Read It To Me Now Learning At Home And At School:

Read It To Me Now! Hilary Minns, 1997-05-16 What do young children from different cultural backgrounds learn about reading and writing before they come to school How can schools work with parents to incorporate children's pre school literacy learning into policies for the development of literacy What strategies can early years teachers use to support young children's understanding of the reading process Read It To Me Now charts the emergent literacy learning of five four year old children from different cultural backgrounds in their crucial move from home to school and demonstrates how children's early understanding of reading and writing is learnt socially and culturally within their family and community Drawing the children's stories together Hilary Minns discusses the role of the school in recognizing and developing children's literacy learning including that of emergent bilingual learners and in developing genuine home school links with families This edition of Read It To Me Now makes reference to current texts that take knowledge and ideas of children's literacy learning further and includes discussion of the literacy requirements of the National Curriculum **Read It To Me Now!** Minns,

Hilary, 1997-05-01 Minns charts the emergent literacy learning of 5 four year old children from different cultural backgrounds in their crucial move from home to school and shows how children's early understanding of reading is learnt within their family *Read it to Me Now!* Hilary Minns, 1990 **Raising Boys' Achievement In Primary Schools** Warrington, Molly, Younger, Mike, 2006-06-01 Within the context of empirical research undertaken by the authors during the course of a 4 year research and intervention project on Raising Boys Achievement the book will focus on approaches that are successful in raising achievement for boys and the reasons for that success It will explore the whole aspect of boys achievement and look at how primary schools are addressing the issue and the processes involved in schools working collaboratively and voluntarily to share good practice Case study material will be used to illustrate the different contexts in which the strategies have been studied and of great importance is the incorporation of boys and girls own perspectives on their educational experiences **The Literate Classroom** Prue Goodwin, 2017-08-01 Now in its fourth edition The Literate Classroom combines a range of refreshing and challenging viewpoints from experienced classroom practitioners in order to offer practical and effective approaches to teaching reading and writing to primary students Over the last few years how teachers talk with children about their learning has been missing from much of the documentation going into school but with essential information and advice this book highlights the importance of speaking and listening in literacy learning and recognises the powerful links between reading writing and dialogic talk This fully updated edition includes shared and guided reading and writing comprehension through response to children's literature guidance on literacy teaching with ELL pupils new chapters on digital literacy drama for literacy talk for spelling and poetry The Literate Classroom describes how the theory behind key areas of literacy teaching can be transformed into realistic learning experiences within the classroom An accessible and informative collection this book is a must have for any teachers of literacy in the primary sector
