also tells the story of an era when America adored all things French The group is comprised of the war correspondent A J Liebling Alice B Toklas Gertrude Stein s life partner who reinvented herself at seventy as a cookbook author M F K Fisher a sensualist and fabulist storyteller Julia Child a television celebrity and cookbook author Alexis Lichine an ambitious wine merchant and Richard Olney a reclusive artist who reluctantly evolved into a brilliant writer on French food and wine Together these writer adventurers initiated an American cultural dialogue on food that has continued to this day Justin Spring s *The Gourmands Way* is the first book ever to look at them as a group and to specifically chronicle their Paris experiences A literary meal both luscious and lively and essential to understanding our vacillating love affair with the French Kirkus Reviews starred review
