

MAKING CONNECTIONS

Name: _____

PLUS ONE MAKES FOUR

Something very exciting is happening today. I'm getting a new little baby sister or baby brother. My parents went to the hospital yesterday and now I get to and see them and meet my new sibling. My aunty drives me to the hospital and we go to my parents' room. I walk in and I see an adorable little baby in my mother's arms. My Mum says to me "Would you like to hold her?" I'm so excited. Of course I want to hold my new baby sister! The nurse places her gently in my arms and I hold her close to me. She looks just like a little doll, fast asleep in my arms.

Of course, it doesn't take long for her to start screaming! I look around, panicking. I have absolutely no clue what to do with a screaming baby. The nurse takes her from my arms and passes her carefully to my mother. The baby's loud screams become a quiet whimper as my mum rocks her gently. I can't believe I'm now a big brother! The next day my parents bring my little sister, Isabelle, home from the hospital. She has her own room, called a nursery, next to mine. It has a crib, a changing table and lots of little toys for her to play with. I can't wait to be able to play games with her when she gets a bit older!
