Reader In International Relations And Political Theory:

A Reader in International Relations and Political Theory Howard L. Williams, Tony Evans, Moorhead Wright, 1993
This reader has been assembled in response to increasing dissatisfaction among a growing number of international relations scholars with the currently dominant theory of realism as well as in recognition of the large number of newly independent states which are having to write new constitutions and develop foreign relations The book includes excerpts and essays from political theory and international relations which provide a starting point for further study of these subjects It draws together writings representing two distinct traditions and demonstrates their interconnections In political theory excerpts are drawn from classical texts which have an important bearing on problems of international relations In international relations the collection includes essays which have had a seminal influence on the development of this discipline Global Society in Transition: An International Politics Reader Daniel N. Nelson, Laura Neack, 2002-05-13 International Politics A Journal of Transnational Issues and Global Problems has since 1997 published an extraordinary array of path breaking analyses about the world's political metamorphosis Featuring scholarship that transcends boundaries of states and disciplines International Politics editors and contributors have joined to assemble from the journal's last few volumes a far reaching portrait of new actors identities norms and institutions that populate a stage once confined to states power and national interests Further interventions to build states make or keep the peace impose sanctions or save currencies are examined as are the institutional enlargements at the forefront of policy in Europe This book offers a wealth of policy relevant scholarship about a world in making not yet detached from Cold War or even Westphalian roots but certainly in process towards a qualitatively different global system All published after rigorous peer review chapters in Global Society in Transition will provide comparative politics international relations and world affairs courses at undergraduate and graduate level with instant access to the best of new research and innovative thinking in these fields *The Global Justice Reader* Thom Brooks, 2023-03-06 A unique compendium of foundational and contemporary writings in global justice newly revised and expanded The Global Justice Reader is the first resource of its kind to focus exclusively on this important topic in moral and political philosophy providing an expertly curated selection of both classic and contemporary work in one comprehensive volume Purpose built for course work this collection brings together the best in the field to help students appreciate the philosophical dimensions of critical global issues and chart the development of diverse concepts of justice and morality Newly revised and expanded the Reader presents key writings of the most influential writers on global justice including Thomas Hobbes Immanuel Kant John Stuart Mill Martha C Nussbaum and Peter Singer Thirty nine chapters across eleven thematically organized sections explore sovereignty rights to self determination human rights nationalism and patriotism cosmopolitanism global poverty women and global justice climate change and more Features seminal works from the moral and political philosophers of the past as well as important writings from leading contemporary thinkers Explores critical

topics in current discourses surrounding immigration and citizenship global poverty just war terrorism and international environmental justice Highlights the need for shared philosophical resources to help address global problems Includes a brief introduction in each section setting out the issues of concern to global justice theorists Contains complete references in each chapter and a fully up to date extended bibliography to supplement further readings The revised edition of The Global Justice Reader remains an ideal textbook for undergraduate and graduate courses in global justice and human rights

cosmopolitanism and nationalism environmental justice and social justice and citizenship and an excellent supplement for general courses in political philosophy political science social science and law **The Global Resistance Reader** Louise Amoore,2005 The Global Resistance Reader provides the first comprehensive collection of work on the phenomenal rise of transnational social movements and resistance politics from the visible struggles against the financial economic and political authority of large international organizations such as the World Trade Organization World Bank and International Monetary Fund to the much less visible acts of resistance in everyday life The conceptual debates substantive themes and case studies have been selected to open up the idea of global resistance to interrogation and discussion by students and to provide a one stop orientation for researchers journalists policymakers and activists **The Cosmopolitanism Reader** Garrett W.

Brown,David Held,2010-12-28 In response to a renewed cosmopolitan enthusiasm this volume brings together 25 essays in the development of cosmopolitan thought by distinguished cosmopolitan thinkers and critics It looks at classical cosmopolitanism global justice culture and cosmopolitanism political cosmopolitanism and cosmopolitan global governance
