through She's a Black woman who's deprogrammed white supremacists a survivor who's taught convicted rapists the principles of feminism With stories from her five remarkable decades in activism she vividly illustrates why calling people in inviting them into conversation instead of conflict by focusing on your shared values over a desire for punishment is the more strategic choice if you want to make real change And she shows you how to do so whether in the workplace on a college campus or in your living room Courageous awe inspiring and blisteringly authentic Calling In is a practical new solution from one of our country's most extraordinary change makers one anyone can learn to use to transform frustrating and divisive conflicts that stand in the way of real connection with the people in your life

From Phenomenology to Existentialism Dov Schwartz, 2012-12-03 Rabbi Joseph B Soloveitchik's philosophy plays a significant role in twentieth century Jewish thought. This book focuses on the first and the second stages of Soloveitchik's philosophy 1945-1965 through a systematic and detailed discussion of some of his essays including *From There You Shall Seek* and *The Lonely Man of Faith*. Schwartz analyzes these essays according to this thesis: in the mid 40s Soloveitchik used the phenomenology of religion to express his views; while in the 50s he added the existential theory. *Thena* Tuana Dowan, 2012-07-05 *THENAFight for the Future* is an inspirational self-improvement and spiritual development story of Tuana Dowan herself of the people who had positive and negative impacts in her life and of Thena who introduced herself as Tuana's higher self in her dreams. Thena informed her of who Tuana was, the reincarnation principle and the past lives, her pre-birth plans, her good and bad karma that she carried into her present life and the negative intrusions in her current life. She also told Tuana that she was a Lightworker alongside a few thousand others incarnated in this period with a mission to spread light in the form of knowledge, freedom and love on Earth and that she would play a very important role in the enlightenment of many people. Tuana met Thena several times in the following years besides acting as a guide in Tuana's self-improvement and spiritual development process. Thena gave her some information from the future and all her prophecies materialized in time. Under the illuminating guidance of Thena and the positive people she met along the way, Tuana improved her self-esteem and courage, released her ego and built up her patience. She set up goals in the light of her mission and pursued them no matter what she encountered. She changed her career and became a trainer and a consultant in the field of soft skills development. Learning to go out of her comfort zones and routines allowed Tuana to become a person with inner peace, mindfulness and altruistic love. *THENAFight for the Future* encourages readers to reach for the hero within and find the courage to create a happier, healthier and more successful life. <http://www.youtube.com/watch?v=yMPbrNqlls> *10-Minute Bible Study Journal for Women* Chanté Griffin, 2025-04-29 Find time in your day for faith.
